## Administration

ANDREW T. HEWITT, CFC  
PRINCIPAL

Dr. Hewitt has been with us at Essex for three years. As principal, his responsibilities concern the general well-being of the school, especially its spirit, an area to which he has greatly contributed. Brother's teaching credentials include a B.A. in French from Iona College and an M.A. in Environmental Science from CCNY. This year he is teaching Advanced Biology to the seniors.

We thank Brother Hewitt for his jovial presence and his vision of the future.

"Don't worry, Brother Hewitt, I'll take care of it later."

ANDREW T. SCHMITT, CFC  
PRINCIPAL
