The esteemed Rev. Patrick J. Cunningham, dear brother of the Rev. James Cunningham, former pastor of St. Patrick in Gibson, died in Ireland in retirement, at 81 years of age, on Nov. 16, at Sts. Peter and Paul, where Father Pat was pastor for 14 years.

God bless you, friend. Rest in peace. Remember me in the Communion of Saints. When he became a priest in 1929, it was a good year for vocations, but not so in the year that he died. How about more vocations, please?
