|          | 14 |  |
| 10:43:50 | 15 | BY MR. MANLY:  |
|          | 16 | Q Good morning, Bishop.                                  |
|          | 17 | A Good morning, Mr. Manly.                               |
|          | 18 | Q Before you we came on the record, you                  |
|          | 19 | asked me not to address you as Your Excellency and said  |
| 10:43:59 | 20 | you would prefer to be addressed at Bishop. Is that      |
|          | 21 | okay with you?   |
|          | 22 | A That's correct. Thank you.                             |
|          | 23 | Q Okay. Bishop, have you ever been deposed               |
|          | 24 | before?  |
| 10:44:06 | 25 | A I was deposed many years ago for an accident           |

|          |    | Page 8   |
|----------|----|--|
| 10:44:08 | 1  | case.  |
|          | 2  | Q Okay. When did that occur?                             |
|          | 3  | A In the middle 1960s, I think.                          |
|          | 4  | Q Okay. Where?   |
| 10:44:17 | 5  | A It was in Bakersfield, California.                     |
|          | 6  | Q Okay.  |
|          | 7  | MR. CALLAHAN: Bishop, try to talk slowly                 |
|          | 8  | THE WITNESS: Oh, okay.                                   |
|          | 9  | MR. CALLAHAN: and wait until he finishes                 |
| 10:44:24 | 10 | because of the although it's being taped on video,       |
|          | 11 | you can see this other young lady is taking it down word |
|          | 12 | for word. And she needs to                               |
|          | 13 | THE WITNESS: Thank you.                                  |
|          | 14 | MR. CALLAHAN: have a pause between. Thank                |
| 10:44:34 | 15 | уоц.   |
|          | 16 | BY MR. MANLY:  |
|          | 17 | Q Okay. Were you living in Bakersfield at the            |
|          | 18 | time?  |
|          | 19 | A I was living in Bakersfield at the time, yes.          |
| 10:44:38 | 20 | Q Okay. Now, it's probably the '60s is a                 |
|          | 21 | long time ago, so you may not remember what they said    |
|          | 22 | and not even know what they did in the '60s in           |
|          | 23 | depositions, so I'll go through the rules again.         |
|          | 24 | Have you had an opportunity to speak with                |
| 10:44:54 | 25 | your counsel about today?                                |

|          |    | Page 9   |
|----------|----|--|
| 10:44:55 | 1  | A I was able to speak to my counsel                      |
|          | 2  | yesterday  |
|          | 3  | Q Okay, And  |
|          | 4  | A and today.   |
| 10:45:01 | 5  | Q I'm sorry. I didn't mean to interrupt you.             |
|          | 6  | You spoke to him yesterday and today?                    |
|          | 7  | A That's correct.  |
|          | 8  | Q Okay. My guess is he probably explained to             |
|          | 9  | you what a deposition is about, but I want to go through |
| 10:45:09 | 10 | a few of the ground rules so we're clear. All right?     |
|          | 11 | A That will be fine. Thank you.                          |
|          | 12 | Q All right. First of all, the anything you              |
|          | 13 | say while the court reporter is on the record will be    |
|          | 14 | taken down whether the video takes it down or not. Do    |
| 10:45:22 | 15 | you understand that?                                     |
|          | 16 | A I do understand that. Thank you.                       |
|          | 17 | Q Okay. And so it's very important that you              |
|          | 18 | give your best and most accurate testimony here today.   |
|          | 19 | Okay?  |
| 10:45:31 | 20 | A Yes. I understand.                                     |
|          | 21 | Q All right. And further, in the event that              |
|          | 22 | you remember something or forget something later, you're |
|          | 23 | going to be given an opportunity after the deposition    |
|          | 24 | well, let me rephrase that.                              |
| 10:45:48 | 25 | After the deposition is over, the court                  |

|          |    | Page 10  |
|----------|----|--|
| 10:45:49 | 1  | reporter is going to transcribe her notes into the form  |
|          | 2  | of a booklet. And at that time, you're going to be       |
|          | 3  | given an opportunity to make changes to your deposition  |
|          | 4  | before you sign it. I want to caution you from the       |
| 10:46:03 | 5  | outset of your deposition that if you make changes that  |
|          | 6  | are substantive in nature, that myself or the other      |
|          | 7  | lawyers in the case will be entitled to comment upon     |
|          | 8  | that at time of trial. Do you understand?                |
|          | 9  | A I do understand.                                       |
| 10:46:15 | 10 | Q Okay. And do you also understand that you're           |
|          | 11 | under oath here today?                                   |
|          | 12 | A I do understand I'm under oath today.                  |
|          | 13 | Q And by virtue of that, you understand you're           |
|          | 14 | bound to tell the truth?                                 |
| 10:46:27 | 15 | A I'm bound to tell the truth, yes.                      |
|          | 16 | Q Okay. Have you ever heard of something                 |
|          | 17 | called mental reservation?                               |
|          | 18 | A Yes, I have heard of mental reservation.               |
|          | 19 | Q Okay. What do you understand that to be,               |
| 10:46:35 | 20 | Bishop?  |
|          | 21 | A My understanding of mental reservation is              |
|          | 22 | that if someone's asked a question, the response might   |
|          | 23 | be evasive.  |
|          | 24 | Q Okay. My understanding of it is, and it was            |
| 10:46:49 | 25 | explained to me by a Jesuit, so maybe it's automatically |

|          |    | Page 11  |
|----------|----|--|
| 10:46:52 | 1  | suspect, is that is that there are times when for the    |
|          | 2  | greater moral good as perceived by that person it's okay |
|          | 3  | to be untruthful. And the example that I was told about  |
|          | 4  | was  |
| 10:47:08 | 5  | (Whereupon, Mr. DiMaria entered the                      |
|          | 6  | proceedings.)  |
|          | 7  | BY MR. MANLY:  |
|          | 8  | Q when a in 1945 or '44, if an SS officer                |
|          | 9  | came up and asked somebody who was Jewish in Poland "Are |
| 10:47:18 | 10 | you Jewish" and they said "No" because they knew if they |
|          | 11 | were they said "Yes," they'd be killed, that was not     |
|          | 12 | an immoral act, and that was a just use of mental        |
|          | 13 | reservation.   |
|          | 14 | Is that a good summary of something that                 |
| 10:47:32 | 15 | would apply?   |
|          | 16 | A Yes, that could be an example of mental                |
|          | 17 | reservation.   |
|          | 18 | Q Okay. Will you commit not to employ that               |
|          | 19 | doctrine today?  |
| 10:47:40 | 20 | A I commit not to use any mental reservation in          |
|          | 21 | my testimony.  |
|          | 22 | Q Okay. Okay. Now, tell me what outside of               |
|          | 23 | what you learned from your lawyer, tell me what you know |
|          | 24 | about the allegations in the constant case?              |
| 10:48:05 | 25 | A I know nothing other than what my lawyers              |
|          |    |  |

|          |    | Page 12  |

| 10:4B:06 | 1  | have told me.  |
|          | 2  | Q So you've done no independent investigation          |
|          | 3  | or made any inquiry of any employee who works for you  |
|          | 4  | about what they know about it?                         |
| 10:4B:15 | 5  | A I have made no personal investigation of this        |
|          | 6  | particular case.                                       |
|          | 7  | Q So just so the record's clear, you do you            |
|          | В  | understand just from reading a paper that this young   |
|          | 9  | girl is alleging that she was sexually abused while at |
| 10:48:32 | 10 | Mater Dei?   |
|          | 11 | A Yes. I understand that from a paper and also         |
|          | 12 | from what my the diocesan attorneys have told me.      |
|          | 13 | Q Well, I Bishop, I don't want to know what            |
|          | 14 | your lawyers have told you. It's not ethical for me to |
| 10:48:43 | 15 | ask, and I don't want I don't want you to divulge it   |
|          | 16 | accidentally. Okay?                                    |
|          | 17 | A Thank you.   |
|          | 18 | Q So what I want to know is have you have              |
|          | 19 | you heard whether or not the alleged perpetrator has   |
| 10:48:54 | 20 | admitted or denied the allegation?                     |
|          | 21 | MR. CALLAHAN: Other than from his lawyers.             |
|          | 22 | MR. MANLY: Right.                                      |
|          | 23 | THE WITNESS: No.                                       |
|          | 24 | BY MR. MANLY:  |
| 10:49:00 | 25 | Q So as you sit here today as the head of the          |

| 10:49:03 | 1  | Diocese of Orange, you don't have any information other  |
|          | 2  | than what your lawyers have told you as to whether or    |
|          | 3  | not Mr. Andrade has admitted sexually abusing            |
|          | 4  | A I know no other information about the case             |
| 10:49:14 | 5  | other than what my the diocesan attorneys have told      |
|          | 6  | me.  |
|          | 7  | Q Okay. Do you read the papers?                          |
|          | 8  | A Sometimes I read the papers.                           |
|          | 9  | Q Is it have you ever come to the conclusion             |
| 10:49:29 | 10 | that in the past, at least during the 1990s, there was a |
|          | 11 | problem in the Diocese of Orange with sexual abuse?      |
|          | 12 | A I came to the Diocese of Orange in September           |
|          | 13 | of 1998, and I was not aware of problems that preceded   |
|          | 14 | me.  |
| 10:49:46 | 15 | Q Okay.  |
|          | 16 | MR. CALLAHAN: I would draw that limited                  |
|          | 17 | question, Your Honor, but I don't think that's one of    |
|          | 18 | the four areas that were allowed under your order, but I |
|          | 19 | assume its preliminary to what it is.                    |
| 10:49:57 | 20 | JUDGE JAMESON: Well, it's on the border, and             |
|          | 21 | we'll assume that it's it will take us in the other      |
|          | 22 | direction.   |
|          | 23 | MR. CALLAHAN: Thank you. I just didn't want to           |
|          | 24 | waive anything.  |
| 10:50:03 | 25 | JUDGE JAMESON: No. I understand.                         |

|          | 2  | Q Have you ever gained information that leads            |
|          | З  | you to believe that from 1988 let me strike that.        |
|          | 4  | Have you gathered or obtained any information            |
| 10:50:11 | 5  | from any source other than your lawyers that from 1988   |
|          | 6  | to 2002, the beginning of 2002, there was a significant  |
|          | 7  | problem with persons who were sexual abusers working in  |
|          | 8  | the Diocese of Orange?                                   |
|          | 9  | A I had no information of difficulties                   |
| 10:50:36 | 10 | regarding sexual abuse at Mater Dei other than what I've |
|          | 11 | learned from my attorneys.                               |
|          | 12 | Q Okay. Well, respectfully, that's not my                |
|          | 13 | question. It's broader than that. So let me ask it       |
|          | 14 | again.   |
| 10:50:46 | 15 | Did you have you, Bishop Tod Brown, at any               |
|          | 16 | time come to any conclusions or learned from any source  |
|          | 17 | that there were significant problems with child          |
|          | 18 | molesters working in the Diocese of Orange from 1988 to  |
|          | 19 | 2002?  |

|          | 22 | MR. MANLY: Right.  |
|          | 23 | MR. CALLAHAN: He doesn't want to repeat that             |
|          | 24 | each time, but   |
| 10:51:04 | 25 | MR. MANLY: Right.  |

| 10:51:11 | 5  | THE WITNESS: No. I'm not aware of a of a                |

|          | 9  | A Oh, I'm sorry.  |
| 10:51:22 | 10 | Q I'm asking my question includes Mater Dei,            |
|          | 11 | but it's broader about the Diocese of Orange. Would you |
|          | 12 | like the court reporter to read it back, Bishop?        |
|          | 13 | A I would appreciate that, please.                      |
|          | 14 | Q Sure.   |
| 10:51:32 | 15 | And I should have said, Bishop, at any point            |
|          | 16 | if you need a break, you stop me, and we will stop.     |
|          | 17 | A Thank you.  |
|          | 18 | Q Okay. Just if I have a question pending,              |
|          | 19 | just answer it, and I want you to be as comfortable as  |

|          | 21 | A Thank you.  |
|          | 22 | Q Okay. And also sorry if I if you                      |
|          | 23 | don't understand one of my questions, stop me, and I'll |
|          | 24 | be happy to rephrase it. Okay?                          |

|          | 11 | A Not of the I have learned about the                  |
|          | 12 | difficulties in the in the diocese almost exclusively  |
|          | 13 | by means of various suits that have been filed against |
|          | 14 | the diocese by the alleged victims.                    |
| 10:52:47 | 15 | Q How many suits have been filed against the           |
|          | 16 | diocese?   |
|          | 17 | A I am aware at the moment of the 90 suits that        |
|          | 18 | we settled in December of this year last year.         |
|          | 19 | Q Okay. When did you first become aware of a           |
| 10:52:58 | 20 | lawsuit filed against the Diocese of Orange alleging   |
|          | 21 | sexual abuse?  |
|          | 22 | A I first learned of a lawsuit when I first            |
|          | 23 | came to the Diocese of Orange in 1998.                 |
|          | 24 | Q And what suit was that?                              |
| 10:53:10 | 25 | A I believe that was the Ryan DiMaria/Harris           |
|          |    |  |

Page 17 10:53:15 1 suit. 2 And you know Mr. DiMaria, sitting in the room 0 3 today? 4 А No, I do not. 10:53:22 5 0 Now, this is not the first diocese you have 6 been a bishop of; is that correct? 7 The Diocese of Orange is the second diocese Ά 8 I've been the bishop of. Okay. Were you an auxiliary before you 9 0 10:53:35 became a bishop of a diocese? 10 11 No, I was not an auxiliary bishop. А All right. So sometimes a -- in the Roman 12 0 13 Catholic world, is a bishop also known as an Ordinary, 14 with a capital O? 10:53:50 15 Α In the Roman Catholic world, there are 16 several Ordinaries. The bishop charge is referred to as 17 the diocesan bishop. 18 0 Okay. 19 There may be other Ordinaries in the diocese Α 10:54:01 20 besides him. 21 Okay. The other Ordinaries would be for Q provincials or other heads of religious orders, correct? 22 23 Α No. For the diocese, it would be like the 24 vicar general or auxiliary bishops. 10:54:12 25 0 I see. Who was the auxiliary bishop or

|          | 2   | Orange?  |
|          | З   | A When I came to the Diocese of Orange, the            |
|          | 4   | auxiliary bishop was Bishop Michael J. Driscoll.       |
| 10:54:26 | 5   | Q Okay. And who was was Bishop Soto                    |
|          | 6   | ordained by that time?                                 |
|          | 7   | A No. Bishop Soto was ordained later.                  |
|          | 8   | Q Ordained as a bishop, not as a priest, right?        |
|          | 9   | A As a bishop, correct.                                |
| 10:54:37 | 10  | Q All right. And who was the vicar general             |
|          | 11  | when you arrived here?                                 |
|          | 12  | A When I first came to the Diocese of Orange           |
|          | 13  | right now I don't recall who the vicar general is. The |
|          | 14  | vicar general, I think, was Bishop Driscoll.           |
| 10:54:56 | 15  | Q Okay. At some point, did that change,                |
|          | 16  | Bishop?  |
|          | 17  | A Yes, that changed. Bishop Driscoll was               |
|          | 1.8 | transferred to Boise, Idaho, and they I then named     |
|          | 19  | Monsignor John Urell as vicar general of the diocese.  |
| 10:55:09 | 20  | Q Okay. So what happened is you came from the          |
|          | 21  | Diocese of Boise where you had been the bishop. You    |
|          | 22  | succeed Bishop McFarland. And then sometime later,     |
|          | 23  | Bishop Driscoll went to Boise?                         |
|          | 24  | A That's correct.                                      |
| 10:55:21 | 25  | Q Okay. How much time elapsed between the time         |

|          |    | Page 19  |
|----------|----|--|
| 10:55:24 | 1  | you arrived in the diocese and the time Bishop Driscoll  |
|          | 2  | went to Boise?   |
|          | 3  | A I came to Orange in early September of 1998,           |
|          | 4  | and I believe Bishop Driscoll went to Boise March of the |
| 10:55:37 | 5  | following year.  |
|          | 6  | Q So you came in September of '98?                       |
|          | 7  | A That's correct. I came in September of '98.            |
|          | 8  | Q And he left in March?                                  |
|          | 9  | A Of '99 he left.  |
| 10:55:52 | 10 | Q Okay. Okay. So you had six or seven months             |
|          | 11 | where you worked together?                               |
|          | 12 | A That is correct. We worked together during             |
|          | 13 | that time period.  |
|          | 14 | Q And who was the chancellor of the Diocese of           |
| 10:56:03 | 15 | Orange when you arrived here?                            |
|          | 16 | A When I arrived in the Diocese of Orange, the           |
|          | 17 | chancellor was Monsignor John Urell.                     |
|          | 18 | Q And both of those men had been previously              |
|          | 19 | named by Bishop McFarland?                               |
| 10:56:16 | 20 | A Both of those men were previously appointed            |
|          | 21 | by Bishop McFarland.                                     |
|          | 22 | Q And and where is Monsignor Urell today?                |
|          | 23 | A Monsignor Urell is the pastor of St. Nich              |
|          | 24 | St. Norbert's church in Orange.                          |
| 10:56:30 | 25 | Q Was there an e-mail sent out over the weekend          |

|          |    | Page 20  |
|----------|----|--|
| 10:56:32 | 1  | regarding Monsignor Urell's status by the diocese?       |
|          | 2  | A I think there was an e-mail sent out. I did            |
|          | 3  | not see it.  |
|          | 4  | Q What did it say? Do you know?                          |
| 10:56:40 | 5  | MR. CALLAHAN: I think we're getting beyond the           |
|          | 6  | scope of the questions. If this is preliminary, fine.    |
|          | 7  | But it doesn't seem to fall within one of the four       |
|          | 8  | categories about which the witness is going to speak.    |
|          | 9  | JUDGE JAMESON: Well, I've given more recent              |
| 10:56:55 | 10 | discussions about Monsignor Urell's situation, I'll      |
|          | 11 | allow it.  |
|          | 12 | MR. CALLAHAN: Okay.                                      |
|          | 13 | THE WITNESS: I believe the e-mail which was sent         |
|          | 14 | to the priests notified them that Monsignor Urell was on |
| 10:57:09 | 15 | a medical leave of absence.                              |

|          | 17 | Q Did it say he was being evaluated?                     |
|          | 18 | A I don't recall. I didn't see the e-mail.               |
|          | 19 | Q Where is Monsignor Urell today?                        |
| 10:57:17 | 20 | A I think you would have to talk to his                  |
|          | 21 | physician for the answer to that question.               |
|          | 22 | Q Okay. Is he at St. Luke's?                             |
|          | 23 | MR. CALLAHAN: You can answer if you know.                |
|          | 24 | THE WITNESS: I yes, he is not at St. Luke's.             |

| 10:57:33 | 1  | Q Is he at a Roman Catholic facility?                  |
|          | 2  | MR. CALLAHAN: I think, Your Honor, we're beyond        |
|          | 3  | the scope of what this witness was called to           |
|          | 4  | JUDGE JAMESON: Well, we're making it more              |
| 10:57:46 | 5  | complicated than it needs to be.                       |
|          | 6  | Do you know where Monsignor Urell is is                |
|          | 7  | not where he is every second, but where he slept last  |
|          | 8  | night, where you think he'll sleep tonight, where      |
|          | 9  | he's   |
| 10:58:01 | 10 | THE WITNESS: Yes, I do, Your Honor.                    |
|          | 11 | JUDGE JAMESON: Would you tell us, please.              |
|          | 12 | THE WITNESS: He's at a facility called                 |
|          | 13 | Southdown, which is outside Toronto.                   |
|          | 14 | BY MR. MANLY:  |
| 10:58:08 | 15 | Q Now, is Southdown a pedophile treatment              |
|          | 16 | facility?  |
|          | 17 | A Southdown is a treatment facility for clergy         |
|          | 18 | and religious who have emotional and psychological     |
|          | 19 | difficulties.  |
| 10:58:18 | 20 | Q And it treats pedophile, does it not?                |
|          | 21 | A It treats many conditions.                           |
|          | 22 | Q And it has treated pedophiles over the years,        |
|          | 23 | has it not?  |
|          | 24 | A It the treatment there has been varied,              |
| 10:58:28 | 25 | depending upon a particular situation. Among others, I |

|          |    | Page 22  |
|----------|----|--|
| 10:58:30 | 1  | believe they have it's possible, I don't know that       |
|          | 2  | they have, but it's possible they have dealt with        |
|          | З  | pedophile priests. I think they I'm sure they have.      |
|          | 4  | MR. CALLAHAN: I'm going to object to this, Your          |
| 10:58:42 | 5  | Honor. Because what we're going to see now is a          |
|          | 6  | newspaper article headline before the day is over,       |
|          | 7  | "Urell Being Treated for Pedophilia." And I think that   |
|          | В  | is just so wrong and so improper.                        |
|          | 9  | JUDGE JAMESON: Well, that would be, but I'm              |
| 10:58:55 | 10 | hoping that that won't occur, and I'm also hoping that   |
|          | 11 | we'll move on back to                                    |
|          | 12 | MR. MANLY: Well, Judge                                   |
|          | 13 | JUDGE JAMESON: the bishop's knowledge of this            |
|          | 14 | case.  |
| 10:59:09 | 15 | MR. MANLY: Can I can I make a record on this             |
|          | 16 | Urell thing? Because I want to do it thank you, Your     |
|          | 17 | Honor.   |
|          | 18 | For the first time yesterday after after                 |
|          | 19 | two years of litigation, eight depositions of my client, |
| 10:59:18 | 20 | and numerous production requests, I had Bishop McFarland |
|          | 21 | whip out a policy on sexual abuse that no one previously |
|          | 22 | said existed with Mr. Callahan's fax number on it.       |
|          | 23 | There have been various misrepre                         |
|          | 24 | representations made to us about Bishop about            |
| 10:59:35 | 25 | Monsignor Urell, I believe none of which were true. And  |

|          |     | Page 23  |
|----------|-----|--|
| 10:59:40 | 1   | he's being evaluated at a treatment facility for a       |
|          | 2   | condition unknown run by the bishops of of Canada.       |
|          | 3   | That's what Southdown is run by. And I can tell you      |
|          | 4   | from doing these cases for ten years, Southdown does     |
| 10:59:55 | 5   | evaluate pedophiles.                                     |
|          | 6   | Now, I hope Monsignor Urell isn't being                  |
|          | 7   | evaluated for that. But if he is, I'm entitled to know   |
|          | В   | it, and that gives me the absolute right, in my opinion, |
|          | 9   | under the law to inquire as to what he is being          |
| 11:00:0B | 1.0 | evaluated for. And if it's alcoholism or or stress       |
|          | 11  | or something else, fine. And I don't think anybody       |
|          | 12  | should draw any conclusion as to why he is there, and    |
|          | 13  | I'll say that on the record.                             |
|          | 14  | But I have to tell you it is very suspicious             |
| 11:00:20 | 15  | given the history of that place. There are four or five  |
|          | 16  | treatment facilities that people all over this country   |
|          | 17  | have been sent to. One is St. Luke's, one is the         |
|          | 18  | Servants of the Paraclete, both in New Mexico and in     |
|          | 19  | St. Louis. There is the there's Fall River and           |
| 11:00:36 | 20  | there's Southdown and there's several others.            |
|          | 21  | What's that?   |
|          | 22  | MR. FINALDI: Vianney.                                    |
|          | 23  | MR. MANLY: Saint John Vianney in Philadelphia.           |
|          | 24  | And and on the eve of trial, Mr. Urell has               |
| 11:00:46 | 25  | been sent to a facility outside the United States. And   |
|          |     |  |

|          |    | Page 24   |
|----------|----|---|
| 11:00:49 | 1  | if he had psychological problems, there are some of the |
|          | 2  | best psychiatrists in the country within driving        |
|          | 3  | distance of here.                                       |
|          | 4  | So why he is sent to a facility a                       |
| 11:01:00 | 5  | lock-down facility run by the bishops of Canada is      |
|          | 6  | beyond me.  |
|          | 7  | MR. CALLAHAN: Well, I will address that to say          |
|          | В  | this. I'm not his doctor. I'm not his lawyer. But       |
|          | 9  | his the decisions on his health were made by his        |
| 11:01:15 | 10 | doctor and himself. And my understanding of Southdown   |
|          | 11 | is it's a very reputable institution that treats a lot  |
|          | 12 | of different problems, medical and psychological.       |
|          | 13 | And and this isn't about discovery. This                |
|          | 14 | is about sound bites. This is about newspaper           |
| 11:01:32 | 15 | publicity. And I think it's it's not only wrong, it     |
|          | 16 | borders on immoral to use this vehicle to find out      |
|          | 17 | confidential information of what ordinarily would be    |
|          | 18 | revealed this might be funny to you, Mr. Finaldi.       |
|          | 19 | It's not funny to me.                                   |
| 11:01:47 | 20 | MR. MANLY: You know what? If you want to talk           |
|          | 21 | about morality, I'll be happy to engage you.            |
|          | 22 | JUDGE JAMESON: Hey, we're not going to do that          |
|          | 23 | here.   |
|          | 24 | MR. FINALDI: For the record, I didn't make a            |
| 11:01:55 | 25 | sound.  |
|          |    |   |

|          |    | Page 25  |
|----------|----|--|
| 11:01:56 | 1  | JUDGE JAMESON: Well, look, folks. Monsignor              |
|          | 2  | Urell's medical condition is put in play. We even had    |
|          | 3  | his attorney on the phone the other day. It was left     |
|          | 4  | open that it's Monsignor's burden to establish his       |
| 11:02:17 | 5  | inability to attend deposition and ultimately attend     |
|          | 6  | trial. Conceivably, if it's important, there could even  |
|          | 7  | be an independent review of that.                        |
|          | 8  | So what Bishop Brown knows generally about               |
|          | 9  | where he is, if he has some unique information about the |
| 11:02:45 | 10 | medical condition or why, fine. If he doesn't, we know   |
|          | 11 | where he is. We know that's a pending issue. But what    |
|          | 12 | contributions the bishop can make to that may be         |
|          | 13 | minimal. So let's let's go forward.                      |
|          | 14 | BY MR. MANLY:  |
| 11:02:59 | 15 | Q Okay. Bishop, is he being evaluated for                |
|          | 16 | childhood sexual abuse?                                  |
|          | 17 | A I do not know that.                                    |
|          | 18 | Q Do you know one way or the other?                      |
|          | 19 | A I presume he I don't know for sure.                    |
| 11:03:14 | 20 | Anyone who goes to a facility like Southdown is          |
|          | 21 | evaluated to see exactly what their condition is.        |
|          | 22 | MR. MANLY: Let's take a break.                           |
|          | 23 | THE VIDEOGRAPHER: The time is 11:03, and we're           |
|          | 24 | going off the record.                                    |
| 11:03:27 | 25 | (Recess taken from 11:03 a.m. until                      |

|          | 2  | THE VIDEOGRAPHER: The time is 11:10, and we're           |
|          | 3  | back on the record.                                      |
|          | 4  | MR. CALLAHAN: Your Honor, I just made a phone            |
| 11:10:30 | 5  | call to my office to ask what the procedure was to have  |
|          | 6  | this portion of this transcript sealed and any           |
|          | 7  | references to John Urell not told to the press pending a |
|          | 8  | decision by either yourself or Judge Andler.             |
|          | 9  | What we have come across here now is                     |
| 11:10:48 | 10 | information that ordinarily would be privileged          |
|          | 11 | information in a personnel file about somebody's medical |
|          | 12 | condition. And the last time                             |
|          | 13 | MR. MANLY: Where they are?                               |
|          | 14 | MR, CALLAHAN: The last time                              |
| 11:10:58 | 15 | MR. MANLY: Where they are is privileged; is that         |
|          | 16 | correct?   |
|          | 17 | MR. CALLAHAN: The last time                              |
|          | 18 | JUDGE JAMESON: Just let him finish, Mr. Manly.           |
|          | 19 | MR. CALLAHAN: The last time this came up in the          |
| 11:11:04 | 20 | framework of this particular case, confidential          |
|          | 21 | information was mentioned from a personnel file of       |
|          | 22 | Andrade. We were challenged why don't we tell people     |
|          | 23 | who are accused, et cetera. And then Andrade sued us,    |
|          | 24 | and it cost us a hundred thousand dollars.               |
| 11:11:18 | 25 | JUDGE JAMESON: I don't use apples and oranges,           |

Page 27 11:11:20 1 Mr. Callahan. 2 MR. CALLAHAN: Okay. This is the same kind of --3 same kind of a deal, Your Honor. We've got confidential 4 information from a personnel file. That it is 11:11:27 5 confidential information, the inferences that can be 6 spun or drawn on this would be very harmful medically 7 for somebody who was under emotional stress, if that's, 8 indeed, what the problem is. I don't know what the 9 problem is. I don't have any information on that. 11:11:41 10 But I do know this, that this is not going to 11 be something, in my opinion, that should immediately be 12 leaked to the newspapers before we leave today. 13 Now, there was a break. I don't know who 14 called, but I think -- right now I believe no one except 11:11:52 15 the people in this room have been --MR. MANLY: No. I called Ms. Soltan and told her 16 17 she should tell her expert who's being deposed at the 18 present time. I mean am I not allowed to call my 19 co-counsel, either? 11:12:04 MR. CALLAHAN: Then, Your Honor, I am very, very 20 21 suspicious that somehow --22 MR. MANLY: Did you call your office? 23 MR. CALLAHAN: I called my office and asked about 24 sealing records. 11:12:14 25 MR. MANLY: I'll bet you did.

|          |    | Page 28  |
|----------|----|--|
| 11:12:15 | 1  | MR. CALLAHAN: Yeah. And I can virtually                  |
|          | 2  | guarantee Your Honor that the person I spoke to is not   |
|          | 3  | going to call the newspapers and leak this information.  |
|          | 4  | MR. MANLY: Judge, nobody's calling the                   |
| 11:12:23 | 5  | newspapers.  |
|          | б  | JUDGE JAMESON: John, the other day when I got a          |
|          | 7  | call and they got a call while we were sitting here, you |
|          | 8  | said nobody's called the papers, and the papers quoted   |
|          | 9  | Venus.   |
| 11:12:32 | 10 | MR. MANLY: Well, maybe Venus called maybe the            |
|          | 11 | "Register" called and said "What happened at the         |
|          | 12 | deposition?"   |
|          | 13 | There's no gag order. He's entitled to                   |
|          | 14 | discuss it.  |
| 11:12:40 | 15 | JUDGE JAMESON: I would like no, I'm I'm                  |
|          | 16 | not  |
|          | 17 | MR. FINALDI: The press was at the hearing                |
|          | 18 | prior three days prior.                                  |
|          | 19 | MR. MANLY: But yeah. The press knew the                  |
| 11:12:44 | 20 | deposition was taking place. I mean in the Arch in       |
|          | 21 | the case of the deposition of Cardinal Mahoney, the      |
|          | 22 | Archdiocese released it. I mean so, you know, Judge,     |
|          | 23 | let me let me  |
|          | 24 | MR. CALLAHAN: That's apples and oranges.                 |
| 11:12:54 | 25 | MR. MANLY: Well, I                                       |
|          |    |  |

|          |    | Page 29  |
|----------|----|--|
| 11:12:55 | 1  | JUDGE JAMESON: Just a minute.                            |
|          | 2  | MR. MANLY: Let me let me just say that here's            |
|          | 3  | what we have here. You have John Urell, who has been     |
|          | 4  | the person who's who's the right-hand man of the         |
| 11:13:07 | 5  | bishop, who's been the person who's handled these cases  |
|          | 6  | for 20 years, including mr. DiMaria's case. And you      |
|          | 7  | have an undisclosed illness, and they've gone out and    |
|          | 8  | hired one of the largest law firms in the state to keep  |
|          | 9  | it unknown.  |
| 11:13:23 | 10 | They've never disclosed it. They act like                |
|          | 11 | it's some kind of stress or something like that. And     |
|          | 12 | then I ask where he is, and he's at a pedophile          |
|          | 13 | treatment facility. And then I ask "Is he being treated  |
|          | 14 | for childhood sexual abuse?" I asked the chief           |
| 11:13:36 | 15 | executive of the organization, and I get "I don't know." |
|          | 16 | Now, you know, it seems to me that I'm                   |
|          | 17 | entitled to put this in records, to put this in into     |
|          | 18 | evidence, and to deal with it. And the other thing is I  |
|          | 19 | believe that I there has been unethical conduct here,    |
| 11:13:52 | 20 | and I'm not going to say by who. But for a bishop to     |
|          | 21 | pull out a document in the middle of a deposition on the |
|          | 22 | eve of trial that absolutely sinks the defendant's case, |
|          | 23 | in my opinion, that everyone either didn't know about or |
|          | 24 | lied about, and I think it's the latter what's that?     |
| 11:14:09 | 25 | And with the counsel's fax number on it, and I've never  |
|          |    |  |

Page 30 11:14:14 1 seen it. 2 This does not look good. And you know what, Judge? I'm upset. I'm upset because I think the З 4 process has been perverted. And -- you know, and now we 11:14:23 5 have the key witness, the person who knows the most 6 about this topic apparently in a pedophile treatment 7 facility, so -- outside the United States, outside the 8 jurisdiction of the federal courts, outside the 9 jurisdiction of the state courts. 11:14:38 10 And with a -- with a clear -- and I don't 11 think the Court can disagree with this -- with a clear 12 record of the defendants trying to conceal it. 13 Now, you know, I'm not going to call the 14 press. Am I going to -- if the press calls me and asks 11:14:52 15 me, should I lie to them? What should I say? Maybe we 16 should agree -- can we agree to release this together? 17 MR. CALLAHAN: Here's what I'll agree to, Your 18 Honor. I'll agree that we should immediately call 19 Ms. Soltan and tell her this matter is now being 11:15:07 20 considered by the Court and ask her as an officer of the 21 court not to tell anyone about it. If she's already 22 told her expert, fine. Then call the expert and tell 23 him "This is a matter that's currently being reviewed by 24 the Court. You can talk about it in your deposition," 11:15:21 25 but let's not play games about --

|          |    | Page 31  |
|----------|----|--|
| 11:15:22 | 1  | MR. MANLY: Then why don't we find out why              |
|          | 2  | MR. CALLAHAN: Let me finish, please, John.             |
|          | 3  | Let's not let's not play games about the expert leaks  |
|          | 4  | it to the secretary, et cetera, et cetera.             |
| 11:15:29 | 5  | MR. MANLY: What, the di                                |
|          | 6  | MR. CALLAHAN: Let me finish, John.                     |
|          | 7  | MR. MANLY: I apologize.                                |
|          | 8  | MR. CALLAHAN: Let's at least try just this once        |
|          | 9  | to act in a professional capacity and and respect the  |
| 11:15:39 | 10 | judicial process and not try to try this case in the   |
|          | 11 | newspaper.   |
|          | 12 | Now, on this wait a minute. I'm not done               |
|          | 13 | yet. I'll I'll tell you when I'm finished.             |
|          | 14 | When the spin now is he's at a pedophile               |
| 11:15:50 | 15 | treatment facility. Well, if he were at UCLA, that     |
|          | 16 | would or USC, that would be described as a pedophile   |
|          | 17 | treatment facility because they treat pedophiles.      |
|          | 18 | He's at a facility that treats a lot of                |
|          | 19 | different people for a lot of different things. And    |
| 11:16:04 | 20 | it's it's one which the church has an affiliation      |
|          | 21 | there, so they have confidence in it, the same as they |
|          | 22 | do St. Luke's or same as they do any other facility.   |
|          | 23 | The inference is is being made here that               |
|          | 24 | this is some sort of a he's being treated for          |
| 11:16:22 | 25 | pedophilia or he's at a pedophile treatment facility,  |
|          |    |  |

|          |    | Page 32  |
|----------|----|--|
| 11:16:25 | 1  | which is just improper.                                  |
|          | 2  | And this business about some policy statement            |
|          | 3  | coming out, Mr. Manly asked the bishop went to his       |
|          | 4  | his briefcase and pulled something out. I am confident   |
| 11:16:35 | 5  | that if that document had been asked for in discovery,   |
|          | 6  | it was furnished in discovery. It certainly was          |
|          | 7  | was has been discussed in a number of other cases. I     |
|          | в  | imagine there's probably 50 copies of it in different    |
|          | 9  | files in Mr. Manly's office.                             |
| 11:16:4B | 10 | But that's beside the point. I don't want to             |
|          | 11 | argue about that. What I want to talk about right now    |
|          | 12 | is the pending matter that is is a potentially very      |
|          | 13 | damaging matter for John Urell's health if he does,      |
|          | 14 | indeed, have a mental health problem.                    |
| 11:17:03 | 15 | You saw him testify. He was very                         |
|          | 16 | overwrought. If this is something that should come out,  |
|          | 17 | fine. Let's have it come out. Not leaked, not in the     |
|          | 18 | middle of a deposition, but through a proper proceeding. |
|          | 19 | Now, I've asked my office how fast can we get            |
| 11:17:18 | 20 | in front of Judge Andler or yourself, and I would ask    |
|          | 21 | you to enter a temporary restraining order subject to    |
|          | 22 | our ability to get in front of Judge Andler to rule on   |
|          | 23 | it. Will it have any teeth? No. No. Because people       |
|          | 24 | can do things that they know are wrong and play games.   |
| 11:17:37 | 25 | MR. MANLY: You know what? Judge, that's just             |
|          |    |  |

|          |    | Page 33  |
|----------|----|--|
| 11:17:39 | 1  | wrong.   |
|          | 2  | MR. CALLAHAN: I agree it is.                             |
|          | З  | MR. MANLY: He gets to sit here and insult me and         |
|          | 4  | insult you know, if we want how come he can do           |
| 11:17:45 | 5  | that and I can't?  |
|          | 6  | JUDGE JAMESON: You do very well at it, John.             |
|          | 7  | MR. MANLY: Thank you, Judge.                             |
|          | 8  | MR. CALLAHAN: I think you got the issues                 |
|          | 9  | before   |
| 11:17:53 | 10 | MR. MANLY: Let me tell you what the diocese              |
|          | 11 | wants, Your Honor. The diocese wants a secret trial.     |
|          | 12 | And what's very disturbing, again, is nobody here,       |
|          | 13 | despite the fact I asked the bishop directly, will tell  |
|          | 14 | us why Monsignor Urell is at Southdown.                  |
| 11:18:05 | 15 | So Mr. Callahan can attack my integrity,                 |
|          | 16 | attack the fact that, you know what, the press now knows |
|          | 17 | what the diocese was up to, and they don't want people   |
|          | 18 | to know this.  |
|          | 19 | Let me let me just tell you Monsignor                    |
| 11:18:16 | 20 | Urell was not only a public figure in the diocese.       |
|          | 21 | Monsignor Urell was an official of the County of Orange. |
|          | 22 | He was on the human relations committee in charge of     |
|          | 23 | funding children's programs. He is a public figure.      |
|          | 24 | And if Monsignor Urell is a let me just                  |
| 11:18:33 | 25 | get this straight. I think I just heard the counsel for  |

|          |    | Page 34  |
|----------|----|--|
| 11:18:36 | 1  | the Diocese of Orange compare my alma mater, USC, and    |
|          | 2  | UCLA to well-known pedophile treatment facilities. And   |
|          | 3  | if if they're so good, why didn't Monsignor Urell go     |
|          | 4  | there?   |
| 11:18:47 | 5  | Any reasonable person who looks at this,                 |
|          | 6  | including the Court, will conclude that this is suspect, |
|          | 7  | and no one can tell us why. And what they want is they   |
|          | В  | want to use the court to have a secret trial. They want  |
|          | 9  | to buy time to make up an excuse. Okay?                  |
| 11:19:04 | 10 | Now, I haven't called the press. When I                  |
|          | 11 | talked to Ms. Soltan, I specifically told her not to     |
|          | 12 | call the press. Nobody's calling the press. Okay? But    |
|          | 13 | the diocese should not be able to conduct themselves in  |
|          | 14 | secret because that's what got us in trouble in the      |
| 11:19:18 | 15 | first place.   |
|          | 16 | And, you know, I'm waiting to hear why he's              |
|          | 17 | there. I've asked. I've asked Mr. Callahan.              |
|          | 18 | Mr. Callahan refuses to tell us why he's there. The      |
|          | 19 | bishop apparently doesn't know why he's there. So        |
| 11:19:31 | 20 | and, you know, they've hired Palmieri, Tyler, and        |
|          | 21 | Palmieri, Tyler specifically told Ms. Soltan, "Oh, he's  |
|          | 22 | sick. He's" you know.                                    |
|          | 23 | Well, you know what, Judge? I want to be                 |
|          | 24 | able to find out if if he's been accused and you         |
| 11:19:44 | 25 | enter a protective order the press can't disclose this,  |
|          |    |  |

|          |    | Page 35  |
|----------|----|--|
| 11:19:47 | 1  | his accuser will never know and never be able to come    |
|          | 2  | forward. Other people won't be able to come forward.     |
|          | 3  | If you look at these cases and the reason                |
|          | 4  | most people came forward and said "This person did this  |
| 11:19:56 | 5  | to me" and the reason these men and these women who did  |
|          | 6  | this were taken out of ministry and taken out of         |
|          | 7  | teaching and taken out of circulation and not able to    |
|          | 8  | hurt other kids is because the press disclosed it.       |
|          | 9  | And what the diocese wants to do is what                 |
| 11:20:09 | 10 | they've been doing for a hundred years a hundred         |
|          | 11 | years or more which is hide it, conceal it, and don't    |
|          | 12 | let anybody find out. And, Judge, that is not the        |
|          | 13 | purpose of the judiciary.                                |
|          | 14 | Children's safety when you balance the                   |
| 11:20:21 | 15 | privacy interest, children's safety should prevail. And  |
|          | 16 | that's what Judge Litman found, and that's what we       |
|          | 17 | should do here.  |
|          | 18 | MR. DiMARIA: And if I may say one thing, I don't         |
|          | 19 | want to take up too much of the record here, but I think |
| 11:20:35 | 20 | John touched on this. This is a children a public        |
|          | 21 | safety issue. And by law, the diocese is required to     |
|          | 22 | report this to a whole slew of authorities, law          |
|          | 23 | enforcement, Child Protective Services, and potentially  |
|          | 24 | the district attorney's office.                          |
| 11:20:50 | 25 | And, you know, I think that's a huge huge                |
|          |    |  |

|          |    | Page 36  |
|----------|----|--|
| 11:20:54 | 1  | issue, given that this man was meaning Monsignor         |
|          | 2  | Urell was the individual who was basically intake        |
|          | 3  | person and who has been pushed off by the officials at   |
|          | 4  | the diocese as being the intake person, including Bishop |
| 11:21:07 | 5  | McFarland, and I think Bishop Tod Brown, as being the    |
|          | 6  | one that gathered all of that information.               |
|          | 7  | I think it is a huge public safety issue,                |
|          | В  | and, you know, I don't know how you how we could         |
|          | 9  | realistically not that we're going to go to the          |
| 11:21:23 | 10 | press, but how we realistically, with this               |
|          | 11 | information I think all of us, including the bishop      |
|          | 12 | and Mr. Callahan can refuse to do anything and even      |
|          | 13 | act in a manner that that furthers this public safety    |
|          | 14 | issue.   |
| 11:21:36 | 15 | MR. CALLAHAN: Mr. DiMaria, you're saying you're          |
|          | 16 | not going to go to the press with this accusation?       |
|          | 17 | MR. DiMARIA: I said that's not necessarily what          |
|          | 18 | we're going to do. But if someone it's a public          |
|          | 19 | safety issue.  |
| 11:21:47 | 20 | MR. CALLAHAN: What is?                                   |
|          | 21 | MR. DiMARIA: I think it needs                            |
|          | 22 | MR. CALLAHAN: What's a public safety issue?              |
|          | 23 | MR. DiMARIA: The fact that we have the head of           |
|          | 24 | an organization now not knowing where or what what       |
| 11:21:57 | 25 | his priest is being treated for when, in fact, we do     |

|          |    | Page 37  |
|----------|----|--|
| 11:22:02 | 1  | know that at least one of the major functions of St.     |
|          | 2  | Luke's and Southdown is to treat pedophile priests.      |
|          | 3  | MR. CALLAHAN: Okay. Can I respond, Your Honor?           |
|          | 4  | JUDGE JAMESON: Sure.                                     |
| 11:22:12 | 5  | MR. CALLAHAN: Now we've got the spin down. It's          |
|          | 6  | a public safety issue that the bishop is hiding an       |
|          | 7  | accusation against Urell, all untrue, because            |
|          | 8  | MR. DiMARIA: That's                                      |
|          | 9  | MR. CALLAHAN: Wait a minute. Wait a minute.              |
| 11:22:25 | 10 | Let me finish.   |
|          | 11 | MR. DiMARIA: Please do not put words in my               |
|          | 12 | mouth. I don't want to cut you off, but that's unfair.   |
|          | 13 | MR. CALLAHAN: I let me finish, and then you              |
|          | 14 | can talk. We'll take turns.                              |
| 11:22:33 | 15 | I agree that it's terribly unfair to to do               |
|          | 16 | this to Urell and to try this case in the newspapers.    |
|          | 17 | There's been absolutely no indication of any accusations |
|          | 18 | by Urell against Urell. There's been absolutely no       |
|          | 19 | indication that he's being treated for anything other    |
| 11:22:52 | 20 | than a, quote, medical problem, which the Court saw, I   |
|          | 21 | think, when he was here for his deposition. The man was  |
|          | 22 | distraught.  |
|          | 23 | And the who should who should who                        |
|          | 24 | should tell now some sort of a public announcement?      |
| 11:23:05 | 25 | I've told been told several times here that nobody       |

|          |    | Page 38  |
|----------|----|--|
| 11:23:08 | 1  | these lawyers, nobody in this room I include             |
|          | 2  | myself is going to is going to run to the press.         |
|          | 3  | Well, we'll see. We'll just have to wait and see what    |
|          | 4  | the newspapers say.                                      |
| 11:23:16 | 5  | But but what we do know is this. Where is                |
|          | 6  | he? Why is he there? Those are matters that that         |
|          | 7  | you might need to find out, Judge, to make some rulings  |
|          | 8  | on some depositions. But that information's going to     |
|          | 9  | come from Urell, Urell's lawyer, and Urell's doctor, not |
| 11:23:34 | 10 | inferences to be drawn or insinuations made. That's      |
|          | 11 | inappropriate. It's hot stuff for the papers, but it's   |
|          | 12 | inappropriate.   |
|          | 13 | MR. MANLY: Judge, I'm not saying that John Urell         |
|          | 14 | is a pedophile. I hope he's not. From the bottom of my   |
| 11:23:48 | 15 | heart, I hope he's not. Because if he is, the            |
|          | 16 | devastation to the people he's now apologized to and     |
|          | 17 | dealt with who've been abused will be legion.            |
|          | 18 | What really disturbs me, again, is we                    |
|          | 19 | don't these men will not tell us what they know.         |
| 11:24:08 | 20 | These two men sitting here will not tell us what they    |
|          | 21 | know about what's wrong with Monsignor Urell. And        |
|          | 22 | you know, and now they're asking you to keep it a        |
|          | 23 | secret.  |
|          | 24 | And, Judge, you weren't involved in Clergy I,            |
| 11:24:23 | 25 | but a lot of the information we were able to get and     |

|          |    | Page 39  |
|----------|----|--|
| 11:24:25 | 1  | able to use are from the press. I'm not going to call    |
|          | 2  | the press. And obviously, if the Court orders us not to  |
|          | 3  | talk to the press, we won't.                             |
|          | 4  | Mr. Callahan and the bishop have access to a             |
| 11:24:34 | 5  | huge press machine. But one of the things that sticks    |
|          | 6  | in my mind that I think is appropriate for the court to  |
|          | 7  | consider is that thing on the bishop's lapel, Your       |
|          | 8  | Honor. The covenant with the faith. What the diocese     |
|          | 9  | said and the bishop specifically promised in 2004 when   |
| 11:24:48 | 10 | he nailed those to the Holy Family door, that they will  |
|          | 11 | be open and transparent. And I got to tell you what's    |
|          | 12 | happening today is neither open nor transparent. It's    |
|          | 13 | just more of the same. And                               |
|          | 14 | THE WITNESS: May I speak, Your Honor?                    |
| 11:25:03 | 15 | JUDGE JAMESON: No, please don't.                         |
|          | 16 | MR. MANLY: And and and, you know, if they                |
|          | 17 | know why he's there, fine. But the fact that we're       |
|          | 18 | sitting here and no one, including the head of this      |
|          | 19 | organization, who is his direct supervisor, he's one of  |
| 11:25:16 | 20 | his priests, who Catholics believe is a successor to the |
|          | 21 | apostles of Jesus Christ, cannot sit here and tell me    |
|          | 22 | why his priest is at a facility that is most well-known  |
|          | 23 | for treating pedophiles. And that is, indeed, very       |
|          | 24 | disturbing. I'm done.                                    |
| 11:25:34 | 25 | MR. CALLAHAN: I'm ready to to respond.                   |

|          |    | Page 40  |
|----------|----|--|
| 11:25:35 | 1  | JUDGE JAMESON: Well, I I'm ready to resume               |
|          | 2  | this deposition. And first thing is there will be a      |
|          | 3  | temporary order that disclosures made up till now and    |
|          | 4  | what may be in the next few minutes concerning Monsignor |
| 11:25:54 | 5  | Urell will be for litigation purposes only, and there    |
|          | 6  | will be no public disbursement of that.                  |
|          | 7  | I say "temporary" because, one, there may be             |
|          | 8  | reason to release that information later, and it may be  |
|          | 9  | subject to review by by Judge Andler. But it             |
| 11:26:16 | 10 | wouldn't if it were appropriate not to reveal that       |
|          | 11 | information, the barn door barn door would               |
|          | 12 | have been wouldn't open, and that would moot that        |
|          | 13 | issue.   |
|          | 14 | So for now and in the next couple days, we               |
| 11:26:31 | 15 | will not release any information about Monsignor Urell's |
|          | 16 | location or medical condition.                           |
|          | 17 | As I recall, I even took some information                |
|          | 18 | from his counsel out of the presence of everyone else    |
|          | 19 | the other day.   |
| 11:26:49 | 20 | MR. MANLY: You did, sir.                                 |
|          | 21 | JUDGE JAMESON: But I also recall advising them           |
|          | 22 | that that we needed a declaration and a written          |
|          | 23 | correspondence from the doctor and and the like, and     |
|          | 24 | I don't think that has changed. So I assume that where   |
| 11:27:12 | 25 | he is and what he's being treated for will soon come to  |

|          |    | Page 41   |
|----------|----|---|
| 11:27:16 | 1  | light anyway.   |
|          | 2  | MR. CALLAHAN: Perhaps we should take thank              |
|          | 3  | you, Your Honor. May I suggest we take a brief recess?  |
|          | 4  | I'll call my office and speak to the person I said and  |
| 11:27:25 | 5  | say tell him your order. I would ask that               |
|          | 6  | plaintiff's counsel do the same.                        |
|          | 7  | MR. MANLY: Before we do that, Judge, I would            |
|          | в  | like to make a request.                                 |
|          | 9  | JUDGE JAMESON: All right.                               |
| 11:27:31 | 10 | MR. MANLY: Given this development, it is                |
|          | 11 | manifestly unfair to throw us headlong into trial in    |
|          | 12 | eight days. I mean this is a huge development in the    |
|          | 13 | case. And and   |
|          | 14 | JUDGE JAMESON: John, Urell is very important to         |
| 11:27:43 | 15 | the case. His production at the trial is important, the |
|          | 16 | finishing of his deposition is important, and I would   |
|          | 17 | guess it's a slam-dunk continuance for you.             |
|          | 18 | MR. MANLY: Okay. Thank you, Your Honor.                 |
|          | 19 | JUDGE JAMESON: But that's but that's not my             |
| 11:27:55 | 20 | decision.   |
|          | 21 | MR. MANLY: Would that be your recom                     |
|          | 22 | JUDGE JAMESON: But you don't need but you               |
|          | 23 | don't need to address me on that.                       |
|          | 24 | MR. MANLY: Okay. Would you would that be                |
| 11:27:59 | 25 | your recommendation, Your Honor, if asked?              |

|          |    | Page 42   |
|----------|----|---|
| 11:28:01 | 1  | JUDGE JAMESON: If asked.                                |
|          | 2  | MR. MANLY: Okay.  |
|          | З  | JUDGE JAMESON: But there's other issues in the          |
|          | 4  | case, not just  |
| 11:28:07 | 5  | MR. MANLY: No. I understand, Your Honor.                |
|          | 6  | JUDGE JAMESON: Urell, but                               |
|          | 7  | MR. MANLY: That's fine, Judge. So let me let            |
|          | 8  | me get this straight because I want to be clear. If I   |
|          | 9  | intend to file a motion on this, do I have to do that   |
| 11:28:16 | 10 | under seal?   |
|          | 11 | JUDGE JAMESON: If yes. If and I would                   |
|          | 12 | assume that if you're going if you are applying for a   |
|          | 13 | continuance and you want to have a declaration directed |
|          | 14 | at the unavailability of Monsignor Urell, if you're     |
| 11:28:38 | 15 | going to include anything about South whatever and what |
|          | 16 | Southdown Southdown, is it?                             |
|          | 17 | MR. CALLAHAN: Yes. Southdown.                           |
|          | 18 | JUDGE JAMESON: Whatever and whatever                    |
|          | 19 | Southdown might be known for, it initially should be    |
| 11:28:54 | 20 | under seal. If the judge wants to release it, then      |
|          | 21 | then that's fine. And in the meantime, we may learn     |
|          | 22 | differently because we don't have all the details that  |
|          | 23 | we would want to know under seal or not about.          |
|          | 24 | MR. MANLY: Well, I mean the other thing I would         |
| 11:29:12 | 25 | request is to be allowed to depose the person the       |
|          |    |   |

|          |    | Page 43  |
|----------|----|--|
| 11:29:14 | 1  | people at Southdown, if appropriate. I don't know that   |
|          | 2  | we're there yet, but I mean I'm just telling you.        |
|          | 3  | JUDGE JAMESON: Is Southdown in Toronto?                  |
|          | 4  | MR. MANLY: Toronto, I believe. Is that correct?          |
| 11:29:25 | 5  | THE WITNESS: It's outside Toronto.                       |
|          | 6  | MR. MANLY: Yeah.   |
|          | 7  | MR. CALLAHAN: I'm at a loss, Your Honor, to know         |
|          | 8  | why Urell's medical condition is relevant other than for |
|          | 9  | you to consider his availability to continue the         |
| 11:29:36 | 10 | deposition. Now now we're going to somehow indict        |
|          | 11 | Southdown with depositions? I mean                       |
|          | 12 | JUDGE JAMESON: Well, that's that's                       |
|          | 13 | another issue. I'm not going there.                      |
|          | 14 | MR. CALLAHAN: All right. Shall we each call our          |
| 11:29:47 | 15 | offices and so at least we can say that we've called     |
|          | 16 | and told them that                                       |
|          | 17 | MR. MANLY: Can I ask one more thing? I need to           |
|          | 18 | be able to convey this matter to experts.                |
|          | 19 | JUDGE JAMESON: It can be it can be used in a             |
| 11:29:58 | 20 | litigation sense, but it needs to be used with a caveat  |
|          | 21 | that like any other witness or related party, when       |
|          | 22 | the information is given, they're told that they're to   |
|          | 23 | use it for their own                                     |
|          | 24 | MR. MANLY: Purposes.                                     |
| 11:30:11 | 25 | JUDGE JAMESON: purposes in pursuing their                |

|          |    | Page 44  |
|----------|----|--|
| 11:30:14 | 1  | task within the litigation framework and not make it   |
|          | 2  | public.  |
|          | 3  | MR. CALLAHAN: So if we're called by some               |
|          | 4  | newspaper for who knows what reason and asked that     |
| 11:30:23 | 5  | specific question, we would say "I'm sorry. I'm not    |
|          | 6  | allowed to"  |
|          | 7  | JUDGE JAMESON: Yeah. "No comment."                     |
|          | 8  | MR. CALLAHAN: Well, then why don't we all call         |
|          | 9  | so that  |
| 11:30:32 | 10 | JUDGE JAMESON: I'm going to go Google Southdown,       |
|          | 11 | anyway, just to see what                               |
|          | 12 | MR. MANLY: All right. What's it called?                |
|          | 13 | MR. WALL: Southdown Institute.                         |
|          | 14 | THE VIDEOGRAPHER: The time is 11:30, and we're         |
| 11:30:42 | 15 | going off the record.                                  |
|          | 16 | (Recess taken from 11:30 a.m. until                    |
|          | 17 | 11:46 a.m.)  |
|          | 18 | THE VIDEOGRAPHER: The time is ll:46, and we're         |
|          | 19 | back on the record.                                    |
| 11:46:34 | 20 | MR. CALLAHAN: Your Honor, I called Judge               |
|          | 21 | Andler's court, or actually somebody in my office did, |
|          | 22 | and we're giving notice of an ex parte for Thursday,   |
|          | 23 | September 13th, at 9:00 a.m.                           |
|          | 24 | Judge Andler is not in today or tomorrow.              |
| 11:46:45 | 25 | However, her clerk said this is double hearsay         |

|          |    | Page 45  |
|----------|----|--|
| 11:46:49 | 1  | "Isn't that something that Judge Jameson would rule on?" |
|          | 2  | And I said, "I'll pass that on."                         |
|          | 3  | But the ex parte is scheduled for                        |
|          | 4  | September 13th at 9 o'clock.                             |
| 11:47:02 | 5  | MR. MANLY: For what?                                     |
|          | 6  | MR. CALLAHAN: On for an order to seal this               |
|          | 7  | transcript and to the exact same thing I just talked     |
|          | 8  | about. So  |
|          | 9  | MR. MANLY: You want to seal the entire                   |
| 11:47:12 | 10 | transcript?  |
|          | 11 | MR. CALLAHAN: No. I want to seal what                    |
|          | 12 | exactly I want to follow Judge And Judge                 |
|          | 13 | Jameson's exact words, and I'll quote those for you.     |
|          | 14 | MR. MANLY: You're just taking my time. Do you            |
| 11:47:21 | 15 | want to seal the whole transcript or not?                |
|          | 16 | MR. CALLAHAN: I want to seal what has transpired         |
|          | 17 | up to this point regarding Urell and what                |
|          | 18 | MR. MANLY: I heard the judge's words. You don't          |
|          | 19 | have to requote it for me.                               |
| 11:47:32 | 20 | MR. CALLAHAN: Well, that's what I want to do.            |
|          | 21 | MR. MANLY: So you do not want to seal the whole          |
|          | 22 | transcript; is that right?                               |
|          | 23 | MR. CALLAHAN: If you want to seal the whole              |
|          | 24 | transcript, that's fine.                                 |
| 11:47:35 | 25 | MR. MANLY: No. I'm asking what you're going to           |

|          |    | Page 46   |

| 11:47:37 | 1  | move for. Are you going to move to seal the whole       |

|          | 3  | MR. CALLAHAN: Not at this point in time. I'm            |
|          | 4  | going to follow the the suggestions of Judge Jameson.   |
| 11:47:43 | 5  | Now, whatever you're going to do next, I may make       |
|          | 6  | another motion.   |
|          | 7  | MR. MANLY: Anybody want to lay odds on what he's        |
|          | 8  | going to do? Okay.                                      |
|          | 9  | JUDGE JAMESON: No. Let's just go.                       |
| 11:47:52 | 10 | MR. MANLY: All right. Let's go back on the              |
|          | 11 | record.   |
|          | 12 | BY MR. MANLY:   |
|          | 13 | Q Who are we on?  |
|          | 14 | THE VIDEOGRAPHER: Yeah.                                 |
| 11:47:58 | 15 | BY MR. MANLY:   |
|          | 16 | Q Who made the decision to transfer Monsignor           |
|          | 17 | Urell to Southdown?                                     |
|          | 18 | A Monsignor's doctor and his attorney and the           |
|          | 19 | vicar for priests for the Diocese of Orange recommended |
| 11:48:12 | 20 | that to me. Ultimately, I had to make the decision.     |
|          | 21 | Q When did you make that decision, Bishop?              |
|          | 22 | A I made that decision at the latter part of            |
|          | 23 | last week.  |
|          | 24 | Q When did he go there?                                 |
| 11:48:26 | 25 | A He went there the same day that I believe             |

|          | 2  | Q Why was his attorney involved his attorney             |
|          | 3  | involved in the decision?                                |
|          | 4  | A I do not know why his attorney was involved            |
| 11:48:41 | 5  | in the decision.   |
|          | 6  | Q Is the diocese paying his attorneys?                   |
|          | 7  | A I do not know the answer to that that                  |
|          | 8  | question.  |
|          | 9  | MR. CALLAHAN: I would think it would be                  |
| 11:48:50 | 10 | irrelevant, your Honor.                                  |

|          | 14 | MR. CALLAHAN: I'm going to object on the grounds         |

|          | 16 | discoverable evidence and also may well involve          |

|          | 18 | JUDGE JAMESON: The issue for Monsignor Urell is          |
|          | 19 | his availability and whether or not his sufficiency of   |
| 11:49:14 | 20 | his medical condition warrants his unavailability to us. |

| 11:50:42 | 1  | JUDGE JAMESON: Well, that's if that becomes              |
|          | 2  | relevant, you'll you'll learn that down the road.        |
|          | 3  | MR. MANLY: Okay. Thank you, Your Honor.                  |
|          | 4  | BY MR. MANLY:  |
| 11:50:47 | 5  | Q Now, Bishop, do you know I'm sorry. Who                |
|          | 6  | is the vicar for priests for the diocese?                |
|          | 7  | A The vicar of priests is Christopher Smith,             |
|          | 8  | Father Christopher Smith.                                |
|          | 9  | Q And does he have a parish assignment?                  |
| 11:51:02 | 10 | A No. His full-time work is providing pastoral           |
|          | 11 | care to the priests of the diocese.                      |
|          | 12 | Q Do you know why Southdown was selected?                |
|          | 13 | A I don't know specifically why Southdown was            |
|          | 14 | selected. I just know it's a very good facility.         |
| 11:51:16 | 15 | Q And how do you know that?                              |
|          | 16 | A I have had dealings with Southdown over                |
|          | 17 | some in the past past years.                             |
|          | 18 | Q Did anybody interview Monsignor Urell as to            |
|          | 19 | whether or not he had abused a child prior to his        |
| 11:51:31 | 20 | leaving?   |
|          | 21 | A Not to my knowledge.                                   |
|          | 22 | Q Do you know whether Southdown has an                   |
|          | 23 | obligation to report as a mandated reporter to the state |
|          | 24 | of California if they found that a priest was abusing?   |
| 11:51:50 | 25 | A I do not know the answer to that question              |
|          |    |  |

|          |    | Page 50   |
|----------|----|---|
| 11:51:53 | 1  | regarding reporting from Southdown as a possibility.    |
|          | 2  | Q Was there a meeting on this between you and           |
|          | 3  | the vicar for priests and/or others?                    |
|          | 4  | A No. There was simply telephone                        |
| 11:52:08 | 5  | conversations.  |
|          | 6  | Q Was there a conference call?                          |
|          | 7  | A No, there was not a conference call. Father           |
|          | 8  | Smith coordinated the matter and reported to me.        |
|          | 9  | Q When was this set in motion, you say?                 |
| 11:52:21 | 10 | A Last Thursday, I believe.                             |
|          | 11 | Q Okay. And was there an event that                     |
|          | 12 | precipitated this?                                      |
|          | 13 | A Monsignor Urell was obviously not well. He            |
|          | 14 | was very emotionally and psychologically distraught by  |
| 11:52:39 | 15 | those who worked with him and knew him, and that's what |
|          | 16 | I think brought this about.                             |
|          | 17 | Q So how was this matter brought to your                |
|          | 18 | attention?  |
|          | 19 | A It was brought to my attention primarily              |
| 11:52:49 | 20 | through Father Smith.                                   |
|          | 21 | Q Did Monsignor Urell contact Father Smith?             |
|          | 22 | A I do not know whether he did or whether               |
|          | 23 | Father Smith contacted him.                             |
|          | 24 | Q Was the diocesan attorney in any way, shape,          |
| 11:53:06 | 25 | or form involved in this or Mr. Callahan's firm?        |

|          |    | Page 51   |
|----------|----|---|
| 11:53:10 | 1  | A Not that not that I'm aware of.                   |
|          | 2  | Q So your sworn testimony is Ms. Schinderle had     |
|          | 3  | no involvement in this; is that correct?            |
|          | 4  | A To my as I sit here today, I'm not aware          |
| 11:53:19 | 5  | of any involvement.                                 |
|          | 6  | Q Bishop, did you know when you sent him to         |
|          | 7  | Canada that my client was trying to depose him?     |
|          | 8  | A Yes. I know that Monsignor Urell was going        |
|          | 9  | to be had given a deposition and was going to be    |
| 11:53:33 | 10 | called back for a further deposition.               |
|          | 11 | Q Did you know that he was going to be asked to     |
|          | 12 | testify at trial in this matter on the 18th of      |
|          | 13 | September?  |
|          | 14 | A No, I did not know that, that he was going to     |
| 11:53:46 | 15 | be asked to testify at trial on the 18th.           |
|          | 16 | Q Who suggested Southdown to you?                   |
|          | 17 | A Father Christopher Smith suggested Southdown      |
|          | 18 | to me.  |
|          | 19 | Q Did you ask him why?                              |
| 11:54:03 | 20 | A No, I did not ask him why other than the fact     |
|          | 21 | that I knew it was a very good facility, and it was |
|          | 22 | apparent that Monsignor Urell needed some kind of   |
|          | 23 | residential care.                                   |
|          | 24 | Q Now, do you know Sister Donna Markham?            |
| 11:54:20 | 25 | A Yes, I know Sister Donna Markham.                 |

Γ

|          |    | Page 52   |
|----------|----|---|
| 11:54:23 | 1  | Q And does Sister Donna Markham have any                |
|          | 2  | affiliation with Southdown?                             |
|          | 3  | A She was the director of Southdown. She's no           |
|          | 4  | longer there.   |
| 11:54:30 | 5  | Q And have you ever read anything Sister Donna          |
|          | 6  | Markham has written on the treatment of pedophile       |
|          | 7  | offenders?  |
|          | 8  | A No, I have not read anything that Sister              |
|          | 9  | Donna Markham may have written.                         |
| 11:54:40 | 10 | Q When do you expect Monsignor Urell back from          |
|          | 11 | Canada?   |
|          | 12 | A I do not know when he'll come back. I                 |
|          | 13 | presume it will be after his evaluation is complete and |
|          | 14 | they know what his problem is, and then they will       |
| 11:54:50 | 15 | suggest a treatment plan.                               |
|          | 16 | Q Okay. Do you expect him back in two weeks?            |
|          | 17 | A I have no idea when he will get back.                 |
|          | 18 | Q Two months?   |
|          | 19 | A I don't know the answer to that question.             |
| 11:55:00 | 20 | Q A year?   |
|          | 21 | A I'm sorry. I cannot answer that question.             |
|          | 22 | Q What did Chris Smith tell you was wrong with          |
|          | 23 | Monsignor Urell?  |
|          | 24 | A Father Smith  |
| 11:55:12 | 25 | MR. CALLAHAN: Your Honor, again, I'm concerned          |

|          |    | Page 53  |

| 11:55:14 | 1  | here that we're we're getting into materials that        |
|          | 2  | are are, I think, privileged and and shouldn't           |
|          | 3  | come out of a personnel file and then shouldn't come out |
|          | 4  | of a the mouth of a supervisor for somebody who's not    |
| 11:55:29 | 5  | here and his lawyer's not here.                          |
|          | 6  | Now, maybe I'm wrong on that. I'm not an                 |
|          | 7  | employment lawyer. But it doesn't sound right to me      |
|          | В  | that this kind of information should come out.           |
|          | 9  | Now, if you say it should, then fine. But I              |
| 11:55:41 | 10 | think this information should be coming from the         |
|          | 11 | employee and the employee's doctor and                   |
|          | 12 | MR. MANLY: Well, let's make him available.               |
|          | 13 | MR. CALLAHAN: and the employee's lawyer.                 |
|          | 14 | MR. MANLY: Let's go to Canada tomorrow and take          |
| 11:55:51 | 15 | his deposition. I'll go. Let's suspend the let's         |
|          | 16 | move the depositions, and let's go to Canada tomorrow.   |
|          | 17 | JUDGE JAMESON: Come on, guys. If that was an             |
|          | 18 | objection, Mr. Callahan, it's overruled.                 |
|          | 19 | MR. CALLAHAN: Okay.                                      |
| 11:56:01 | 20 | JUDGE JAMESON: Just answer the question, Bishop.         |
|          | 21 | MR. MANLY: All right.                                    |
|          | 22 | THE WITNESS: Would you please repeat the                 |
|          | 23 | question for me?   |
|          | 24 | THE REPORTER: "Question: What did Chris Smith            |

| 11:56:19 | 1  | THE WITNESS: Father Smith told me Monsenior              |
|          | 2  | Urell was very upset, was not really able to continue on |
|          | 3  | with his normal pastor duties, that he was not well, in  |
|          | 4  | Father Smith's opinion, and that there was a             |
| 11:56:32 | 5  | consultation after that with Father Monsignor Urell's    |
|          | 6  | doctor and with his attorney.                            |
|          | 7  | BY MR. MANLY:  |
|          | 8  | Q Who's his doctor?                                      |
|          | 9  | A I'm not sure who his doctor is. He has I               |
| 11:56:42 | 10 | think he has more than one doctor.                       |
|          | 11 | Q Was it a psychiatrist?                                 |
|          | 12 | A I think one of his doctors is a psychiatrist.          |
|          | 13 | Q Is was Dr. Fineman consulted?                          |
|          | 14 | A Not to my knowledge.                                   |
| 11:56:58 | 15 | Q Now, you announced to the entire priesthood            |
|          | 16 | in the Diocese of Orange, you sent an e-mail or somebody |
|          | 17 | sent an e-mail saying that he's gone to be evaluated,    |
|          | 18 | correct?   |
|          | 19 | A I didn't see the e-mail. To my knowledge,              |
| 11:57:11 | 20 | the e-mail was that he was on medical leave.             |
|          | 21 | Q Okay. Well, have you ever seen e-mails or              |
|          | 22 | communications from the Diocese of Orange about priests  |
|          | 23 | when they're going to be evaluated?                      |
|          | 24 | A No, I have not seen that pardon me. I'm                |
| 11:57:26 | 25 | not quite sure what the question is.                     |

|          |    | Page 55   |
|----------|----|---|
| 11:57:29 | 1  | Q Okay. Let me it's a poor question. Let                |
|          | 2  | me rephrase it.   |
|          | 3  | Have you ever is there a process where                  |
|          | 4  | priests are customarily evaluated at places like        |
| 11:57:36 | 5  | Southdown, to your knowledge?                           |
|          | 6  | MR. CALLAHAN: I'm going to object to the form of        |
|          | 7  | "places like Southdown."                                |
|          | 8  | JUDGE JAMESON: Sustained.                               |

|          | 12 | are you aware of, Bishop Brown, in the United States or |
|          | 13 | Canada?   |

|          | 16 | as I said before, UCLA                                  |
|          | 17 | JUDGE JAMESON: Just a minute. Let him finish            |
|          | 18 | the question.   |
|          | 19 | MR. CALLAHAN: Okay. I'm sorry. I thought                |
| 11:58:03 | 20 | MR. MANLY: Last time I looked, UCLA wasn't run          |
|          | 21 | by the Roman Catholic church, but maybe I missed        |
|          | 22 | something.  |
|          | 23 | MR. CALLAHAN: Let's take let's take                     |
|          | 24 | JUDGE JAMESON: Hey.                                     |

|          | 2  | you have an objection, make it, and we've got to move on |
|          | 3  | here.  |
|          | 4  | MR. CALLAHAN: Okay. Shall we have the question           |
| 11:58:22 | 5  | read back?   |
|          | 6  | JUDGE JAMESON: He hasn't finished it yet. I'd            |
|          | 7  | like to hear it in its entirety.                         |
|          | 8  | MR. CALLAHAN: Okay.                                      |
|          | 9  | BY MR. MANLY:  |
| 11:58:27 | 10 | Q What pedophile treatment Roman Catholic                |
|          | 11 | well, actually, what facilities are you aware run by     |
|          | 12 | and/or affiliated with the Roman Catholic church that    |
|          | 13 | treat pedophilia either of children and/or adolescents   |
|          | 14 | in the United States and/or Canada, Bishop Brown?        |
| 11:58:44 | 15 | A To my knowledge, there are no facilities               |
|          | 16 | under church auspices that treat people afflicted with   |
|          | 17 | pedophilia or phedophelia exclusively. There are         |
|          | 18 | several treatment centers in this country and the one in |
|          | 19 | Canada that was mentioned earlier that treatment a       |

|          | 21 | Q Okay. I didn't ask exclusively, so let me              |
|          | 22 | ask it again. What facilities run by and/or affiliated   |
|          | 23 | with the Roman Catholic church are you aware of, Bishop  |
|          | 24 | Brown, that treat pedophiles, people who molest either   |
| 11:59:18 | 25 | children or adolescents, that are located in the United  |

|          | 2  | A I think there are four or five.                     |
|          | 3  | Q Would you name them for me, please?                 |
|          | 4  | A There is Southdown and outside of Toronto,          |
| 11:59:32 | 5  | Canada. There is Saint John Vianney, which I think is |
|          | 6  | in Pennsylvania. There is a facility in St. Louis, a  |
|          | 7  | facility in Maryland. That's all I can recall at the  |
|          | 8  | moment.   |
|          | 9  | Q Okay. So there is Southdown, Saint John             |
| 11:59:51 | 10 | Vianney. Is St. Lewis run by the Servants of the      |
|          | 11 | Paraclete?  |
|          | 12 | A I believe so.                                       |
|          | 13 | Q And is Maryland run by is the Maryland              |
|          | 14 | facility called St. Luke's?                           |
| 12:00:00 | 15 | A Maryland facility is called St. Luke's.             |
|          | 16 | Q Have you personally ever been to any of these       |
|          | 17 | facilities?   |
|          | 18 | A The only facility I've been to is the one in        |
|          | 19 | Toronto, outside Toronto.                             |
| 12:00:10 | 20 | Q Why were you there?                                 |
|          | 21 | A I was there because there was a priest from         |
|          | 22 | Idaho receiving treatment there.                      |
|          | 23 | Q Which one?  |
|          | 24 | A Pardon me?  |
| 12:00:17 | 25 | Q Which one?  |
|          |    |   |

|          | 4  | Q Was he being treated for sexual abuse?                 |
| 12:00:25 | 5  | A No, he's not being treated for sexual abuse.           |
|          | 6  | Q Was he being treated for child pornography?            |
|          | 7  | A He was not being treated for child                     |
|          | 8  | pornography.   |
|          | 9  | Q Have you ever  |
| 12:00:33 | 10 | A Pardon me. No. Southdown, no. That's not               |
|          | 11 | to my knowledge.   |
|          | 12 | Q Did you have some other priest from Idaho              |
|          | 13 | treated for child pornography?                           |
|          | 14 | A I'm not aware of any priest I am aware of              |
| 12:00:54 | 15 | a priest who was from vistise, working in Idaho, who     |
|          | 16 | was, I think, accused of child watching child            |
|          | 17 | pornography.   |
|          | 18 | Q Now, have you ever are you familiar with               |
|          | 19 | other priests are you familiar with priests from any     |
| 12:01:16 | 20 | diocese you have served in that have been sent to        |
|          | 21 | Southdown to be treated for sexual misconduct with       |
|          | 22 | minors of any type or sort, including child pornography? |
|          | 23 | A I'm not aware of any priests that I know in            |
|          | 24 | Boise or Idaho or Orange County who went to Southdown    |
| 12:01:32 | 25 | for any sexual disorder regarding minors.                |

|          | 2  | A Yes, I know I knew George Gonzales.                  |
|          | 3  | Q Is he still a priest?                                |
|          | 4  | A George Gonzales passed away some years ago.          |
| 12:01:52 | 5  | Q Okay. Was George Gonzales ever accused of            |
|          | 6  | sexual misconduct with a minor?                        |
|          | 7  | A I'm not aware of any accusation against              |
|          | 8  | George Gonzales.                                       |
|          | 9  | Q How about with child pornography?                    |
| 12:02:02 | 10 | A I'm not aware of any charge against him for          |
|          | 11 | child pornography.                                     |
|          | 12 | Q Did you transfer Father Gonzales to Boise,           |
|          | 13 | Idaho?   |
|          | 14 | A No. I was the bishop of Boise, Idaho. And            |
| 12:02:11 | 15 | George Gonzales applied to work there, and Bishop      |
|          | 16 | McFarland released him to do so.                       |
|          | 17 | Q And why did he do that?                              |
|          | 18 | A My understanding was that Father Gonzales was        |
|          | 19 | not happy in Orange and was looking for some kind of a |
| 12:02:27 | 20 | new start.   |
|          | 21 | Q Now  |
|          | 22 | MR. CALLAHAN: I don't believe this is relevant,        |
|          | 23 | Your Honor, and  |
|          | 24 | MR. MANLY: Well, I'm moving on to a different          |

| 12:02:36 | 1  | BY MR. MANLY:  |
|          | 2  | Q Now, when you were appointed by the Holy See           |
|          | З  | or the Holy Father to be bishop of Orange, was there a   |
|          | 4  | period of time where you were coadjutor?                 |
| 12:02:51 | 5  | A No. I was never the coadjutor bishop.                  |
|          | 6  | Q Okay. So basically, you came to Orange, and            |
|          | 7  | you were already appointed the bishop; is that accurate? |
|          | 8  | A That's correct.  |
|          | 9  | Q Okay. And, now, I take it when you got here,           |
| 12:03:04 | 10 | there was a period of time where you transitioned?       |
|          | 11 | A When I first got here, there was certainly a           |
|          | 12 | transition period, yes.                                  |
|          | 13 | Q Okay. Had Bishop McFarland already moved out           |
|          | 14 | of his office when you arrived?                          |
| 12:03:15 | 15 | A When I arrived, Bishop McFarland had left his          |
|          | 16 | office.  |
|          | 17 | Q And did you sit down prior to your arrival or          |
|          | 18 | concurrent with your arrival and meet with Bishop        |
|          | 19 | McFarland to have an orderly transition?                 |
| 12:03:29 | 20 | A Yes. I did meet with Bishop McFarland both             |
|          | 21 | before and after my arrival.                             |
|          | 22 | Q Okay. Now, had you by the time you                     |
|          | 23 | arrived here in 1998, did you consider childhood sexual  |
|          | 24 | abuse in any way a problem in the Roman Catholic church? |
| 12:03:48 | 25 | A I knew that there were members of the Roman            |

| 12:03:51 | 1  | Catholic church, clergy and lay, who had were guilty   |
|          | 2  | of or alleged to be guilty of child molestation.       |
|          | 3  | Q When did you first become aware, Bishop, that        |
|          | 4  | some priests molested kids?                            |
| 12:04:08 | 5  | A When I was the bishop of Boise, Idaho, was           |
|          | 6  | the first time I became aware of that.                 |
|          | 7  | Q And how did you become aware of that?                |
|          | 8  | A I became aware through a a case that came            |
|          | 9  | to my attention.                                       |
| 12:04:19 | 10 | Q Okay. And I take it you called the police            |
|          | 11 | when that came to your attention?                      |
|          | 12 | A The I did not call the police because                |
|          | 13 | the it came to my attention by an adult male who had   |
|          | 14 | been allegedly abused when he was an adolescent.       |
| 12:04:38 | 15 | Q How many times did you have allegations of           |
|          | 16 | sexual misconduct by priests while you were the bishop |
|          | 17 | of Boise, Idaho?                                       |
|          | 18 | A I can think of two.                                  |
|          | 19 | Q Okay. Were the priests alive?                        |
| 12:04:52 | 20 | A The priests were alive.                              |
|          | 21 | Q Now, in either instance when that came to            |
|          | 22 | your attention, did you pick up the phone and call the |
|          | 23 | police?  |
|          | 24 | A No, I did not do that because in all both            |
| 12:05:01 | 25 | of those cases, the alleged victims were adults at the |

|          |    | Page 62  |
|----------|----|--|
| 12:05:06 | 1  | time I found out about the cases.                        |
|          | 2  | Q Now, when is the first time while you were             |
|          | 3  | attending a National Conference of Catholic Bishops      |
|          | 4  | meeting, either an executive session or regular session, |
| 12:05:16 | 5  | somebody mentioned the issue of childhood sexual abuse?  |
|          | 6  | A I think that that issue of child sexual abuse          |
|          | 7  | was mentioned at one of my first meetings.               |
| ļ        | 8  | Q When was that?   |
|          | 9  | A When I became a bishop in 1989.                        |
| 12:05:37 | 10 | Q Okay. So the first bishops one of the                  |
|          | 11 | first bishops meeting you attended, the bishops were     |
|          | 12 | already talking about the problem of priests having sex  |
|          | 13 | with kids, right?  |
|          | 14 | A That is correct.                                       |
| 12:05:47 | 15 | Q Okay. So did you come to an understanding at           |
|          | 16 | some point that child molesters are frequently           |
|          | 17 | recidivist? Do you know what that means?                 |
|          | 18 | A I do know what that means. My understanding            |
|          | 19 | is that that is true sometimes, but not always true.     |
| 12:06:03 | 20 | Q Okay. And so did you make a determination in           |
|          | 21 | either instance of the priests you dealt with in Idaho   |
|          | 22 | as to whether or not there was a risk that they had      |
|          | 23 | molested other kids?                                     |
|          | 24 | A Well, the priests in Idaho in the one case             |
| 12:06:15 | 25 | was removed from ministry, and in the second case the    |

Page 63 12:06:19 1 priest retired. 2 With due respect, Bishop, that's not what I 0 3 asked you. 4 А Oh. 12:06:24 5 Did you make an independent determination or 0 6 did you direct anybody to determine whether the priest 7 that molested kids in Idaho that you came to -- that 8 came to your attention had recidivist tendencies? 9 Would you please repeat the question? А 12:06:41 10 MR. MANLY: Ms. Reporter, would you read it back, 11 please? 12 THE REPORTER: "Question: Did you make an 13 independent determination or did you direct anybody to 14 determine whether the priest that molested kids in Idaho 12:06:43 15 that you came to -- that came to your attention had 16 recidivist tendencies?" 17 THE WITNESS: In learning about the cases brought 18 to my attention in Idaho, in one case there was one 19 victim, in the other case there were -- there was more 12:07:06 20 than one victim. I don't recall how many. BY MR. MANLY: 21 22 Bishop, with all due respect, what I'm asking Q 23 you is did you make a determination or did you tell 24 somebody to make a determination whether the perpetrator 12:07:18 25 priests that came across your desk in Idaho were likely

| 12:07:22 | 1  | to offend or had offended more than once?                |
|          | 2  | A I made the determination.                              |
|          | 3  | Q And what training did you have regarding               |
|          | 4  | recidivism to make that determination?                   |
| 12:07:31 | 5  | A I have no training in recidivism. I was                |
|          | 6  | consulting experts in the field.                         |
|          | 7  | Q What experts did you consult with to                   |
|          | 8  | determine whether or not they were recidivist?           |
|          | 9  | A People in the medical mental health area.              |
| 12:07:46 | 10 | Q What people?   |
|          | 11 | A Doctors.   |
|          | 12 | Q What doctor?   |
|          | 13 | A Well, in the case of one, it was at the                |
|          | 14 | facility where he was receiving treatment.               |
| 12:07:59 | 15 | Q What was that?   |
|          | 16 | A That was in Hartford, Connecticut.                     |
|          | 17 | Q Institute for Living?                                  |
|          | 18 | A Yes. That's correct.                                   |
|          | 19 | Q Is that a pedophile treatment facility you             |
| 12:08:08 | 20 | forgot to mention?                                       |
|          | 21 | MR. CALLAHAN: I'm going to object to the                 |
|          | 22 | characterization of it as a pedophile treatment facility |
|          | 23 | unless that's  |
|          | 24 | MR. MANLY: Well, let me rephrase that.                   |

| 12:08:15 | 1  | Q Is that a well, I don't I'm not going                  |
|          | 2  | to agree with that objection, but I'll I'll rephrase     |
|          | 3  | it just to make it easy.                                 |
|          | 4  | Do you have an understanding, as you sit here            |
| 12:08:23 | 5  | today, that the Institute for Living is an institution   |
| ļ        | 6  | run by the Catholic church?                              |
|          | 7  | A The Institute for Living is not an                     |
|          | 8  | institution run by the Catholic church, to my knowledge. |
|          | 9  | Q Is it affiliated in any manner with the                |
| 12:08:35 | 10 | Catholic church?   |
|          | 11 | A I think that at one point in their history             |
|          | 12 | and when I dealt with them, they had a Catholic chaplain |
|          | 13 | on the staff.  |
|          | 14 | Q Okay. And is the Institute for Living a                |
| 12:08:46 | 15 | place that you are aware of that frequently has treated  |
|          | 16 | pedophile religious and/or priests?                      |
|          | 17 | A I'm not sure what they have treated people             |
|          | 18 | for, but they have treated people with that those        |
|          | 19 | difficulties.  |
| 12:08:57 | 20 | Q Did did you forget about the Institute for             |
|          | 21 | Living or  |
|          | 22 | A I did forget about it. Thank you for                   |
|          | 23 | reminding me.  |
|          | 24 | Q Okay. Oh, my pleasure.                                 |
| 12:09:05 | 25 | And so was Father Michael Peterson the person            |

| 12:09:09 | 1  | you consulted there?                                     |
|          | 2  | MR. CALLAHAN: Objection, Your Honor.                     |
|          | 3  | JUDGE JAMESON: Sustained.                                |
|          | 4  | MR. MANLY: I didn't ask if that was the priest.          |
| 12:09:14 | 5  | I asked if it was the doctor he consulted. I'm not       |
|          | 6  | asking about the priest, Your Honor.                     |
|          | 7  | JUDGE JAMESON: The objection is sustained.               |
|          | 8  | MR. MANLY: Okay. I I'm not sure what was                 |
|          | 9  | the objection just so                                    |
| 12:09:26 | 10 | MR. CALLAHAN: I didn't even bother to get it out         |
|          | 11 | because it was so obvious. It's not calculated to lead   |
|          | 12 | to discovery of admissible evidence in this particular   |
|          | 13 | case, it's irrelevant, it's beyond the Court's order     |
|          | 14 | regarding the things that this judge can talk about.     |
| 12:09:39 | 15 | Excuse me.   |
|          | 16 | BY MR. MANLY:  |
|          | 17 | Q Has Father Michael Peterson ever addressed             |
|          | 18 | the National Conference of Catholic Bishops on childhood |
|          | 19 | sexual abuse?  |
| 12:09:47 | 20 | A I do not recall that name.                             |
|          | 21 | Q Is he well-known among the bishops as                  |
|          | 22 | somebody who has expertise on treating priest offenders? |
|          | 23 | A I am not aware of that.                                |
|          | 24 | Q Okay. So the your testimony is you talked              |
| 12:10:02 | 25 | to the person at the Institute for Living, and they told |

Г

| 12:10:06 | 1  | you that in the one instance, the man was not a         |
|          | 2  | recidivist risk?  |
|          | 3  | A That is correct.                                      |
|          | 4  | Q Did you put him back in ministry?                     |
| 12:10:12 | 5  | A No, I did not.  |
|          | 6  | Q Where is he now?                                      |
|          | 7  | A He left the ministry. I think he's working            |
|          | 8  | in Oregon someplace.                                    |
|          | 9  | Q And what was the age of his alleged victim?           |
| 12:10:23 | 10 | A I think his alleged victim was                        |
|          | 11 | MR. CALLAHAN: At the time or when he spoke to           |
|          | 12 | the bishop? Pardon me?                                  |
|          | 13 | MR. MANLY: At the time he molested him.                 |
|          | 14 | MR. CALLAHAN: At the time he allegedly molested         |
| 12:10:37 | 15 | him, how old was he?                                    |
|          | 16 | THE WITNESS: I think he was I'm not quite               |
|          | 17 | sure about that. The molestation continued for a period |
|          | 18 | of years, and I think it started when he was about      |
|          | 19 | I'm guessing now 10 or 12.                              |
| 12:10:47 | 20 | BY MR. MANLY:   |
|          | 21 | Q Okay. And where in Idaho did that take                |
|          | 22 | place? Do you recall?                                   |
|          | 23 | A I think that I think that molestation took            |
|          | 24 | place in Moscow, Idaho.                                 |
| 12:11:03 | 25 | Q Okay. And was there a decision did                    |

| 12:11:08 | 1  | anybody at the Diocese of Boise and/or you ever consider |
|          | 2  | calling the police?                                      |
|          | 3  | A No, I didn't get to consider calling the               |
|          | 4  | police because, again, the victim was an adult when I    |
| 12:11:20 | 5  | knew him.  |
|          | 6  | Q Was there a public announcement made?                  |
|          | 7  | A Yes, there was.  |
|          | В  | Q You told the newspapers?                               |
|          | 9  | A No, I did not tell the newspapers. The                 |
| 12:11:27 | 10 | alleged victim did.                                      |
|          | 11 | Q After after the abuse?                                 |
|          | 12 | A Oh, yes.   |
|          | 13 | Q So how much time elapsed between the time the          |
|          | 14 | victim made the allegation public and the time the       |
| 12:11:46 | 15 | allegation was brought to the diocese' attention?        |
|          | 16 | A No. The allegation the allegation was                  |
|          | 17 | made known to the diocese before the victim alleged      |
|          | 18 | victim made it public.                                   |
|          | 19 | Q How much time between the two?                         |
| 12:11:59 | 20 | A There were I can't quite can't quite be                |
|          | 21 | sure. There were several months. The alleged victim      |
|          | 22 | wanted a cash settlement, which the diocese was not      |
|          | 23 | willing to agree to. He threatened to go to the press    |
|          | 24 | if we didn't accept his offer, and he went to the press. |
| 12:12:22 | 25 | Q Now, and did you you never considered                  |
|          |    |  |

|          |    | Page 69  |

| 12:12:25 | 1  | calling the police when he first reported it?            |
|          | 2  | A No. Because he was an adult when he reported           |
|          | 3  | it.  |
|          | 4  | Q But the priest was still had still had                 |
| 12:12:34 | 5  | contact with kids, right?                                |
|          | 6  | A At the time it was reported, no. As soon as            |
|          | 7  | it was reported, as soon as we understood who the priest |
|          | 8  | was, he was called into the office, confronted with the  |
|          | 9  | accusation, and he at that point went immediately to the |
| 12:12:52 | 10 | Institute for the Living.                                |
|          | 11 | Q Did he admit it?                                       |
|          | 12 | A Yes, he did.   |
|          | 13 | Q So he admitted he had molested kids, and you           |
|          | 14 | didn't   |
| 12:13:00 | 15 | A He admitted he molested one person.                    |
|          | 16 | Q He admitted he molested a child, and you               |
|          | 17 | didn't call the police, right?                           |
|          | 18 | A No, I did not call the police.                         |
|          | 19 | Q All right. Now, the second instance in Boise           |
| 12:13:09 | 20 | you told us about, did you call the police in that       |
|          | 21 | instance?  |
|          | 22 | A I did not call the police in that instance.            |
|          | 23 | Q Why?   |
|          | 24 | A Because, again, the victims were adults at             |
| 12:13:18 | 25 | the time that the accusations were made.                 |
|          |    |  |

| 12:13:21 | 1   | Q Well, but they allege that they had been              |
|          | 2   | abused as kids, right?                                  |
|          | 3   | A That's correct.                                       |
|          | 4   | Q Okay. Well, so did you think it was a good            |
| 12:13:27 | 5   | idea to pick up the phone and call the police?          |
|          | 6   | A I didn't think that the man was not in a              |
|          | 7   | situation where where he was going to be of at the      |
|          | 8   | time, I didn't think he was in a situation where he     |
|          | 9   | would be a risk.  |
| 12:13:51 | 10  | MR. MANLY: Can I have the bishop's answer read          |
|          | 11  | back, please?   |
|          | 12  | THE REPORTER: "Answer: I didn't think that              |
|          | 13  | the man was not in a situation where he was going to be |

|          | 1.8 | A The perpetrator.                                      |
|          | 19  | Q And so you made a situ you made a                     |
| 12:14:13 | 20  | determination that he was not a risk to kids?           |
|          | 21  | A At that time.   |
|          | 22  | Q And were you aware at that time, Bishop,              |
|          | 23  | that as to whether or not either men accused of         |
|          | 24  | pedophilia could have been charged criminally?          |
| 12:14:28 | 25  | A No, I was not aware of that.                          |

|          |    | Page 71  |
|----------|----|--|
| 12:14:30 | 1  | Q Did that even enter your mind?                         |
|          | 2  | A It may not have entered my mind because I              |
|          | 3  | wasn't advised of that.                                  |
|          | 4  | Q When did you learn that it was wrong to                |
| 12:14:45 | 5  | molest a child?  |
|          | 6  | A When I first learned about molestation.                |
|          | 7  | Q When was that?   |
|          | 8  | A Probably in college.                                   |
|          | 9  | Q So you went to the seminary?                           |
| 12:14:56 | 10 | A I did go to the seminary.                              |
|          | 11 | Q So you learned that it was wrong to molest a           |
|          | 12 | child when you were at college at Saint John's Seminary; |
|          | 13 | is that right?   |
|          | 14 | MR. CALLAHAN: You're talking about formal                |
| 12:15:05 | 15 | training or just general awareness that something like   |
|          | 16 | that's wrong?  |
|          | 17 | BY MR. MANLY:  |
|          | 18 | Q Bishop, you can answer.                                |
|          | 19 | A Well, I think that mol molestation of any              |
| 12:15:17 | 20 | kind, but child molestation was a serious moral moral    |
|          | 21 | failure and also a crime. That was makes a lot of        |
|          | 22 | common sense. I found out very early on.                 |
|          | 23 | Q Okay. Now, you knew it was a crime when you            |
|          | 24 | were the bishop of Boise, Idaho; is that correct?        |
| 12:15:33 | 25 | A Yes.   |

|          |     | Page 72  |
|----------|-----|--|
| 12:15:34 | 1   | Q Is it a crime if a priest does it?                   |
|          | 2   | A If anyone does it.                                   |
|          | 3   | Q Okay. So if you knew it was a crime and you          |
|          | 4   | knew it was morally wrong, why didn't you call the     |
| 12:15:46 | 5   | police?  |
|          | 6   | A This was a matter to take these are things           |
|          | ٦   | that happened many years before. And people the        |
|          | 8   | alleged victims were now adults, and it was my thought |
|          | 9   | that they should call the police if they wished to do  |
| 12:16:01 | 10  | that.  |
|          | 11  | Also, I'm not quite sure what the the                  |
|          | 12  | criminal law in that regard is in Idaho. It's not the  |
|          | 13  | same as it is here in California.                      |
|          | 14  | Q Bishop, have you ever called the police on a         |
| 12:16:14 | 15  | priest?  |
|          | 1.6 | A No, I've never called to my knowledge,               |
|          | 17  | I've never called the police about a priest.           |
|          | 18  | Q How do you know it's different the law is            |
|          | 19  | different in Idaho than California?                    |
| 12:16:27 | 20  | A I just know the statutes are different there.        |
|          | 21  | They were different and because of the issue of suits  |
|          | 22  | we were involved in.                                   |
|          | 23  | Q Statutes of what?                                    |
|          | 24  | A Limation.  |
| 12:16:36 | 25  | Q What does that matter whether you call the           |

|          |    | Page 73   |
|----------|----|---|
| 12:16:40 | 1  | police or not?  |
|          | 2  | A I didn't see a need to call the police since          |
|          | 3  | this was not an ongoing activity with a minor at the    |
|          | 4  | time.   |
| 12:16:49 | 5  | Q But I think you just told me that it's                |
|          | 6  | well-known and common sense, to use your words, that    |
|          | 7  | pedestrians molest repeatedly and repeatedly, right?    |
|          | 8  | MR. CALLAHAN: Objection. He did not say that.           |
|          | 9  | He said sometimes they do, and sometimes they don't.    |
| 12:17:02 | 10 | You're putting words in his mouth. I object to that     |
|          | 11 | question.   |
|          | 12 | BY MR. MANLY:   |
|          | 13 | Q Is it not your understanding and common sense         |
|          | 14 | that if you do you think it's common sense if           |
| 12:17:08 | 15 | somebody's a pedophile, whether their victim's 20 or 40 |
|          | 16 | and they're still around kids, is it common sense to    |
|          | 17 | call the police, Bishop?                                |
|          | 18 | A I don't think it's common sense if you have           |
|          | 19 | restricted the individual in a situation where they're  |
| 12:17:20 | 20 | not able to fail in that regard.                        |
|          | 21 | Q So did you put him in clerical prison?                |
|          | 22 | A No, I did not put them in clerical prison.            |
|          | 23 | Q What did you do?                                      |
|          | 24 | A Well, in one case, the priest was had gone            |
| 12:17:35 | 25 | to a facility for treatment and then subsequently left  |

|          |    | Page 74  |
|----------|----|--|
| 12:17:38 | 1  | the ministry, and the other case the person retired.   |
|          | 2  | Q So if he retired from ministry, your view is         |
|          | З  | he would never molest again?                           |
|          | 4  | A Knowing the person that who retired and              |
| 12:17:49 | 5  | knowing his history and having had conversations with  |
|          | 6  | him, I was confident that there was not going to be a  |
|          | 7  | matter of recidivism.                                  |
|          | 8  | Q So effectively, you were did you think, in           |
|          | 9  | effect, you were doing the police's job for them with  |
| 12:18:03 | 10 | regard to  |
|          | 11 | A No, I did not.                                       |
|          | 12 | Q Now, how how many priest perpetrators have           |
|          | 13 | you come across in your career?                        |
|          | 14 | A I am aware of two in Idaho, and in Orange            |
| 12:18:18 | 15 | County I can think of three right now. There may be    |
|          | 16 | others. I'm not sure.                                  |
|          | 17 | Q So you only know of two in Idaho and three in        |
|          | 18 | Orange County; is that accurate?                       |
|          | 19 | A As I sit here with my at the moment. I               |
| 12:18:33 | 20 | would have to research that issue.                     |
|          | 21 | Q So was it your expectation as a bishop, as a         |
|          | 22 | new bishop, that if Bishop McFarland knew that he had  |
|          | 23 | priests who had raped children or molested children or |
|          | 24 | adolescents in parishes, that he would tell you that?  |
| 12:18:54 | 25 | MR. CALLAHAN: Objection; calls for speculation         |

|          |    | Page 75  |
|----------|----|--|
| 12:18:55 | 1  | as to expectations.                                      |
|          | 2  | JUDGE JAMESON: Sustained.                                |
|          | 3  | BY MR. MANLY:  |
|          | 4  | Q Did Bishop McFarland well, I take it as                |
| 12:19:11 | 5  | bishop of Orange, you did not want to have people who    |
|          | 6  | had molested children in ministry; is that accurate?     |
|          | 7  | A I certainly would not want to have people who          |
|          | 8  | molested children in ministry. And as I speak now, I     |
|          | 9  | realize I can think of four priests in Orange County who |
| 12:19:25 | 10 | have been accused of that here in Orange County.         |
|          | 11 | Q Okay. All right. Now, do you know how many             |
|          | 12 | priests were in ministry of any type or sort in well,    |
|          | 13 | actually, let me ask it a different way.                 |
|          | 14 | How many priests, whether on inactive leave,             |
| 12:19:44 | 15 | sick leave, or on active duty, in the Diocese of Orange  |
|          | 16 | when you arrived had been accused of molestation?        |
|          | 17 | MR. CALLAHAN: I'm going to object to that, Your          |
|          | 18 | Honor, based on your previous order that says on page 14 |
|          | 19 | we're not going to have any questions about since he     |
| 12:20:00 | 20 | arrived after the facts here, meaning the Andrade        |
|          | 21 | matter, there will be no questions of Bishop Brown       |
|          | 22 | regarding abuse by clerics or priests in the diocese or  |
|          | 23 | anywhere else.   |
|          | 24 | I've tried to not object and allow this some             |
| 12:20:12 | 25 | reasonable latitude, but we now see that we're going to  |

|          |    | Page 76  |
|----------|----|--|
| 12:20:16 | 1  | repeat the Bishop McFarland deposition, and I don't      |
|          | 2  | think that's appropriate.                                |
|          | З  | JUDGE JAMESON: Well, at least you acknowledge            |
|          | 4  | that we're going into people in Idaho and their          |
| 12:20:27 | 5  | circumstances which I had ruled was out of bounds. It    |
|          | 6  | was incredible to me that you let this go on for an      |
|          | 7  | hour.  |
|          | В  | MR. CALLAHAN: I'm sorry, Your Honor.                     |
|          | 9  | JUDGE JAMESON: But the objection's sustained.            |
| 12:20:3B | 10 | MR. MANLY: Judge, if if we talked about                  |
|          | 11 | the transition period and that Bishop Blair Bishop       |
|          | 12 | Blair excuse me Bishop Brown is aware of people          |
|          | 13 | that were molesters in 1998 when he arrived. That is     |
|          | 14 | squarely within the ambit of the Andrade period as ruled |
| 12:20:55 | 15 | by Judge Andler, which is 1987 to 2001. So I think I'm   |
|          | 16 | entitled to ask that question.                           |
|          | 17 | MR. CALLAHAN: I don't.                                   |
|          | 18 | JUDGE JAMESON: The objection's sustained.                |
|          | 19 | BY MR. MANLY:  |
| 12:21:0B | 20 | Q Okay. Did Bishop McFarland tell you that               |
|          | 21 | there were numerous people working at the diocese, both  |
|          | 22 | as priests, laypeople, and otherwise, during the         |
|          | 23 | transition period that were molesters?                   |
|          | 24 | MR. CALLAHAN: I'm going to object to that. The           |
| 12:21:24 | 25 | court's order is that                                    |
|          |    |  |

|          |    | Page 77  |
|----------|----|--|
| 12:21:25 | 1  | JUDGE JAMESON: No. I the transition and what           |
|          | 2  | Bishop McFarland advised Bishop Brown                  |
|          | 3  | MR. MANLY: Okay.                                       |
|          | 4  | JUDGE JAMESON: is one of the I think I                 |
| 12:21:40 | 5  | even commented that that would be appropriate. So      |
|          | 6  | what what was communicated regarding the status of     |
|          | 7  | allegations and cases at the time Bishop Brown arrived |
|          | В  | is relevant.   |
|          | 9  | So you may if you have the question in                 |
| 12:22:00 | 10 | mind, you may answer.                                  |
|          | 11 | MR. CALLAHAN: Do you have the question in mind,        |
|          | 12 | Bishop, or do you want it read back?                   |
|          | 13 | THE WITNESS: I have the question in mind, I            |
|          | 14 | think.   |
| 12:22:07 | 15 | Bishop McFarland spoke to me about two                 |
|          | 16 | priests who had been accused of sexual molestation     |
|          | 17 | and during our transition period.                      |
|          | 18 | BY MR. MANLY:  |
|          | 19 | Q Which ones?  |
| 12:22:1B | 20 | A Monsignor Harris and Father John Lenahan were        |
|          | 21 | the two priests he spoke to me about.                  |
|          | 22 | Q Okay. Now, I take it he told you that Father         |
|          | 23 | Harris and Father Lenahan had been accused of of       |
|          | 24 | abuse?   |
| 12:22:36 | 25 | A Bishop McFarland told me that both of those          |

|          |    | Page 78   |
|----------|----|---|
| 12:22:38 | 1  | had no. Bishop McFarland told me that Monsignor         |
|          | 2  | Harris had been accused by various people of abuse and  |
|          | 3  | that there was a pending lawsuit. In the case of Father |
|          | 4  | Lenahan, he told me about one one event.                |
| 12:22:54 | 5  | Q Did he tell you that Father Lenahan had               |
|          | 6  | admitted abusing the girl in question?                  |
|          | 7  | A I think he Bishop McFarland told me that              |
|          | 8  | he had I'm not quite positive of                        |
|          | 9  | (Interruption in proceedings at 12:23 p.m.)             |
| 12:23:11 | 10 | THE WITNESS: I'm not positive as I sit here now.        |
|          | 11 | I think he told me about involvement of Father Lenahan  |
|          | 12 | with a a teenage girl, and I don't recall whether       |
|          | 13 | what the admission question was. I do know there was    |
|          | 14 | some kind of legal settlement in that case, though.     |
| 12:23:30 | 15 | BY MR. MANLY:   |
|          | 16 | Q He said "involvement." What does that mean?           |
|          | 17 | A I'm not quite sure. I presume it was some             |
|          | 18 | kind of sexual involvement.                             |
|          | 19 | Q Now, I take it once you learned that Father           |
| 12:23:41 | 20 | Lenahan had been sexually involved with a young girl,   |
|          | 21 | you kicked him out of the diocese.                      |
|          | 22 | A I did not kick Father Lenahan out of the              |
|          | 23 | diocese because the matter had been dealt with by my    |
|          | 24 | predecessor some years before, and I was not going to   |
| 12:23:58 | 25 | return to the past, but rather move on into the future. |

|          |    | Page 79  |
|----------|----|--|
| 12:24:01 | 1  | Q Well, I certainly, you would think it                  |
|          | 2  | would be inappropriate for him to be in any sort of      |
|          | 3  | position of leadership, given that he had engaged in sex |
|          | 4  | with a minor. Agree?                                     |
| 12:24:12 | 5  | A I simply accepted the decisions that Bishop            |
|          | 6  | McFarland had made in regard to Father Lenahan.          |
|          | 7  | Q Did you ever come to did it ever come to               |
| ļ        | 8  | your attention at any time that Father Lenahan was       |
|          | 9  | holding positions of leadership in a diocese when it was |
| 12:24:27 | 10 | known to you and Bishop McFarland that he was a          |
|          | 11 | molester?  |
|          | 12 | A Bishop McFarland had appointed him to a                |
|          | 13 | certain position of the diocese. He was in those         |
|          | 14 | positions when I arrived here, and I did not change the  |
| 12:24:39 | 15 | status.  |
|          | 16 | Q So you never appointed Father Lenahan to any           |
|          | 17 | position of leadership; is that accurate?                |
|          | 18 | A I'm not quite sure. He was a consultor                 |
|          | 19 | and appointed by Bishop McFarland. And I think when      |
| 12:24:54 | 20 | his term was I think when his term was finished, that    |
|          | 21 | I reappointed him.                                       |
|          | 22 | Q Okay. Now, I take it as a part of the                  |
|          | 23 | transition, you wanted to become familiar with the       |
|          | 24 | priests of the diocese?                                  |
| 12:25:15 | 25 | A I'm very intent on becoming aware of the               |

|          |    | Page 80  |
|----------|----|--|
| 12:25:18 | 1  | priests of the diocese as quickly as I could.            |
|          | 2  | Q So I take it one of the things did you was             |
|          | 3  | review their files?                                      |
|          | 4  | A No. I did not review their files.                      |
| 12:25:25 | 5  | Q Did you speak during the transition with               |
|          | 6  | Bishop McFarland I'm sorry.                              |
|          | 7  | During the transition, did you speak with                |
|          | В  | Bishop Driscoll and/or Monsignor Urell about the         |
|          | 9  | priests?   |
| 12:25:36 | 10 | A I did not speak to Monsignor Urell or to               |
|          | 11 | Bishop Driscoll about priests during my transition.      |
|          | 12 | Q Bishop, is it you've been a bishop a long              |
|          | 13 | time, right?   |
|          | 14 | A Since 1989 '88, actually.                              |
| 12:25:52 | 15 | Q If your vicar general and/or chancellor are            |
|          | 16 | possessed of information that some priests might pose a  |
|          | 17 | threat to children, was it your is it your               |
|          | 18 | expectation at any time that they would make you, as the |
|          | 19 | bishop, aware of that?                                   |
| 12:26:07 | 20 | A That would be my expectation, yes.                     |
|          | 21 | Q So it would be your expectation that if                |
|          | 22 | Bishop Driscoll and/or Monsignor Urell were possessed of |
|          | 23 | information that there were molesters working in the     |

| 12:26:21 | 25 | accurate?  |

|          |    | Page 81  |

| 12:26:22 | 1  | A I would have expected they would have told me          |
|          | 2  | that if the occasion arose.                              |
|          | 3  | Q What do you mean "if the occasion arose"?              |
|          | 4  | A Well, I don't know. I usually we didn't                |
| 12:26:33 | 5  | discuss priests unless there was some particular reason  |
|          | 6  | to speak about a priest.                                 |
|          | 7  | Q Okay. Have you ever spoken with them                   |
|          | 8  | subsequently about their failure to tell you well,       |
|          | 9  | let me ask you this.                                     |
| 12:26:45 | 10 | Did either of them during the transition                 |
|          | 11 | period ever tell you that there were multiple priests    |
|          | 12 | working in the diocese who had been accused?             |
|          | 13 | A No. Neither priest spoke to neither of                 |
|          | 14 | them spoke to me about that during the transition.       |
| 12:26:56 | 15 | Q Did they speak to you about it at any time?            |
|          | 16 | A No, except that I think that after the                 |
|          | 17 | after the Dallas meeting of the bishops and the          |
|          | 18 | bishops Catholic bishops of our country adopted the      |
|          | 19 | charter for the protection of young people, at that time |
| 12:27:15 | 20 | Monsignor Urell had spoke to me about one of the priests |
|          | 21 | in terms of a certain had had some accusations           |
|          | 22 | against him, which I did not know up until that point.   |
|          | 23 | Q Did Monsignor Urell tell you that during               |
|          | 24 | the transition period that Father Ramos was accused of   |
| 12:27:30 | 25 | taking boys to donkey shows in Tijuana?                  |
|          |    |  |

|          |    | Page 82  |
|----------|----|--|
| 12:27:33 | 1  | A No. Monsignor Urell did not tell me that. I            |
|          | 2  | don't believe Father Ramos was on active duty when I     |
|          | З  | came here.   |
|          | 4  | Q Okay. Well, if you learned that any priest,            |
| 12:27:44 | 5  | whether on active duty or not, during the transition had |
|          | 6  | been taking children to donkey shows with prostitutes in |
|          | 7  | Tijuana, would you have taken action to laicize that     |
|          | 8  | priest?  |
|          | 9  | A I certainly would have taken some action.              |
| 12:28:00 | 10 | Q Well, that's fine. My question is would you            |
|          | 11 | have taken action to defrock that priest?                |
|          | 12 | A I would certainly have taken such a priest             |
|          | 13 | out of active ministry.                                  |
|          | 14 | Q Did you ever come to learn that another                |
| 12:28:16 | 15 | priest in your diocese, Father Peturich, who was on duty |
|          | 16 | when you were in let me ask let me ask a different       |
|          | 17 | question.  |
|          | 18 | Did you ever come to learn during the                    |
|          | 19 | transition that Father Ramos had been to had served      |
| 12:28:30 | 20 | in Tijuana after he was a notorious known to be a        |
|          | 21 | notorious pedophile by Bishop Driscoll?                  |
|          | 22 | A As I sit here at this moment, I don't recall           |
|          | 23 | that conversation.                                       |
|          | 24 | Q So Bishop Driscoll never told you that he had          |
| 12:28:43 | 25 | sent, along with Bishop McFarland, Father well, did      |

|          |    | Page 83   |
|----------|----|---|
| 12:28:47 | 1  | Bishop McFarland, Bishop Driscoll, or John Urell ever   |

|          | 3  | pedophile, who used sex toys and took boys to donkey    |
|          | 4  | shows, and put him in Tijuana with access to children?  |
| 12:29:01 | 5  | A Not to my   |
| 1        | 6  | MR. CALLAHAN: Objection, Your Honor. That               |
|          | 7  | well, all right. It certainly misstates the evidence,   |
|          | В  | but I can't object to the question if it misstates      |
|          | 9  | evidence.   |
| 12:29:09 | 10 | MR. MANLY: What evidence did I misstate?                |
|          | 11 | MR. CALLAHAN: That they they they sent him              |
|          | 12 | down to Mexico with a bunch of donkeys and sex toys     |
|          | 13 | and and applied them to a bunch of kids.                |
|          | 14 | MR. MANLY: Did they send him to Tijuana?                |
| 12:29:19 | 15 | MR. CALLAHAN: They sent him I don't really              |
|          | 16 | know if they sent him                                   |
|          | 17 | MR. MANLY: Is there an allegation that he had           |
|          | 18 | he took boys to donkey shows and used sex toys on them, |
|          | 19 | Mr. Callahan?   |
| 12:29:28 | 20 | MR. CALLAHAN: I don't know about the                    |
|          | 21 | allegations. What I do                                  |
|          | 22 | MR. MANLY: You want me to say the victims' names        |
|          | 23 | who will say it?  |
|          | 24 | MR. CALLAHAN: I I'm sure save it for the                |
| 12:29:33 | 25 | newspapers, John. Let's go on to the next question.     |

|          |    | Page 84  |
|----------|----|--|
| 12:29:36 | 1  | MR. MANLY: Well, you said I made a mistake.            |
|          | 2  | I'd like to know what I did, Your Honor.               |
|          | 3  | JUDGE JAMESON: Lunch is here. Let's take a             |
|          | 4  | break.   |
| 12:29:42 | 5  | THE VIDEOGRAPHER: The time is 12:29, and we're         |
|          | 6  | going off the record.                                  |
|          | 7  | (Recess taken from 12:29 p.m. until                    |

|          | 9  | THE VIDEOGRAPHER: The time is 1:10, and we're          |
| 01:10:57 | 10 | back on the record.                                    |
|          | 11 | BY MR. MANLY:  |
|          | 12 | Q Bishop, who made the decision to pay                 |
|          | 13 | Mr. Andrade a hundred thousand dollars to settle his   |
|          | 14 | lawsuit? Forgive me.                                   |
| 01:11:11 | 15 | A As far as I know, I believe that was a               |
|          | 16 | decision made by the insurance company.                |
|          | 17 | Q Okay. So you didn't make that decision?              |
|          | 18 | A No, I did not make the decision.                     |
|          | 19 | Q Who was working on that matter for the               |
| 01:11:21 | 20 | diocese?   |
|          | 21 | A To my knowledge, I believe that our general          |
|          | 22 | counsel, Maria Schinderle, was working on it, together |
|          | 23 | with others.   |
|          | 24 | Q Bishop Brown, do you know who Father Morris          |
| 01:11:33 | 25 | is?  |

|          |    | Page 85   |
|----------|----|---|
| 01:11:36 | 1  | A Pardon me?  |
|          | 2  | Q Father Morris. Have you ever heard of a               |
|          | 3  | Father Morris?  |
|          | 4  | A I'm not aware of a Father Morris.                     |
| 01:11:42 | 5  | Q Okay. How about Father Rubin Garcia? Have             |
|          | 6  | you ever heard of him?                                  |
|          | 7  | A As I sit here, I don't recall that name right         |
|          | 8  | now.  |
|          | 9  | Q How about a Father James Wersly? Do you know          |
| 01:11:54 | 10 | him?  |
|          | 11 | A Yes, I do know Father Wersly. He was one of           |
|          | 12 | the priests I mentioned in Idaho.                       |
|          | 13 | Q Father  |
|          | 14 | A Pardon me. Rubin Garcia, I think I can                |
| 01:12:02 | 15 | recall that now. He was I think Father Garcia was       |
|          | 16 | a   |
|          | 17 | MR. CALLAHAN: We've got a court order that              |
|          | 18 | indicates we're not to reveal the names of victims or   |
|          | 19 | accused.  |
| 01:12:17 | 20 | MR. MANLY: I'm just asking if he knows who they         |
|          | 21 | are,  |
|          | 22 | MR. CALLAHAN: Well, I'm just telling him he             |
|          | 23 | doesn't know about the court order. So probably the     |
|          | 24 | best way to answer this is yeses or nos so no reference |
| 01:12:26 | 25 | can be implied.   |
|          |    |   |

|          |    | Page 86  |
|----------|----|--|
| 01:12:27 | 1  | MR. MANLY: Well, I don't know that that's still          |
|          | 2  | the court order. I mean so                               |
|          | 3  | BY MR. MANLY:  |
|          | 4  | Q Do you know who Father Rubin Garcia is or              |
| 01:12:34 | 5  | not, Bishop?   |
|          | 6  | A I think I do.  |
|          | 7  | Q Who is he?   |
|          | В  | A I think he was a priest who at one time was            |
|          | 9  | ministering in Idaho, and if it was the one I'm thinking |
| 01:12:47 | 10 | about, he  |
|          | 11 | MR. CALLAHAN: That's good enough.                        |
|          | 12 | MR. MANLY: Don't interrupt him. I asked who he           |
|          | 13 | is. He was ministering in Idaho and what?                |
|          | 14 | MR. CALLAHAN: I would suggest that he answer the         |
| 01:12:56 | 15 | question and we proceed on an orderly basis to avoid     |
|          | 16 | violating the court order.                               |

|          | 19 | MR. CALLAHAN: That's the question. What was he           |
| 01:13:04 | 20 | doing? What was his assignment?                          |
|          | 21 | THE WITNESS: Father Garcia was not an active             |

|          | 2  | MR. CALLAHAN: I'm going to object because I         |

|          | 4  | permissible inquiry according to this particular    |

|          | 9  | A Yes, I know who Father William Gould is.          |
| 01:13:28 | 10 | Q Who is Father Gould?                              |
|          | 11 | A Father Gould is a priest of the Diocese of        |
|          | 12 | Boise.  |
|          | 13 | MR. CALLAHAN: I would object, then, and move to     |

|          | 21 | MR. CALLAHAN: Okay. I'm sorry, Your Honor.          |

|          | 4  | JUDGE JAMESON: If you want to get into an area,          |

|          | 4  | 4, what Bishop McFarland related to him regarding the    |
| 01:15:41 | 5  | events of this case and related to it.                   |
|          | 6  | And I'm going to object to any questions that            |
|          | 7  | aren't clearly within the parameters of those four       |
|          | 8  | areas. This question I object to because it appears not  |
|          | 9  | to be connected to one of those four. It may well be,    |
| 01:15:55 | 10 | but it does not appear to be connected to one of those   |
|          | 11 | four areas of permissible inquiry.                       |
|          | 12 | MR. MANLY: It goes to the transition, Your               |
|          | 13 | Honor.   |
|          | 14 | JUDGE JAMESON: What's the question?                      |
| 01:16:02 | 15 | MR. MANLY: When you were before you were                 |
|          | 16 | appointed bishop of Orange, was there an investigation   |
|          | 17 | by the Holy See?   |
|          | 18 | MR. CALLAHAN: Wait, wait, wait. Objection. I             |
|          | 19 | don't think that has to do with, quote, the reference to |
| 01:16:14 | 20 | Bishop   |
|          | 21 | JUDGE JAMESON: The objection's sustained.                |
|          | 22 | MR. CALLAHAN: Thank you, Your Honor.                     |
|          | 23 | BY MR. MANLY:  |
|          | 24 | Q Let me show you I'll give the Court a copy             |
| 01:16:25 | 25 | of these documents. Give me all of them. Oh, okay.       |

|          |    | Page 90   |
|----------|----|---|
| 01:16:35 | 1  | Your Honor, you didn't have these documents             |
|          | 2  | when we talked about this, and I want you to look at    |
|          | 3  | them, and I'll show counsel. And it's my intention to   |
|          | 4  | question the bishop about these. So                     |
| 01:16:49 | 5  | MR. CALLAHAN: Should we number these?                   |
|          | 6  | MR. MANLY: These are well, we can number them           |
|          | 7  | by Exhibit l and then A through whatever. These are     |
|          | 8  | documents from the Diocese of Fresno and and relating   |
|          | 9  | to allegations against Bishop Brown. And there's also   |
| 01:17:08 | 10 | documents from the Archdiocese of Boston and the        |
|          | 11 | Archdiocese of Los Angeles, and I and the Diocese of    |
|          | 12 | Fresno. And they should be marked Exhibit 1A through I. |
|          | 13 | (Whereupon, Exhibit 1 was introduced for the            |
|          | 14 | record, a copy of which is attached hereto.)            |
| 01:17:38 | 15 | MR. CALLAHAN: Your Honor, I would object to             |
|          | 16 | these being marked and attached and, hence, perhaps     |
|          | 17 | inadvertently, released to the press as a part of this  |
|          | 18 | transaction. If if                                      |
|          | 19 | MR. MANLY: They've already been released to the         |
| 01:17:49 | 20 | press. The "OC Weekly's" published them.                |
|          | 21 | MR. CALLAHAN: I'm going to mostly address my            |
|          | 22 | question my comments to you, Your Honor. I think it     |
|          | 23 | would probably be smoother that way.                    |
|          | 24 | I don't want this these documents to be                 |
| 01:17:59 | 25 | attached to the sound bites and the videotape that may  |
|          |    |   |

|          |     | Page 91  |
|----------|-----|--|
| 01:18:03 | 1   | inadvertently, who knows what, as as a part of this,     |
|          | 2   | and then, you know, the diocesan counsel is objecting    |
|          | 3   | and trying to hide, et cetera. I don't want I don't      |
|          | 4   | want to get into that.                                   |
| 01:18:14 | 5   | If you think these documents are related to              |
|          | 6   | one of those four areas, fine. Then we'll address it.    |
|          | 7   | But if you don't think these four these documents are    |
|          | 8   | related to one of those four areas of permissible        |
|          | 9   | inquiry, I don't think they should be attached, and I    |
| 01:18:27 | 10  | don't think we should have any colloquy on the record on |
|          | 11  | them and we should move on to something that is          |
|          | 12  | permissible inquiry. That's my position.                 |
|          | 13  | JUDGE JAMESON: Well, we need to we can take a            |
|          | 1.4 | break or you can sit here, but I it's several pages      |
| 01:18:39 | 15  | that I have not seen before, and given concerns          |
|          | 16  | expressed, I will review them.                           |
|          | 17  | MR. MANLY: We'll take a break, Your Honor.               |
|          | 18  | THE VIDEOGRAPHER: The time is 1:18, and we're            |
|          | 19  | going off the record.                                    |
| 01:18:52 | 20  | (Recess taken from 1:18 p.m. until                       |
|          | 21  | 1:29 p.m.)   |
|          | 22  | THE VIDEOGRAPHER: The time is 1:29, and we're            |
|          | 23  | back on the record.                                      |
|          | 24  | MR. CALLAHAN: Your Honor, have you had a chance          |
| 01:30:06 | 25  | to review these documents?                               |

|          |    | Page 92  |
|----------|----|--|
| 01:30:08 | 1  | JUDGE JAMESON: I have.                                   |
|          | 2  | MR. CALLAHAN: These documents were discussed at          |
|          | 3  | the the time of your initial ruling. And, in fact, I     |
|          | 4  | have a transcript of that in which Mr. Manly makes the   |
| 01:30:19 | 5  | point that Bishop Brown is himself an accused abuser,    |
|          | 6  | quote, end quote. That was not disclosed.                |
|          | ۲  | He goes into the diocesan policy and cites               |
|          | 8  | the "Orange County Weekly." The court may recall that.   |
|          | 9  | And he offered to produce all these numerous documents,  |
| 01:30:36 | 10 | and he described them in some detail. And he explained   |
|          | 11 | why that his theory, that if Brown had been an abuser    |
|          | 12 | and was head of the diocese when Andrade was retained,   |
|          | 13 | et cetera, and so these documents have been referred to  |
|          | 14 | at some length and argued extensively.                   |
| 01:30:56 | 15 | And I mention this only that the Court is                |
|          | 16 | aware that these this deposition has a four-hour time    |
|          | 17 | limit on it. I'm not going to interrupt, obviously, in   |
|          | 18 | the middle of a question or anything like that. But I    |
|          | 19 | would not want to hear the claim "Well, Judge, we had to |
| 01:31:10 | 20 | use up a lot of time to go over these documents" because |
|          | 21 | that was counsel's choice, and I would submit that these |
|          | 22 | documents do not address the four areas about which the  |
|          | 23 | Court indicated the questions could be asked. That's     |
|          | 24 | all I have to say.                                       |
| 01:31:25 | 25 | JUDGE JAMESON: They are in the area of                   |

|          |    | Page 93   |
|----------|----|---|
| 01:31:26 | 1  | impeachment of the witness, so some limited inquiry     |
|          | 2  | would be permitted.                                     |
|          | З  | MR. CALLAHAN: Okay.                                     |
|          | 4  | MR. MANLY: Okay. Thank you, Your Honor.                 |
| 01:31:34 | 5  | BY MR. MANLY:   |
|          | 6  | Q Bishop Brown, have you ever seen any of these         |
|          | 7  | documents before?                                       |
|          | 8  | A I saw these documents, most of them,                  |
|          | 9  | yesterday.  |
| 01:31:43 | 10 | Q Have did you abuse                                    |
|          | 11 | A I've never abused any person sexually or any          |
|          | 12 | other way.  |
|          | 13 | Q In 1997 have you ever been accused of                 |
|          | 14 | abusing anybody?  |
| 01:31:55 | 15 | A Yes. I was accused of sexually molesting              |
|          | 16 |   |
|          | 17 | Q Have you been accused of molesting anybody            |
|          | 18 | else?   |
|          | 19 | A I've never been accused of molesting anybody          |
| 01:32:07 | 20 | except for that one accusation.                         |
|          | 21 | Q Have you ever been accused of sexual                  |
|          | 22 | misconduct in your official capacity of either a priest |
|          | 23 | or a bishop?  |
|          | 24 | A I've never been accused of sexual misconduct          |
| 01:32:18 | 25 | at any time during my life.                             |

|          |    | Page 94  |
|----------|----|--|
| 01:32:19 | 1  | Q Okay. Have you ever engaged in sexual  |
|          | 2  | misconduct with a seminarian at Saint John's Seminary?   |
|          | 3  | A I've never engaged in sexual misconduct with   |
|          | 4  | any seminarian.  |
| 01:32:30 | 5  | Q Okay. In July of 1997, were you contacted by   |
|          | 6  | Bishop Steinbock?  |
|          | 7  | A Bishop Steinbock called me in Boise, Idaho.  |
|          | 8  | Q And what did he say?   |
|          | 9  | A Bishop Steinbock told me that he had a   |
| 01:32:42 | 10 | complaint about a priest in Idaho who had molested a   |
|          | 11 | young man in the Diocese of Fresno. And when he said   |
|          | 12 | that, I began to wonder who could that possibly be. And  |
|          | 13 | then he told me that I was the one who was accused.  |
|          | 14 | Q Okay. And what happened?   |
| 01:33:03 | 15 | A I went I was shocked by the accusation.  |
|          | 16 | Q Did he tell you who the accuser was?   |
|          | 17 | A Yes, he did.   |
|          | 18 | Q Do you know the boy? Did you know that boy?  |
|          | 19 | A I have a vague recollection of the state o |
| 01:33:19 | 20 | Q Okay. Okay. Did they put you on  |
|          | 21 | administrative leave during the investigation?   |
|          | 22 | A No, they did not put me on leave.  |
|          | 23 | Q What was so how long was the how many  |
|          | 24 | times were you interviewed about allegation?   |
| 01:33:37 | 25 | A I was never interviewed about <b>Contractor</b>  |

|          |    | Page 95  |
|----------|----|--|
| 01:33:40 | 1  | allegation.  |
|          | 2  | Q Okay. So, basically, what happened is Bishop           |
|          | 3  | Steinbock called you and asked you if it was true?       |
|          | 4  | A He told me about the accusation, and I told            |
| 01:33:50 | 5  | him immediately that I was not that had never            |
|          | 6  | happened.  |
|          | 7  | Q Okay. And that was it?                                 |
|          | В  | A That was it. And then periodically, we would           |
|          | 9  | have phone contact in terms of the ongoing investigation |
| 01:34:05 | 10 | being conducted by the Diocese of Fresno.                |
|          | 11 | Q Okay. What did anybody from the Diocese                |
|          | 12 | of Fresno interview you?                                 |
|          | 13 | A Not to my recollection.                                |
|          | 14 | Q Okay. And <b>And Was a parishioner when</b>            |
| 01:34:16 | 15 | you were a priest in Bakersfield?                        |
|          | 16 | A He was a parishioner, yes. I believe so.               |
|          | 17 | Yes, he was.   |
|          | 18 | Q Now, in reviewing these documents, do you see          |
|          | 19 | anywhere where they tell                                 |
| 01:34:30 | 20 | believe this event occurred?                             |
|          | 21 | MR. CALLAHAN: Objection. It calls for a                  |
|          | 22 | conclusion. The documents may speak for themselves if    |
|          | 23 | it's addressed to anyone.                                |
|          | 24 | JUDGE JAMESON: Sustained.                                |

|          |    | Page 96   |

| 01:34:42 | 1  | Q Did you ask to speak with                             |
|          | 2  | A No, I did not ask to speak with                       |
|          | 3  | Q Okay. Do you know who from the Diocese of             |
|          | 4  | Fresno investigated the allegations?                    |
| 01:35:00 | 5  | A I don't know who the I'm not sure who                 |
|          | 6  | the who Bishop Steinbock who what what panel            |
|          | 7  | or what group of people he dealt with in terms of       |
|          | 8  | investigation. I believe that the H.R. person was       |
|          | 9  | involved in that.                                       |
| 01:35:17 | 10 | Q How do you sorry. Go ahead, Bishop.                   |
|          | 11 | A I'm not sure what his name is. I think it's           |
|          | 12 | here someplace.   |
|          | 13 | MR. CALLAHAN: Okay. Wait. Just tell him what            |
|          | 14 | you remember.   |
| 01:35:26 | 15 | THE WITNESS: I think the the H.R. person was            |
|          | 16 | involved, and I think there were two or three priests   |
|          | 17 | who were involved in that investigation also.           |
|          | 18 | BY MR. MANLY:   |
|          | 19 | Q Okay. Now, did did Craig Cox or anybody               |
| 01:35:38 | 20 | from Cardinal Mahoney's office ever call you and advise |
|          | 21 | you they had received an allegation?                    |
|          | 22 | A No one called me from Los Angeles about the           |
|          | 23 | allegation.   |
|          | 24 | Q When the allegation occurred, did you alert           |
| 01:35:49 | 25 | the papal nuncios office?                               |

|          |    | Page 97  |
|----------|----|--|
| 01:35:51 | 1  | A No, I did not.                                       |
|          | 2  | Q In a previous deposition, Bishop Braum told          |
|          | 3  | us that when he received an allegation, that's what he |
|          | 4  | did because that was protocol.                         |
| 01:36:01 | 5  | MR. CALLAHAN: I would object to that. It states        |
|          | 6  | facts not in evidence.                                 |
|          | 7  | BY MR. MANLY:  |
|          | 8  | Q Well, have you ever heard anything like that         |
|          | 9  | before, that there's a protocol when a bishop is       |
| 01:36:08 | 10 | accused?   |
|          | 11 | A I'm not aware of a protocol, but I would have        |
|          | 12 | expected that if there was a report to the papal       |
|          | 13 | nuncios, it would have been done by one of the other   |
|          | 14 | bishops.   |
| 01:36:19 | 15 | Q Did you call Cardinal Mahoney as the as              |
|          | 16 | the metropolitan and advise him of the accusation?     |
|          | 17 | A I called Cardinal Mahoney and spoke to him           |
|          | 18 | about the accusation.                                  |
|          | 19 | Q When did you do that?                                |
| 01:36:29 | 20 | A The night that I received the phone call from        |
|          | 21 | Bishop Steinbock.                                      |
|          | 22 | Q And what did you tell him?                           |
|          | 23 | A I told him about the telephone call and              |
|          | 24 | obviously told him this never happened.                |
| 01:36:37 | 25 | Q Obviously, this must have been very                  |

|          |    | Page 98   |
|----------|----|---|
| 01:36:39 | 1  | distressing to you.                                   |
|          | 2  | A Extremely distressing.                              |
|          | 3  | Q And did you ever ask to speak to the young          |
|          | 4  | man?  |
| 01:36:45 | 5  | A No. I didn't want to speak to                       |
|          | б  | wanted to let the investigation continue without any  |
|          | 7  | interference from myself.                             |
|          | 8  | Q Why didn't you make the allegation public?          |
|          | 9  | A At that time, I didn't make the allegation          |
| 01:36:59 | 10 | it wasn't up to me to make the allegation public.     |
|          | 11 | Q Well, have you heard have you seen where            |
|          | 12 | Cardinal Mahoney was accused, he says falsely, and on |
|          | 13 | two occasions, and he immediately made them public?   |
|          | 14 | A I know about those occasions.                       |
| 01:37:15 | 15 | Q So why didn't you make this allegation              |
|          | 16 | public?   |
|          | 17 | A I didn't make the allegation public because I       |
|          | 18 | knew it was not true.                                 |
|          | 19 | Q Well, do you have any reason to believe that        |
| 01:37:28 | 20 | Cardinal Mahoney knew his allegations were true or    |
|          | 21 | untrue?   |
|          | 22 | MR. CALLAHAN: Objection; calls for speculation.       |
|          | 23 | JUDGE JAMESON: Sustained.                             |

| 01:37:33 | 25 | Q Now, you promised to be open and transparent        |

| 01:37:36 | 1  | in your communications with people of this diocese,     |

|          | 3  | A That is correct.                                      |
|          | 4  | Q Have you ever disclosed to the public that            |
| 01:37:43 | 5  | you were accused?                                       |
|          | 6  | A No, because the accusation about me was               |
|          | 7  | judged not to be credible.                              |
|          | ₿  | Q By who?   |
|          | 9  | A By the investigation conducted by the Diocese         |
| 01:37:54 | 10 | of Fresno.  |
|          | 11 | Q Do you think the Diocese of Fresno has a good         |
|          | 12 | record on disclosing sexual abuse?                      |
|          | 13 | MR. CALLAHAN: Objection; calls for speculation.         |
|          | 14 | JUDGE JAMESON: Sustained.                               |

|          | 16 | Q Well, the are you familiar that the are               |
|          | 17 | you aware that the Diocese of Fresno has investigated   |
|          | 18 | numerous accusations of sexual abuse?                   |
|          | 19 | MR. CALLAHAN: Objection; irrelevant and not             |
| 01:38:13 | 20 | calculated to lead to                                   |
|          | 21 | JUDGE JAMESON: Yeah. I'll allow it since it has         |
|          | 22 | some bearing on the allegation made against the bishop. |
|          | 23 | MR. CALLAHAN: Okay.                                     |
|          | 24 | THE WITNESS: May I have the question again,             |
| 01:38:27 | 25 | please?   |

| 01:38:27 | 1  | THE REPORTER: "Question: Are you aware that the   |
|          | 2  | Diocese of Fresno has investigated numerous accusations   |
|          | З  | of sexual abuse?"   |
|          | 4  | THE WITNESS: I know the Diocese of Fresno's been  |
| 01:3B:49 | 5  | involved in some suits, and I would presume those   |
|          | 6  | involved recitation of sexual abuse suits. I presume  |
|          | 7  | that involved investigations.   |
|          | В  | BY MR. MANLY:   |
|          | 9  | Q Okay. And do you have any information one   |
| 01:38:58 | 10 | way or the other whether they're a credible agency to   |
|          | 11 | investigate sexual abuse?   |
|          | 12 | A I presume they are a credible agency to   |
|          | 13 | conduct investigations.   |
|          | 14 | Q Did anybody from the Diocese of Fresno notify   |
| 01:39:12 | 15 | the police?   |
|          | 16 | A Not to my knowledge.  |
|          | 17 | Q Did anybody from the Diocese of Fresno, to  |
|          | 18 | your knowledge, ask <b>on the set of the set of</b> |
|          | 19 | Did anybody, to your knowledge, from the  |
| 01:39:29 | 20 | Diocese of Fresno advise the alleged victim in the case   |
|          | 21 | that you were not in a position with access to children?  |
|          | 22 | A According to the correspondence I looked at,  |
|          | 23 | someone did.  |
|          | 24 | Q According to what?  |
| 01:39:42 | 25 | A The correspondence I looked at, someone did.  |

|          |    | Page 101  |
|----------|----|---|
| 01:39:44 | 1  | Q Okay. Was that an accurate statement?               |
|          | 2  | A I presume that had to do with the fact that I       |
|          | З  | was in in administration.                             |
|          | 4  | Q Did anybody from the Diocese of Fresno tell         |
| 01:39:55 | 5  | you were a bishop?                                    |
|          | 6  | A I believe that they did tell                        |
|          | 7  | I eventually told him I was a bishop, yes.            |
|          | 8  | Q Can you look at letter or Exhibit D in              |
|          | 9  | Exhibit 1, Bishop?                                    |
| 01:40:07 | 10 | MR. CALLAHAN: My concern about these is that          |
|          | 11 | we've been given different packets that might be in a |
|          | 12 | different order and so                                |
|          | 13 | MR. MANLY: No. Actually, let me let me go             |
|          | 14 | through and and I'll go through and tell you what is  |
| 01:40:22 | 15 | what.   |
|          | 16 | JUDGE JAMESON: If you identify it by address,         |
|          | 17 | author, and date, it won't make any difference what   |
|          | 18 | order we're in.                                       |
|          | 19 | MR. MANLY: Yeah. Just for the record, I can           |
| 01:40:33 | 20 | hear the witness talking to you.                      |
|          | 21 | JUDGE JAMESON: Good.                                  |
|          | 22 | MR. MANLY: And he said, "Should I mention the         |
|          | 23 | D.A.?" And you just said, "Get it in somewhere."      |
|          | 24 | MR. CALLAHAN: Get it in.                              |
| 01:40:39 | 25 | MR. MANLY: I don't want to hear that kind of          |

|          |    | Page 102  |
|----------|----|---|
| 01:40:40 | 1  | advice on the record, so I would ask you to please tone |
|          | 2  | it down,  |
|          | 3  | MR. CALLAHAN: I'll try to keep my voice down,           |
|          | 4  | but I think we should, in fairness to the witness,      |
| 01:40:48 | 5  | expand that previous answer. But                        |
|          | 6  | MR. MANLY: Well, that's fine.                           |
|          | 7  | MR. CALLAHAN: I'm sure we'll get it in                  |
|          | 8  | somewhere.  |
|          | 9  | MR. MANLY: Okay. So I have Exhibit the only             |
| 01:40:58 | 10 | thing I think that is incorrect in this packet what's   |
|          | 11 | that? Yeah. I know. I took that one out. So I took      |
|          | 12 | out okay. Exhibit F is a or page F is a duplicate       |
|          | 13 | of page B. So if you just pull F out of your packet.    |
|          | 14 | MR, CALLAHAN: I don't know which F is.                  |
| 01:41:35 | 15 | What's I guess can you give us the date, maybe, or      |
|          | 16 | MR. MANLY: Sure. It's July 11, 1997.                    |
|          | 17 | MR. CALLAHAN: Now, I haven't ABC'd these things         |
|          | 18 | yet because I think we're going to do that when you     |
|          | 19 | identify them.  |
| 01:41:58 | 20 | BY MR. MANLY:   |
|          | 21 | Q Okay. So, Bishop, can you tell me where you           |
|          | 22 | saw actually, let me show you a document that           |
|          | 23 | that's labeled D, and it's a September 29th, 1997,      |
|          | 24 | letter, from R. Patrick Gordon to                       |
| 01:42:22 | 25 | A What was the date again, please?                      |

|          |    | Page 103   |

| 01:42:24 | 1  | Q September 29th, 1997.                                  |
|          | 2  | A Yes.   |
|          | 3  | Q And it says, "Dear Mr. And I have                      |
|          | 4  | completed my investigation as part of our pastoral       |
| 01:42:31 | 5  | response to your July 3rd, 1997, letter.                 |
|          | 6  | "In regards to Father Brown, no records of               |
|          | 7  | inappropriate behavior have been found from the time of  |
|          | 8  | his ordination to the present day with the exceptions of |
|          | 9  | your statements in your July 1997 letter.                |
| 01:42:47 | 10 | "His life, as we know it, has been an                    |
|          | 11 | extremely public one and subject to scrutiny and         |
|          | 12 | investigation. We are confident that should there have   |
|          | 13 | been any other complaints similar in nature to your      |
|          | 14 | memory, they would have been discovered and addressed.   |
| 01:43:02 | 15 | "As far as as far as part of our                         |
|          | 16 | concern for your well-being and peace of mind, I would   |
|          | 17 | like to extend an invitation for you to come in and      |
|          | 18 | visit with me so I may review the results of my research |
|          | 19 | with you." And then he says "Please call me" and gives   |
| 01:43:16 | 20 | his phone number.  |
|          | 21 | Do you note he says "Father Brown"? Do you               |
|          | 22 | note that in the document? Did you look at it, sir?      |
|          | 23 | A Yes, I did. At the time that the alleged               |
|          | 24 | allegation occurred, I was Father Brown.                 |
| 01:43:30 | 25 | Q Well, I understand that. But at the time               |

|          |    | Page 104   |
|----------|----|--|
| 01:43:32 | 1  | this letter was written, you were Bishop Brown, correct? |
|          | 2  | A I was Bishop Brown when the letter was                 |
|          | 3  | written, yes. But I think my guess is for                |
|          | 4  | I was Father Brown.                                      |
| 01:43:43 | 5  | Q Okay. Do you know if anybody ever advised              |
|          | 6  | that you were the sitting bishop of Boise,               |
|          | 7  | Idaho?   |
|          | В  | A My understanding is that someone from the              |
|          | 9  | Diocese of Fresno told him that.                         |
| 01:43:56 | 10 | Q In or around 1997, as I understand it, the             |
|          | 11 | procedure in most diocese in that country was to remove  |
|          | 12 | a priest from ministry who was accused and have him      |
|          | 13 | evaluated by a psychologist. Is that accurate?           |
|          | 14 | A I don't think that was universally the case.           |
| 01:44:13 | 15 | Q You've heard of that practice before?                  |
|          | 16 | A I've heard of the practice in some places.             |
|          | 17 | Each again, I don't really know the context. That        |
|          | 18 | would have to be addressed to a specific case, I         |
|          | 19 | believe.   |
| 01:44:22 | 20 | Q Okay. Well, have you ever heard of a                   |
|          | 21 | situation in your time as bishop where the victim was    |
|          | 22 | evaluated by a psychologist besides this one upon the    |
|          | 23 | accusation?  |
|          | 24 | A I can't answer that question. I don't know.            |
| 01:44:38 | 25 | Q Well, you can only tell me what you know,              |

| 01:44:39 | 1                                       | Bishop, and that's all I'm asking.                       |
|          | 2                                       | A I'm not aware of a case where that was done.           |
|          | З                                       | Q Are you aware that that was done in this               |
|          | 4                                       | case?  |
| 01:44:46 | 5                                       | A I understand that from reading the                     |
|          | 6                                       | correspondence.  |
|          | 7                                       | Q Okay. Did anybody show you                             |
|          | 8                                       | psychological report?                                    |
|          | 9                                       | A No, I've not seen                                      |
| 01:44:55 | 10                                      | report.  |

|          | 13                                      | A I have no correspondence regarding the                 |
|          | 14                                      | matter.  |
| 01:45:00 | 15                                      | Q So did you want to work in what Mr. Callahan           |
|          | 16                                      | discussed with you about the D.A., Bishop, now?          |
|          | 17                                      | MR. CALLAHAN: Did you want to complete an answer         |
|          | 18                                      | you gave previously now?                                 |
|          | 19                                      | THE WITNESS: I'll be happy to, yes. This is              |
| 01:45:11 | 20                                      | regard to law enforcement, that Bishop Steinbock told me |
|          | 21                                      | sometime later that the district attorney from the Kern  |
|          | 22                                      | County had asked the bishop, Bishop Steinbock, to send   |
|          | 23                                      | him files of any priests who were accused of sexual      |
|          | 24                                      | molestation of minors in Kern County. And so the bishop  |
| 01:45:31 | 25                                      | told me he had sent my case down to the district         |

|          | 2  | BY MR. MANLY:   |
|          | 3  | Q So you've spoken to Bishop Steinbock about            |
|          | 4  | this matter since?                                      |
| 01:45:42 | 5  | A About the case going to the district                  |
|          | 6  | attorney?   |
|          | 7  | Q No. About this case, in general, about the            |
|          | 8  | accusation against you.                                 |
|          | 9  | A I spoke to Bishop Steinbock when the he               |
| 01:45:52 | 10 | knew about the matter of the publication in the "Orange |
|          | 11 | County Weekly," and that was my last conversation with  |
|          | 12 | Bishop Steinbock.                                       |
|          | 13 | Q What did you talk to him about?                       |
|          | 14 | A Well, simply, that I told him that this               |
| 01:46:06 | 15 | had been published and or was going to be published     |
|          | 16 | and that I believe the Diocese of Fresno prepared a     |
|          | 17 | press release.  |
|          | 18 | Q You believe they published a press release?           |
|          | 19 | A No. They prepared a press release.                    |
| 01:46:20 | 20 | Q What did the press release say?                       |
|          | 21 | A I don't I can provide a copy of that                  |
|          | 22 | later. But basically, the press release said that after |
|          | 23 | a thorough investigation, that they had found that the  |
|          | 24 | allegation was not credible.                            |
| 01:46:34 | 25 | Q What was not credible about it, as far as you         |

|          |    | Page 107   |
|----------|----|--|
| 01:46:36 | 1  | know, Bishop?  |
|          | 2  | A That I had never molested                            |
|          | З  | Q No, I'm sorry. I understand. And                     |
|          | 4  | respectfully, I recognize this must be difficult for   |
| 01:46:44 | 5  | you.   |
|          | 6  | A Yes.   |
|          | 7  | Q But what I'm asking is what what did they            |
|          | 8  | find not to be credible about the allegation? Do you   |
|          | 9  | know?  |
| 01:46:54 | 10 | A Well, I think what they said was that they           |
|          | 11 | found out that the allegation against me had no basis. |
|          | 12 | Q Well, I mean there must have been some               |
|          | 13 | factual basis upon which they made that conclusion?    |
|          | 14 | A They just said after a thorough investigation        |
| 01:47:10 | 15 | using their procedures. I don't think they gave        |
|          | 16 | details.   |
|          | 17 | Q Okay. Did you tell the bishop that you knew          |
|          | 18 |  |
|          | 19 | A Yes, I did.  |
| 01:47:19 | 20 | Q Okay. And you knew his family?                       |
|          | 21 | A I only remember his mother.                          |
|          | 22 | Q Okay. And do you know where he alleges               |
|          | 23 | you do you know where he says you allegedly abused     |
|          | 24 | him?   |
| 01:47:32 | 25 | A It was my understanding was on the church            |

|          |    | Page 108   |
|----------|----|--|
| 01:47:36 | 1  | grounds.   |
|          | 2  | Q How do you know that?                                  |
|          | 3  | A Because in the letter I just looked at, he             |
|          | 4  | said he was abused in during confession. And earlier     |
| 01:47:46 | 5  | I had been told that he alleged that he was abused by me |
|          | 6  | during the time he was coming to catechism classes.      |
|          | 7  | Q Okay. Did you teach catechism?                         |
|          | 8  | A No, I did not. I might have taught a class             |
|          | 9  | off and on.  |
| 01:48:05 | 10 | Q Okay.  |
|          | 11 | MR. CALLAHAN: I'm sorry. I couldn't understand           |
|          | 12 | the last   |
|          | 13 | THE WITNESS: I may have taught a class off and           |
|          | 14 | on, but I was not a regular teacher.                     |
| 01:48:11 | 15 | BY MR. MANLY:  |
|          | 16 | Q Okay. Did you hear his confession well,                |
|          | 17 | you can't answer that. Never mind.                       |
|          | 18 | Did did Bishop Steinbock at the time of                  |
|          | 19 | the allegation and I recognize it may be difficult to    |
| 01:48:22 | 20 | separate this out. But did Bishop Steinbock ever tell    |
|          | 21 | you at the time what he specifically alleged you did?    |
|          | 22 | A No, not the details.                                   |
|          | 23 | MR. CALLAHAN: And I would ask you, Bishop, to            |
|          | 24 | pause briefly because somewhere along the line here I'm  |
| 01:48:46 | 25 | going to put in an objection that we've been beating     |
|          |    |  |

|          |    | Page 109   |
|----------|----|--|
| 01:48:48 | 1  | this to death. But pause slightly, if you can, before    |
|          | 2  | answering so that if I want to object, I have a second   |
|          | 3  | to get in there.   |
|          | 4  | BY MR. MANLY:  |
| 01:48:58 | 5  | Q So did the L.A. Archdiocese did Cardinal               |
|          | 6  | Mahoney do any investigation?                            |
|          | 7  | A I do not know.   |
|          | 8  | Q Okay. And Bishop Steinbock was for a period            |
|          | 9  | of time the Ordinary of the Diocese of Orange, correct?  |
| 01:49:12 | 10 | A Bishop Steinbock was the administrator for a           |
|          | 11 | period of time between Bishop Johnson's death and Bishop |
|          | 12 | McFarland's arrival.                                     |
|          | 13 | Q Okay. He functioned as the effective                   |
|          | 14 | effectively, the bishop, correct?                        |
| 01:49:24 | 15 | A That is correct.                                       |
|          | 16 | Q Do you have any idea why would make                    |
|          | 17 | up such a thing?   |
|          | 18 | MR. CALLAHAN: Objection; that misstates                  |
|          | 19 | that's an argumentative question regarding "make up."    |
| 01:49:42 | 20 | JUDGE JAMESON: Sustained.                                |
|          | 21 | BY MR. MANLY:  |
|          | 22 | Q Do you have any information or has anybody             |
|          | 23 | provided you information as to what might motivate       |
|          | 24 | somebody to make up an allegation such as this?          |
| 01:49:49 | 25 | MR. CALLAHAN: Calls for speculation.                     |
|          |    |  |

| 01:49:50 | 1  | JUDGE JAMESON: Overruled.                             |
|          | 2  | THE WITNESS: I answer the question?                   |
|          | 3  | MR. CALLAHAN: Yes. If he says "overruled," then       |
|          | 4  | answer it.  |
| 01:50:00 | 5  | THE WITNESS: I consulted a clinical psychologist      |
|          | 6  | explaining the situation, asking him how could this   |
|          | 7  | happen, and he explained to me what oftentimes does   |
|          | 8  | happen. And so at least it gave me some understanding |
|          | 9  | of what may have happened.                            |
| 01:50:16 | 10 | BY MR. MANLY:   |
|          | 11 | Q Who was that?                                       |
|          | 12 | MR. CALLAHAN: Wait.                                   |
|          | 13 | JUDGE JAMESON: Excuse me. I think the question        |
|          | 14 | pertains to the motive of the individual here. We can |
| 01:50:25 | 15 | get into esoteric psychological reasons why somebody  |
|          | 16 | would do that.  |
|          | 17 | But could the boy have mistaken another               |
|          | 18 | priest for you, did the family did you have contact   |
|          | 19 | with the family and there would be some inducement,   |
| 01:50:40 | 20 | anything about the logistics and environment in       |
|          | 21 | Bakersfield that you can find a motive for?           |
|          | 22 | MR. CALLAHAN: Answer the judge's question.            |
|          | 23 | THE WITNESS: Oh, I'm sorry. I never visited the       |
|          | 24 | family. My only contact with the family was           |
| 01:50:59 | 25 | when he came for catechism, and his mother would as I |

|          |    | Page 111   |

| 01:51:03 | 1  | recall, oftentimes pick him up.                          |
|          | 2  | BY MR. MANLY:  |
|          | 3  | Q Okay. Did you ever contact the NCCB about              |
|          | 4  | this allegation?   |
| 01:51:13 | 5  | A No, I did not.   |
|          | б  | Q So other than what you told the judge, you             |
|          | 7  | just don't have any information as to why he would make  |
|          | 8  | this up, if he made well, let me let me be fair.         |
|          | 9  | I have no idea, Bishop, whether you did this             |
| 01:51:33 | 10 | or not, and I'm not accusing you of it. I just want to   |
|          | 11 | know why it wasn't disclosed. That's the purpose of my   |
|          | 12 | questions.   |
|          | 13 | So my question is is that you were alone                 |
|          | 14 | with him or well, you had contact with him, anyway,      |
| 01:51:46 | 15 | you know the family, and he made this allegation.        |
|          | 16 | Did you ever consider at any point, given                |
|          | 17 | those facts, making a public disclosure so if it came    |
|          | 18 | out, it wouldn't look like you were hiding something?    |
|          | 19 | MR. CALLAHAN: Objection. That question, as               |
| 01:52:02 | 20 | asked, contains a number of elements, including contact, |
|          | 21 | being alone. Some of those things were dropped and the   |
|          | 22 | question was changed, and I'd like to have a nice clean  |
|          | 23 | question so I can decide whether I need to object or     |
|          | 24 | not.   |
| 01:52:15 | 25 | JUDGE JAMESON: Sustained.                                |

|          | 2  | Q Okay. Bishop, did you ever consider                    |
|          | 3  | making you know, given that you've asserted your         |
|          | 4  | innocence and given that you say that Baker or           |
| 01:52:24 | 5  | Fresno did an investigation, did you ever consider       |
|          | 6  | simply making this allegation public a la Cardinal       |
|          | 7  | Mahoney so if it ever came out, you wouldn't look like   |
|          | В  | you were trying to hide something?                       |
|          | 9  | A No, I never made a decision to divulge the             |
| 01:52:43 | 10   | allegation.  |
|          | 11   | Q Why?   |
|          | 12   | A Because it was very embarrassing, and very             |
|          | 13   | painful. And to be very honest, I think that kind of an  |
|          | 14   | allegation is difficult to deal with regardless of how   |
| 01:52:59 | 15   | innocent a person may be.                                |
|          | 16   | Q Can you see where in 2004 you settled a bunch          |
|          | 17   | of cases and met with 90 victims, at least many of them, |
|          | 18   | and you wrote letters of apology to them. Were you at    |
|          | 19   | all concerned when you did that that if this allegation  |
| 01:53:17 | 20   | came out, it might do tremendous harm to them?           |
|          | 21   | MR. CALLAHAN: Objection, Your Honor. It calls            |
|          | 22   | for speculation.   |
|          | 23   | JUDGE JAMESON: Sustained.                                |

|          | 3  | A Yes, I did.   |
|          | 4  | Q When?   |
| 01:53:42 | 5  | A When I came to the diocese when I I                 |
|          | 6  | don't recall exactly when.                            |
|          | 7  | Q Well, can you give me your best estimate?           |
|          | 8  | A I think let me think for a second about             |
|          | 9  | that. Some years ago.                                 |
| 01:54:11 | 10 | Q When you arrived at the Diocese of Orange,          |

| 01:54:25 | 15 | MR. CALLAHAN: Objection. It calls for                 |
|          | 16 | speculation and recreation of assumes there is some   |

|          | 3  | the Diocese of Orange, priest, religious, or layperson?  |
|          | 4  | A I can't speak about laypeople. But                     |
| 01:55:11 | 5  | obviously, with regard to clergy, they would not be      |

|          | 9  | A Oh.  |
| 01:55:19 | 10 | Q I said was there any policy in effect in the           |
|          | 11 | Diocese of Orange that prevented people who had molested |
|          | 12 | children from working in the Diocese of Orange, whether  |
|          | 13 | that person be a priest, religious, or layperson.        |
|          | 14 | A I know that priests would not be allowed to            |
| 01:55:37 | 15 | minister in the Diocese of Orange if they were had a     |
|          | 16 | history of child molestation. I'm not sure what the      |

|          | 18 | they would not be allowed to work in the diocese.        |

|          | 3  | MR. CALLAHAN: I would object unless there's some        |
|          | 4  | specificity of what's meant by a "vendor."              |
| 01:56:34 | 5  | MR. MANLY: Somebody who worked with children.           |
|          | 6  | MR. CALLAHAN: So if somebody works with children        |

In other words, they made sure they 0 02:05:00 10 didn't say anything outlandish, inappropriate, or 11 inconsistent with the way the diocese did business, 12 right? 13 MR. CALLAHAN: Objection. Argumentative as to 14 what "vetted" means. We don't -- most of the people, we 02:05:09 15 can't control what they might say. 16 JUDGE JAMESON: Sustained. 17 MR. MANLY: I didn't say "vetted." The 22 bishop did. 23 MR. CALLAHAN: The objection is not the word 24 "vetted." The -- he says, "Did you check with 02:05:25 25 speakers?"

| 02:05:32 | 5  | say. If there's a specific question about it, that's     |
|          | 6  | one thing. But I think the question, as posed, was       |
|          | 7  | objectionable.   |
|          | 8  | BY MR. MANLY:  |
|          | 9  | Q Okay. Well, how did you vet the speakers?              |
| 02:05:44 | 10 | A Well, ordinarily, someone would check on               |
|          | 11 | where the person has spoken, other locations, and        |
|          | 12 | seen if they came from a particular diocese, you         |

|          | 16 | Q Based upon what you know about that time               |

| 02:09:58 | l  | Q Okay. Would you permit a diocesan agency to           |
|          | 2  | espouse such a view?                                    |
|          | 3  | A No, I would not.                                      |
|          | 4  | Q Why?  |
| 02:10:10 | 5  | A Because I think adults are the primary                |
|          | 6  | responsible agent in any kind of misconduct with        |
|          | 7  | vulnerable people.                                      |
|          | 8  | Q And you would agree that adolescents, 15-,            |
|          | 9  | 16-, 17-year-olds, fall in the vulnerable category?     |
| 02:10:32 | 10 | A Yes.  |
|          | 11 | MR. CALLAHAN: Objection. That's a very large            |
|          | 12 | class, 15-, 16-, 17-year-old adolescents. It's going to |
|          | 13 | vary from individual to individual. And we haven't seen |
|          | 14 | a foundation, so it's lacking foundation                |
| 02:10:41 | 15 | MR. MANLY: He just answered the question. He            |
|          | 16 | said "yes."   |
|          | 17 | MR. CALLAHAN: Let me just finish.                       |
|          | 18 | that all all people are going to fit                    |
|          | 19 | into a particular category.                             |
| 02:10:50 | 20 | JUDGE JAMESON: Well, we got an answer. Let's go         |
|          | 21 | forward.  |
|          | 22 | MR. CALLAHAN: Okay.                                     |

|          | 24 | Q Bishop, when is the first time you are aware          |
| 02:11:05 | 25 | of the diocese adopted a zero tolerance policy on       |

|          |    | Page 123   |

| 02:11:10 | 1  | allowing people to work in the Diocese of Orange who   |
|          | 2  | were known to be sex abusers?                          |
|          | 3  | MR. CALLAHAN: Objection; no foundation of any          |
|          | 4  | zero tolerance policy that's been adopted on anything. |
| 02:11:22 | 5  | JUDGE JAMESON: Sustained.                              |
|          | 6  | BY MR. MANLY:  |
|          | 7  | Q Bishop, is there a zero tolerance policy in          |
|          | 8  | the diocese preventing credibly accused abusers from   |
|          | 9  | working?   |
| 02:11:31 | 10 | A Yes, there is.                                       |
|          | 11 | Q Okay. And when was that adopted?                     |
|          | 12 | A That was adopted, I believe, in the early            |
|          | 13 | early part of this decade.                             |
|          | 14 | Q And was that as a result of the DiMaria              |
| 02:11:37 | 15 | settlement?  |
|          | 16 | A I think that was one of the factors involved         |
|          | 17 | in that policy.  |
|          | 18 | Q So prior to that time, there was no zero             |
|          | 19 | tolerance policy on that; is that correct?             |
| 02:11:46 | 20 | A That I believe that's correct.                       |
|          | 21 | Q Bishop, did you ever get the opportunity to          |
|          | 22 | look at the secret archive files on employees in the   |
|          | 23 | chancery office during the transition period?          |
|          | 24 | MR. CALLAHAN: Objection; assumes that there are        |
| 02:12:06 | 25 | secret archive files regarding employees, period.      |

| 02:12:11 | 1  | JUDGE JAMESON: Sustained.                            |
|          | 2  | BY MR. MANLY:  |
|          | 3  | Q Do you have files that are sometimes called        |
|          | 4  | the secret archives of the Diocese of Orange?        |
| 02:12:16 | 5  | A No. We don't have any files called secret          |
|          | 6  | archives.  |
|          | 7  | Q Does Canon Law make reference to something         |
|          | 8  | called a secret archive?                             |
|          | 9  | A I believe it does.                                 |
| 02:12:25 | 10 | Q Okay. Do you have something like that there?       |
|          | 11 | A We have files that are kept under lock and         |
|          | 12 | key.   |
|          | 13 | Q Okay. And are is that where the abuse              |
|          | 14 | records are kept?                                    |
| 02:12:38 | 15 | A I presume so.                                      |
|          | 16 | Q Haven't you looked?                                |
|          | 17 | A I have had no reason to look at those files.       |
|          | 18 | Q So your sworn testimony here today is at no        |
|          | 19 | point have you ever looked at the abuse files in the |
| 02:12:53 | 20 | Diocese of Orange; is that correct?                  |
|          | 21 | A I I can't say I've never looked at abuse           |
|          | 22 | files, but I haven't if a file was brought to me     |
|          | 23 | regarding that issue, yeah, of course I saw it.      |
|          | 24 | Q Okay. So I'm sorry. Were you done, Your            |
| 02:13:08 | 25 | Excellency? Forgive me. Were you done, Bishop?       |

|          |     | Page 125   |
|----------|-----|--|
| 02:13:11 | 1   | A Yes.   |
|          | 2   | Q Okay. Have you have you ever of your own               |
|          | 3   | volition gone to the files and reviewed them yourself?   |
|          | 4   | A No, I have not.  |
| 02:13:22 | 5   | Q Why not?   |
|          | 6   | A I would not do that unless I had a reason to           |
|          | 7   | do it.   |
|          | 8   | Q Well, would how about 90 lawsuits? Would               |
|          | 9   | that be a good reason?                                   |
| 02:13:30 | 1.0 | A The the files have been examined by our                |
|          | 11  | diocesan attorneys, as well as other diocesan personnel. |
|          | 12  | So I did not have to look at them.                       |
|          | 13  | Q So you left it to your lawyers to look at the          |
|          | 14  | files?   |
| 02:13:48 | 15  | A I left it to my staff and my attorneys, the            |
|          | 16  | diocesan attorneys.                                      |
|          | 17  | Q So you left it to your staff and to your               |
|          | 18  | lawyers to look at the files regarding abuse; is that    |
|          | 19  | accurate?  |
| 02:14:00 | 20  | A I think that's accurate, yes.                          |
|          | 21  | Q Where is your personnel file, Excellency               |
|          | 22  | I'm sorry Bishop?  |
|          | 23  | A I presume my personnel file is with all the            |
|          | 24  | other personnel files in the pastoral center.            |
| 02:14:15 | 25  | Q Okay. Were you aware in 2001, during the               |

|          | 12 | MR. CALLAHAN: Objection to the form of the               |

|          | 14 | the transition period does not make it subject to        |

|          | 16 | JUDGE JAMESON: Well, why don't you rephrase it.          |
|          | 17 | BY MR. MANLY:  |
|          | 18 | Q Was there a policy that you became aware of            |
|          | 19 | during that transition period between Bishop McFarland   |
| 02:15:08 | 20 | and yourself that there was a policy in existence at the |

|          | 23 | A No. I am not aware of any policy.                      |
|          | 24 | Q Bishop, did you conspire with Monsignor Urell          |

|          | 3  | Q Okay. When did you first become aware that             |
|          | 4  | there were people working for you who had credible       |
| 02:15:46 | 5  | allegations of child molestation against them?           |
|          | 6  | MR. CALLAHAN: Your Honor, that's a classic "When         |

| 02:16:05 | 15 | A Yes, there have been.                                  |

| 02:16:34 | 1  | A I think when Bishop McFarland spoke of it             |
|          | 2  | during the transition.                                  |
|          | 3  | Q And you took no action at that time to remove         |
|          | 4  | them, did you?  |
| 02:16:42 | 5  | A One person had already been removed, and the          |
|          | 6  | other person I simply a decision made by Bishop         |
|          | 7  | McFarland to continue on.                               |
|          | 8  | Q So my statement is correct. You took no               |
|          | 9  | action against the first person you found out about who |
| 02:16:59 | 10 | was a molester to remove him, did you?                  |
|          | 11 | A No. The first person I found out about had            |
|          | 12 | already been removed.                                   |
|          | 13 | Q All right. But the other person we're                 |
|          | 14 | talking about is Father Lenahan, is it not?             |
| 02:17:10 | 15 | A That's correct.                                       |
|          | 16 | Q Okay. You let Father Lenahan stay in a                |
|          | 17 | parish for, what, four or five years?                   |
|          | 18 | A I don't recall the exact time element.                |
|          | 19 | Q Did you know the parish he was working in had         |
| 02:17:22 | 20 | a school?   |
|          | 21 | A Yes, I did.   |
|          | 22 | Q Did you know that he was involved in the              |
|          | 23 | founding of a high school in South Orange County?       |
|          | 24 | A No, I was not.  |
| 02:17:32 | 25 | Q You never learned that Father Lenahan was             |

| 02:17:34 | 1  | involved in founding Junipero Serra High School; is that |
|          | 2  | correct?   |
|          | 3  | A Oh, I think that he might have been                    |
|          | 4  | consulted. I'm just not quite sure. I think there was    |
| 02:17:43 | 5  | some some support from him for that project.             |
|          | 6  | Q Were you ever photographed with Father                 |

| 02:17:59 | 10 | Q Did it ever occur to you, Bishop, during that          |
|          | 11 | transition period it might not be a good idea to let     |

|          | 22 | Q Okay. Did you think it was a good idea,                |
|          | 23 | Bishop, to let somebody who had molested a 15-year-old   |
|          | 24 | girl to remain in a parish that had a school?            |
| 02:18:36 | 25 | A I relied on the judgment of Bishop McFarland,          |

|          |    | Page 130   |
|----------|----|--|
| 02:18:39 | 1  | who knew all the particulars of the case and the         |
|          | 2  | circumstances, which I did not.                          |
|          | 3  | Q Can you think of a circumstance where it               |
|          | 4  | would be appropriate, whether in 1998 or whenever, in    |
| 02:18:51 | 5  | your lifetime, to allow someone who had molested a       |
|          | 6  | 15-year-old girl to remain in that in a position in      |
|          | 7  | charge of a school?                                      |
|          | 8  | A I think earlier on with regard to molestation          |
|          | 9  | cases, that a lot of bishops, including myself, were not |
| 02:19:10 | 10 | fully aware of the seriousness of the problem in terms   |
|          | 11 | of putting other people at risk.                         |
|          | 12 | This, of course, all changed during these                |
|          | 13 | past few years, and we've become much better educated    |
|          | 14 | and aware of the situation. So I think that I relied,    |
| 02:19:27 | 15 | as I said, on my predecessor's judgment.                 |
|          | 16 | Q Did Brother William Carriere or anyone else            |
|          | 17 | at the Superintendent of Schools office ever tell you or |
|          | 18 | discuss with you the Andrade matter?                     |
|          | 19 | A I'm not aware of that.                                 |
| 02:19:42 | 20 | Q How many molesters are you aware of that have          |
|          | 21 | molested at Mater Dei High School since you became       |
|          | 22 | bishop?  |
|          | 23 | A I'm only aware of the Andrade case.                    |
|          | 24 | Q Would you expect, given that you are the               |
| 02:19:59 | 25 | bishop of Orange that if there was a molestation         |

|          | 2  | MR. CALLAHAN: Objection. It's too vague as              |
|          | 3  | asked.  |
|          | 4  | MR. MANLY: Let me let me rephrase it.                   |

|          | 9  | MR. CALLAHAN: That Your Honor, that assumes             |

|          | 17 | THE WITNESS: I would expect that if there was an        |
|          | 18 | accusation made against one of the teachers, that       |
|          | 19 | information would be shared with me.                    |

Α 7 Q How many allegations of sexual misconduct В with minors are you aware of that occurred at other 9 Catholic high schools in the diocese besides Mater Dei 02:22:02 10 since you became bishop? 11 MR. |          | 3  | limit it to that, if you'd like.                        |
|          | 4  | JUDGE JAMESON: Well, and you've explored that           |
| 02:22:44 | 5  | with a lot of people. And with respect to the bishop, I |

|          | 4  | Q Which ones?  |
| 02:24:30 | 5  | A Well, for example, I can't think of them all.          |
|          | 6  | I think all of the ones that any anything that's         |
|          | 7  | public in terms of priests being accused of misconduct   |
|          | 8  | in the area and being put on leave or whatever the case  |

|          | 13 | A No, I have not.  |
|          | 14 | Q Did you know Monsignor Richard Loomis?                 |

| 02:25:32 | 5  | And I don't think Loomis and Los Angeles are             |

|          | 7  | witness.   |
|          | 8  | JUDGE JAMESON: I tend to agree, Mr. Manly.               |
|          | 9  | Where are we going?                                      |
| 02:25:41 | 10 | MR. MANLY: Monsignor Loomis was in the same              |
|          | 11 | position as Monsignor Urell, Your Honor, and Monsignor   |
|          | 12 | Loomis has now been removed for credible allegations of  |
|          | 13 | abuse.   |
|          | 14 | And the the significance is that Monsignor               |
| 02:25:53 | 15 | Loomis and Monsignor Urell worked together in the time   |
|          | 16 | frame precise time frame at issue in this case on not    |
|          | 17 | only the Harris case, but others, as well. Because       |
|          | 18 | there was an overlap between the Archdiocese of L.A. and |
|          | 19 | the Diocese of Orange.                                   |
| 02:26:08 | 20 | MR. CALLAHAN: Absolutely no connection, although         |

|          | 24 | MR. CALLAHAN: I'm going to talk only to the              |

| 02:26:17 | 1  | JUDGE JAMESON: You don't need to talk to the             |
|          | 2  | judge because I just don't see the how that relates      |
|          | 3  | to this case here so the objection's sustained.          |

|          | 6  | Urell about his handling of abuse allegations?           |

|          | 8  | came up during my time, we've always discussed those, of |

|          | 16 | Q Why not?   |

|          | 6  | JUDGE JAMESON: I don't think it didn't sound            |

|          | В  | Mr. Callahan, either object or not. You said            |

|          | 13 | MR. CALLAHAN: I promise not to do that, Your            |

|          | 22 | MR. MANLY: You know what I mean. I don't know            |

| 02:29:07 | 1  | MR. MANLY: I don't want to talk to you.                |
|          | 2  | JUDGE JAMESON: Hey.                                    |
|          | 3  | MR. MANLY: Let me talk to you, Your Honor. I           |
|          | 4  | don't know the bureaucratic names.                     |
| 02:29:12 | 5  | JUDGE JAMESON: Well, why don't you ask a couple        |
|          | 6  | foundational questions, then. Because out of the blue, |
|          | 7  | that   |
|          | 8  | MR. MANLY: How many sorry, Your Honor.                 |
|          | 9  | BY MR. MANLY:  |
| 02:29:20 | 10 | Q How many sexual misconduct committees does           |
|          | 11 | the diocese have?                                      |
|          | 12 | A There was a sensitive claims committee when I        |
|          | 13 | first came, and that later was replaced by the sexual  |
|          | 14 | misconduct oversight review board.                     |
| 02:29:35 | 15 | Q So which one did                                     |
|          | 16 | MR. CALLAHAN: Objection; assumes she served on         |
|          | 17 | either one.  |
|          | 18 | JUDGE JAMESON: Ask if she served on one.               |
|          | 19 | BY MR. MANLY:  |
| 02:29:44 | 20 | Q Did she serve on one?                                |
|          | 21 | A I believe she served on the first on the             |
|          | 22 | sensitive claims committee.                            |
|          | 23 | Q Okay. And was she a victim of abuse?                 |
|          | 24 | A I understand she was.                                |
| 02:29:54 | 25 | Q Okay. And you appointed her?                         |

|          |    | Page 140   |
|----------|----|--|
| 02:29:56 | 1  | A Yes, I did.  |
|          | 2  | Q And did she resign?                                    |
|          | 3  | A She did resign.  |
| r        | 4  | Q Why did she resign?                                    |
| 02:30:04 | 5  | A I'm not quite sure why she resigned. She was           |
|          | 6  | unhappy with something with regard to the board, and she |
|          | 7  | resigned. But I can't give you the particular reason.    |
|          | 8  | Q Have you ever accused her publicly of making           |
|          | 9  | false and misleading claims?                             |
| 02:30:19 | 10 | A I don't recall doing that.                             |
|          | 11 | Q And how about <b>Republic the two</b> Which of the two |
|          | 12 | committees was he on?                                    |
|          | 13 | A was also on that same committee.                       |
|          | 14 | I believe that's correct.                                |
| 02:30:35 | 15 | Q And why did he resign?                                 |
|          | 16 | A My recollection is when he came to see me,             |
|          | 17 | that he just felt that being on the committee was a      |
|          | 18 | great emotional strain for him, that he was it was       |
|          | 19 | just making everything making him relive his whole       |
| 02:30:54 | 20 | make him relive his abuse experience.                    |
| ]        | 21 | Q Did he ever tell you that one of the reasons           |
|          | 22 | he was resigning is because Monsignor McKiernan would    |
|          | 23 | show or Father McKiernan would show at the meetings      |
|          | 24 | drunk?   |
| 02:31:08 | 25 | A No, he did not.  |

|          |    | Page 141  |
|----------|----|---|
| 02:31:09 | 1  | Q Your sworn testimony is that never occurred?          |
|          | 2  | A He never told me that, and I was never aware          |
|          | 3  | of that.  |
|          | 4  | Q I don't mean whether or not Monsignor                 |
| 02:31:18 | 5  | McKiernan was drunk. I mean is it Father or             |
|          | 6  | Monsignor, Bishop?                                      |
|          | 7  | A Father. Father. Father.                               |
|          | 8  | Q Okay. My question, and I apologize because            |
|          | 9  | it was confusing.                                       |
| 02:31:27 | 10 | My question I want to be very clear about               |
|          | 11 | this. Did Mr. Generated ever tell you that he felt that |
|          | 12 | Monsignor sorry that Father McKiernan was coming        |
|          | 13 | to the sexual review meetings in a in an intoxicated    |
|          | 14 | state?  |
| 02:31:40 | 15 | A I do not recall that.                                 |
|          | 16 | Q Does that mean it didn't happen or you just           |
|          | 17 | forgot?   |
|          | 18 | A I don't I don't think it happened.                    |
|          | 19 | Q Was Father McKiernan living with you at that          |
| 02:31:52 | 20 | time?   |
|          | 21 | A Yes, he was.  |
|          | 22 | Q Did you ever discuss the sexual abuse cases           |
|          | 23 | with him?   |
|          | 24 | A Yes, we did discuss them sometimes.                   |
| 02:32:01 | 25 | Q And do you recall anything you said?                  |

|          |    | Page 142   |
|----------|----|--|
| 02:32:03 | 1  | A No, I do not.  |
|          | 2  | Q How long did you live with Father McKiernan?           |
|          | З  | A We were together about about roughly seven             |
|          | 4  | years.   |
| 02:32:24 | 5  | MR. MANLY: Okay. Can we take a short break?              |
|          | 6  | I'm going to try to wrap up.                             |

|          | 14 | Q Bishop, when you got to the diocese, did you           |
| 02:34:52 | 15 | learn that the diocese had something that is called      |
|          | 16 | particular law, also known as local statutes?            |
|          | 17 | A I I don't recall.                                      |
|          | 18 | Q When you arrived at the diocese, did you               |
|          | 19 | learn or hear from any source that there was any policy  |
| 02:35:11 | 20 | against teachers spending the night alone with children? |
|          | 21 | A I'm not I'm not aware of a policy, but                 |
|          | 22 | I  |
|          | 23 | Q At any point, have you changed the local               |
|          | 24 | statutes of the diocese?                                 |
| 02:35:27 | 25 | A Yes, I have.   |
|          |    |  |

|          |    | Page 143   |
|----------|----|--|
| 02:35:28 | 1  | Q When did that occur?                                   |
|          | 2  | A That occurred, I think, around the time                |
|          | 3  | around 2000 at the time of the charter. Possibly         |
|          | 4  | before that.   |
| 02:35:41 | 5  | Q Okay, In or around June of 2002?                       |
|          | 6  | A I think so. Maybe might have been earlier              |
|          | 7  | than that. I think, actually, the policy I'm thinking    |
|          | 8  | of was put into effect shortly after the DiMaria suit.   |
|          | 9  | Q What policy was that?                                  |
| 02:35:55 | 10 | A Well, it was with regard to the the policy             |
|          | 11 | dealt only with the clergy that I'm thinking of right    |
|          | 12 | now and that the clergy were not to be in the company of |
|          | 13 | any person under 18 alone.                               |
|          | 14 | Q Bishop, when you arrived at the diocese                |
| 02:36:13 | 15 | and/or later, did you learn there was a custom and       |
|          | 16 | practice in the Diocese of Orange to use lawyers to      |
|          | 17 | shield members of the hierarchy from information or      |
|          | 18 | liability regarding sexual abuse?                        |
|          | 19 | A No.  |
| 02:36:28 | 20 | Q So that's never happened?                              |
|          | 21 | A I'm not aware of that.                                 |
|          | 22 | Q Did the policy you put in place in 2001 apply          |
|          | 23 | to nonclergy personnel or all diocesan employees?        |
|          | 24 | A The policy I put into effect I think dealt             |
| 02:36:54 | 25 | only with the clergy.                                    |

|          | 2  | abuse against its employees?                             |
|          | 3  | MR. CALLAHAN: Objection, Your Honor. I think             |
|          | 4  | that goes beyond the four areas that this witness has    |
| 02:37:11 | 5  | been   |
|          | 6  | JUDGE JAMESON: Yeah. And I it's a loaded                 |
|          | 7  | kind of like "Do you still beat your wife" question.     |
|          | 8  | You can ask about if it has been disclosed.              |
|          | 9  | BY MR. MANLY:  |

|          | 12 | against people who work for you at the Diocese of Orange |
|          | 13 | that you have not disclosed?                             |
|          | 14 | A I'm not aware of any, credible accusations.            |
| 02:37:32 | 15 | Q Well, that's not what I'm asking.                      |
|          | 16 | A Oh.  |
|          | 17 | Q Thank you for making the distinction. I                |
|          | 18 | appreciate it, Bishop.                                   |
|          | 19 | I'm asking are you aware of any allegations              |
| 02:37:41 | 20 | against people who work for you at the Diocese of Orange |
|          | 21 | who have been accused of who have let me rephrase        |

| 02:37:55 | 1  | A Oh.  |
|          | 2  | MR. CALLAHAN: Objection. I don't find that in            |
|          | 3  | the four areas of legitimate inquiry of this witness.    |
|          | 4  | JUDGE JAMESON: Well, I'm going to allow the              |
| 02:38:07 | 5  | question. But answer it very directly, Bishop, because   |
|          | 6  | subsequent questions may well go outside the parameters  |
|          | 7  | that I've set forth. So I'm going to allow the answer,   |
|          | 8  | but we'll deal with it question by question from this    |
|          | 9  | point on.  |
| 02:38:28 | 10 | MR. CALLAHAN: Could we have the question read            |
|          | 11 | back, then, to make sure that the witness has it in      |
|          | 12 | mind?  |
|          | 13 | THE REPORTER: "Question: I'm asking are you              |

| 02:38:59 | 20 | THE WITNESS: I'm only aware of any credible              |

|          | 22 | MR. MANLY: Can I have the answer read back,              |

| 02:39:21 | 1  | Q Okay. Let me let me be clear. I want to                |
|          | 2  | know are there are there people that have come           |
|          | 3  | forward and said "This person molested me" that the      |
|          | 4  | Diocese of Orange is aware of that you have not          |
| 02:39:33 | 5  | disclosed publicly, whether you believe they're credible |
|          | 6  | or not?  |
|          | 7  | MR. CALLAHAN: Objection, Your Honor. This calls          |
|          | 8  | now for rumor, you know, speculation, everything else.   |
|          | 9  | And I don't think that rumors and speculation should     |
| 02:39:49 | 10 | wind up in a transcript and then wind up in public.      |
|          | 11 | MR. FINALDI: Rumors are the exact allegations in         |
|          | 12 | the complaint. There were rumors all over the school     |
|          | 13 | about this person, and that's what we've been dealing    |
|          | 14 | with.  |
| 02:40:00 | 15 | MR. MANLY: I asked about accusations, not                |
|          | 16 | rumors. So let's just have the if I could, just get      |
|          | 17 | the answer to the question.                              |
|          | 18 | MR. CALLAHAN: Well, there's I think there's a            |
|          | 19 | danger here, and that's why I raised the question.       |
| 02:40:10 | 20 | JUDGE JAMESON: There is a danger here, and I'm           |
|          | 21 | concerned about it. But let me have the question back.   |
|          | 22 | THE REPORTER: "Question: I want to know are              |

|          | 2  | JUDGE JAMESON: Let's answer that "yes" or "no,"          |
|          | 3  | please.  |
|          | 4  | THE WITNESS: I'm not aware.                              |
| 02:40:48 | 5  | BY MR. MANLY:  |
|          | 6  | Q You don't know one way or the other?                   |
|          | 7  | A I know about credible accusations. I don't             |
|          | в  | know about the others.                                   |
|          | 9  | Q Okay. Are you aware whether there are other            |
| 02:41:00 | 10 | allegations well, wait a minute.                         |
|          | 11 | Who determines at the Diocese of Orange                  |
|          | 12 | whether allegations are credible or not?                 |
|          | 13 | A Usually it's the sexual misconduct oversight           |
|          | 14 | review board.  |
| 02:41:13 | 15 | Q Okay. So is what you're I want to be                   |
|          | 16 | clear. Are you telling me, Bishop, that there may be 20  |
|          | 17 | other allegations that the board deems not credible that |
|          | 18 | you may not know about?                                  |
|          | 19 | MR. CALLAHAN: Objection, Your Honor. The                 |
| 02:41:30 | 20 | question "Do you know about things that you don't know   |
|          | 21 | about" is argumentative.                                 |
|          | 22 | MR. MANLY: Well, I'm not trying to ask that.             |
|          | 23 | I'm just trying to figure out are are there is           |
|          | 24 | it are there other allegations I mean do let me          |
| 02:41:42 | 25 | ask it a different way.                                  |
|          |    |  |

Page 148 02:41:42 1 BY MR. MANLY: 2 Is it your directive to the board only to 0 send allegations they believe are credible to you? З No. All accusations that come to the diocese Δ Δ 02:41:54 5 are given to the board. And the board makes that 6 further determination, and I receive their 7 recommendation. Okay. Do you get the accusations, as well, 8 0 9 or only the board's recommendations? 02:42:08 10 No. I get the -- I'm told about the Ά 11 accusation. 12 Okay. So are you aware, as you sit here 0 13 today, of allegations of sexual abuse against a diocesan 14 personnel, priest, religious, or layperson, that have 02:42:22 15 not been disclosed publicly? 16 Ά As I sit here right now, there may be some 17 accusations. I can't think of any specifically which 18 were determined not to be credible, but I can't think of 19 anything right now myself. 02:42:37 20 Is every allegation that comes to the diocese 0 21 reported to the police? 22 MR. CALLAHAN: Objection, Your Honor. Because 23 that calls for speculation as to what would constitute 24 an allegation that -- so I'm going to object to the form 02:42:58 of the question. It's a loaded question. 25

| 02:43:00 | 1  | JUDGE JAMESON: Well, it doesn't help much. I             |
|          | 2  | mean some things aren't may be inappropriate but not     |
|          | 3  | something you report. There may be other reasons that    |
|          | 4  | they have been reported or would be reported. You need   |
| 02:43:15 | 5  | to narrow it down for us, Mr. Manly.                     |
|          | 6  | BY MR. MANLY:  |
|          | 7  | Q Is it your policy as the bishop of Orange              |
|          | В  | that every allegation of sexual abuse must be reported   |
|          | 9  | to the police immediately?                               |
| 02:43:24 | 10 | MR. CALLAHAN: Objection, Your Honor. The                 |
|          | 11 | the that calls for speculation as to what would be       |
|          | 12 | considered sexual abuse. There's a law, the reporting    |
|          | 13 | law, that talks about reasonable suspicion of child      |
|          | 14 | endangerment, but  |
| 02:43:40 | 15 | MR. MANLY: You know what?                                |
|          | 16 | MR. CALLAHAN: But if somebody says "I'm                  |
|          | 17 | concerned these priests hug people too much, too much of |
|          | 18 | this abrazo," well, now, no person, no particular        |
|          | 19 | priest, but is this an allegation of sexual misconduct?  |
| 02:43:51 | 20 | Some guy that stops the bishop and says "I think priests |
|          | 21 | hug people too much," is he supposed to report this to   |
|          | 22 | the police?  |
|          | 23 | MR. FINALDI: He's just asking if it's a policy.          |
|          | 24 | MR. CALLAHAN: Yeah. Is there a policy that he            |
| 02:44:03 | 25 | should report something like that to the police?         |
|          |    |  |

|          |    | Page 150   |
|----------|----|--|
| 02:44:06 | 1  | MR. MANLY: Maybe there should be.                        |
|          | 2  | MR. CALLAHAN: Maybe there should be, maybe there         |
|          | 3  | shouldn't. But I think it's too vague the way it's       |
|          | 4  | asked, so we'll never know. It makes a great sound       |
| 02:44:10 | 5  | bite, but it doesn't necessarily shed light on the       |
|          | 6  | issues of this case.                                     |
|          | 7  | JUDGE JAMESON: Is there a protocol excuse me.            |
|          | в  | Was my attempt at the question                           |
|          | 9  | MR. MANLY: No. I was laughing at Mr. Callahan,           |
| 02:44:23 | 10 | Your Honor.  |
|          | 11 | JUDGE JAMESON: Well, okay. I'm trying to help            |
|          | 12 | out here.  |
|          | 13 | And I think that the relevant question is,               |
|          | 14 | Bishop, is there a protocol or policy as to when or when |
| 02:44:38 | 15 | not in other words, is there a policy upon which a       |
|          | 16 | judgment would be made to contact the police or not?     |
|          | 17 | THE WITNESS: Yes, there is.                              |
|          | 18 | JUDGE JAMESON: All right.                                |
|          | 19 | BY MR. MANLY:  |
| 02:44:49 | 20 | Q And what's that policy?                                |
|          | 21 | A Well, I think that that policy deals with the          |
|          | 22 | same policy that's incorporated into the mandated        |
|          | 23 | reporting law.   |
|          | 24 | Q What law is that?                                      |
| 02:45:10 | 25 | A There are mandated reporters who for                   |
|          |    |  |

|          |    | Page 151  |

| 02:45:15 | 1  | example, clergy, who if they learn about have a         |
|          | 2  | reasonable concern about the sexual abuse of a minor,   |
|          | З  | then that needs to be reported to Child Protection      |
|          | 4  | Services and/or the police.                             |
| 02:45:34 | 5  | Q So is the Diocese of Orange policy that if            |
|          | 6  | you have a reasonable concern, you must report?         |
|          | 7  | A Oh, yes. I believe that's correct.                    |
|          | 8  | Q And when was that policy first adopted?               |
|          | 9  | A I presume it was adopted at the same time             |
| 02:45:56 | 10 | that the state legislation regarding mandated reporters |
|          | 11 | came into law.  |
|          | 12 | Q Okay. And has the diocese on your watch               |
|          | 13 | always followed that?                                   |
|          | 14 | A To my knowledge, they have.                           |
| 02:46:28 | 15 | MR. CALLAHAN: Your Honor, it's I think this             |
|          | 16 | was a four-hour deposition. We're into four hours and   |
|          | 17 | 20 minutes. Are we about to light up                    |
|          | 18 | JUDGE JAMESON: Well, we've had lunch and several        |
|          | 19 | breaks. We're in Mr. Manly said he was about to wind    |
| 02:46:42 | 20 | up, so  |
|          | 21 | MR. MANLY: Yeah. I'm getting there.                     |
|          | 22 | JUDGE JAMESON: So we'll we'll go for a few              |
|          | 23 | more minutes before we get the stopwatch out.           |
|          | 24 | BY MR. MANLY:   |
| 02:46:55 | 25 | Q Bishop, was there ever a policy have you              |

|          |    | Page 152   |

| 02:47:01 | 1  | ever had a discussion with your superintendent of        |

|          | 3  | not?   |
|          | 4  | A No, I have not.  |
| 02:47:13 | 5  | Q Do you believe if a school under your                  |

|          | 7  | investigating whether or not a teacher is molesting a    |

| 02:47:27 | 10 | A Are we talking about an elementary school or           |
|          | 11 | a high school?   |
|          | 12 | Q Does it matter?  |
|          | 13 | A It could matter in terms of how it's dealt             |

|          | 16 | A I would leave that decision about contacting           |

|          | 18 | familiar with the context and the circumstances, which I |

| 02:47:53 | 20 | Q You would expect that if a school was                  |

| 02:49:17 | 1  | MR. CALLAHAN: And my objection is that doesn't           |
|          | 2  | fit any of the four categories. We're into school        |
|          | 3  | affairs now and school procedures. I've allowed him to   |
|          | 4  | give preliminary   |
| 02:49:26 | 5  | JUDGE JAMESON: Well, we've left what was a               |
|          | 6  | pivotable question in the middle there. Was is there     |
|          | 7  | a difference between grammar school and high school. I   |
|          | 8  | heard something about the circumstances being left to    |
|          | 9  | the principal, but I didn't hear that there was a        |
| 02:49:44 | 10 | difference.  |
|          | 11 | So I guess, going back to the center of that             |
|          | 12 | question, is there a different protocol for grammar      |
|          | 13 | school and high school, or or your answer dealt with     |
|          | 14 | the discretion of the principal?                         |
| 02:50:01 | 15 | THE WITNESS: Well, I think, Your Honor, the              |
|          | 16 | answer left the discretion of the principal. I don't     |
|          | 17 | think it would be a difference in the sense of what      |
|          | 18 | should be done. But but how it's done and what           |
|          | 19 | process is used can be different at the school, whether  |
| 02:50:17 | 20 | it's at an elementary school or high school.             |
|          | 21 | BY MR. MANLY:  |
|          | 22 | Q Okay. And my next question is do you you               |
|          | 23 | would think it appropriate that at all times when a      |
|          | 24 | school is investigating whether a teacher had sex with a |
| 02:50:31 | 25 | child, that the principal and/or president of the school |

|          | 2  | MR. CALLAHAN: Objection. It's argumentative, it         |
|          | 3  | calls for speculation, and most importantly, it has way |
|          | 4  | too many variables. It's it lacks foundation and        |
| 02:50:46 | 5  | most and it doesn't fit into one of the four            |
|          | 6  | categories that this witness was called to address.     |
|          | 7  | JUDGE JAMESON: May I have the question back             |

| 02:53:17 | 10 | A I'm simply a member.                                  |
|          | 11 | Q Okay. When was that entity founded?                   |
|          | 12 | A I believe that was founded three or four              |

|          | 7  | BY MR. MANLY:  |
|          | 8  | Q Okay. And does the Diocese of Orange own           |

|          | 14 | Q And it owns the schools not owned by               |
| 02:54:25 | 15 | religious orders, correct?                           |
|          | 16 | A Yes. In civil laws, yes.                           |
|          | 17 | Q Correct? Sorry, Judge. Sorry, Bishop.              |
|          | 18 | A All of that is in civil law.                       |
|          | 19 | Q Okay. And except it does not it does not           |
| 02:54:36 | 20 | own Junipero Serra; is that correct?                 |
|          | 21 | A Junipero Serra is a private Catholic high          |
|          | 22 | school.  |
|          | 23 | Q Okay. Not owned by the diocese, correct?           |
|          | 24 | A That is correct.                                   |
| 02:54:44 | 25 | Q Okay. And it owns Christ Our Savior                |

|          | 14 | A Randy Redwitz, I think, is on our school             |

|          | 16 | computer services.                                     |
|          | 17 | Q How so he's a vendor for the diocese?                |
|          | 18 | A Could be a vendor for the diocese.                   |
|          | 19 | Q Now, has it come to your attention, Bishop,          |

|          | 4  | Q Any report.  |
| 02:59:50 | 5  | A Well, I think the diocese released the names           |
|          | 6  | of clergy against whom there were credible accusations.  |
|          | 7  | Q And did it release the names of laypeople, as          |
|          | 8  | well?  |
|          | 9  | A I don't recall.  |
| 03:00:06 | 10 | Q So you have no knowledge whether the diocese           |
|          | 11 | has released the names of laypersons allegedly accused   |
|          | 12 | of sexual abuse during the time period specified; is     |
|          | 13 | that correct?  |
|          | 14 | A That is correct. I don't recall anything.              |
| 03:00:20 | 15 | Q Have you prepared has the diocese prepared             |
|          | 16 | any report to the John Jay School of Criminal Law        |
|          | 17 | regarding this matter?                                   |
|          | 18 | A We provided the John Jay Criminal Law entity           |
|          | 19 | with all of the information that we were asked to        |
| 03:00:39 | 20 | provide by them.   |
|          | 21 | JUDGE JAMESON: What was the nature of that?              |
|          | 22 | THE WITNESS: Your Honor, they the Bishops                |
|          | 23 | Catholic Bishops Conference contracted with the John Jay |
|          | 24 | College to study, first of all, how did this whole thing |
| 03:00:59 | 25 | of sexual abuse happen in our country, our Catholic      |

| 03:01:04 | 1  | priests. Then there's been a second study about the     |
|          | 2  | causes of the of the abuse. And I think now there's     |
|          | 3  | a third study under way, which the results of the first |
|          | 4  | study, I think, are a matter of public record.          |
| 03:01:26 | 5  | It's interesting to me I think it was a                 |
|          | 6  | surprise to a lot of bishops that the John Jay study    |
|          | 7  | indicated that most of the priests who offended minors  |
|          | В  | with sexual by sexual abuse, they were just one         |
|          | 9  | person.   |
| 03:01:47 | 10 | JUDGE JAMESON: Well, let me the thrust of               |
|          | 11 | this question, and I think what is possibly relevant    |
|          | 12 | here, is what was the nature of the information given   |
|          | 13 | over? Was it lawsuit depositions and declarations? Was  |
|          | 14 | it a summary from someone in the front office of of     |
| 03:02:13 | 15 | your office? What what did John Jay have to review      |
|          | 16 | from Orange County to help with their study?            |
|          | 17 | THE WITNESS: Well, first, I know that they              |
|          | 18 | they had information in terms of numbers of alleged     |
|          | 19 | perpetrators, the age of I think ages of victims,       |
| 03:02:37 | 20 | ages of the perpetrators. That was information          |
|          | 21 | provided. There may be some others, but that's what     |
|          | 22 | comes to mind to me now.                                |
|          | 23 | JUDGE JAMESON: And when would this have been            |
|          | 24 | provided?   |
| 03:02:49 | 25 | THE WITNESS: Oh, I would think in I'm not               |

|          |    | Page 165  |
|----------|----|---|
| 03:02:53 | 1  | sure. Maybe around 2003, 2004, somewhere in there.      |
|          | 2  | JUDGE JAMESON: You can have the floor back,             |
|          | 3  |   |
|          |    | Mr. Manly.  |
|          | 4  | MR. MANLY: Thank you, Judge. I was just ready           |
| 03:03:06 | 5  | to sit back and listen. Okay.                           |
|          | 6  | BY MR. MANLY:   |
|          | 7  | Q Now, who was in charge of providing that              |
|          | 8  | gathering that data for the John Jay school?            |
|          | 9  | A I believe that was handled by our chancellor,         |
| 03:03:23 | 10 | Cheryl Giacomi.   |
|          | 11 | MR. CALLAHAN: G-i-a-c-o-m-i.                            |
|          | 12 | BY MR. MANLY:   |
|          | 13 | Q Did you review during the transition period           |
|          | 14 | the report prepared by Bishop McFarland and sent to the |
| 03:03:35 | 15 | Holy See?   |
|          | 16 | A I believe I did.                                      |
|          | 17 | Q Do you have a copy of that?                           |
|          | 18 | A There is would be a copy in the file.                 |
|          | 19 | Q Do you remember anything about sexual abuse           |
| 03:03:46 | 20 | in that report?   |
|          | 21 | A No, I do not.   |
|          | 22 | Q If Bishop McFarland had knowledge of abusers          |
|          | 23 | working in the diocese based on your knowledge of the   |
|          | 24 | workings of transition from bishop to bishop, should    |
| 03:04:00 | 25 | that have been included in the report?                  |
|          |    | -   |

|          |    | Page 166   |
|----------|----|--|
| 03:04:05 | 1  | A I don't know. It depends on the questions              |
|          | 2  | that were asked by the Holy See, and I don't I don't     |
|          | 3  | know. I would I don't know that it would.                |
|          | 4  | Q Do you know where that document is today?              |
| 03:04:21 | 5  | A I presume I think the document you're                  |
|          | 6  | referring to is the Quinquennial Report given every five |
|          | 7  | years. Is that what you're talking about?                |
|          | 8  | Q No, sir. I appreciate you mentioning that.             |
|          | 9  | Bishop McFarland said when he left the diocese, he       |
| 03:04:37 | 10 | told us this Saturday he prepared a detailed report and  |
|          | 11 | sent it to the Holy See. And I believe he said,          |
|          | 12 | although I can't swear to it, he gave you a copy.        |
|          | 13 | MR. CALLAHAN: Just to clarify, he was talking            |
|          | 14 | about the Quin whatever it is, the five-year report.     |
| 03:04:50 | 15 | That's what he was talking about.                        |
|          | 16 | MR. MANLY: Well, that's not what he that's               |
|          | 17 | not what he  |
|          | 18 | JUDGE JAMESON: At least I remember that                  |
|          | 19 | discussion, and I don't remember any there was           |
| 03:05:01 | 20 | something left behind as a reference for the bishop      |
|          | 21 | MR. MANLY: Maybe all right. Maybe I've got               |
|          | 22 | it wrong. So if I do, my apologies.                      |
|          | 23 | BY MR. MANLY:  |
|          | 24 | Q Did you ever see anything in the Quinquennial          |
| 03:05:15 | 25 | Report I'm sorry. How many Quinquennial Reports have     |

|          |    | Page 167  |
|----------|----|---|
| 03:05:17 | 1  | you prepared, Bishop?                                   |
|          | 2  | A In the Diocese of Orange, I've prepared, I            |
|          | 3  | believe, one.   |
|          | 4  | Q Have you read the prior did you read the              |
| 03:05:26 | 5  | prior one?  |
|          | 6  | A I think I looked at it. I'm not sure. I               |
|          | 7  | don't think I studied it.                               |
|          | 8  | Q Did the Quin does the Quinquennial Report             |
|          | 9  | you prepared touch on the issue of sexual abuse and     |
| 03:05:37 | 10 | claims of sexual abuse in this diocese?                 |
|          | 11 | A No, it did not.                                       |
|          | 12 | Q Never mentioned it?                                   |
|          | 13 | A I don't believe it did.                               |
|          | 14 | MR. MANLY: Anything else?                               |
| 03:05:48 | 15 | Okay. I'm done. Thank you, Bishop.                      |
|          | 16 | MR. CALLAHAN: Why don't we enter into a                 |
|          | 17 | stipulation that we have been saying that               |
|          | 18 | MR. MANLY: Oh, you know, there's one thing I            |
|          | 19 | want to say.  |
| 03:05:59 | 20 | MR. CALLAHAN: What?                                     |
|          | 21 | MR. MANLY: I've mentioned a number of victims'          |
|          | 22 | names in this deposition and the others, and I'd like a |
|          | 23 | protective order some of them are public, some of       |
|          | 24 | them are not to keep those names private.               |
| 03:06:10 | 25 | MR. CALLAHAN: I would join in that and suggest          |

|          |    | Page 168  |
|----------|----|---|
| 03:06:11 | 1  | that this entire you asked me before. You want the      |
|          | 2  | entire transcript and I said we'll have to wait to      |
|          | З  | the end to see. And I think now you've raised a very    |
|          | 4  | good point that there is a lot of stuff in here that    |
| 03:06:23 | 5  | would be and should be kept confidential.               |
|          | 6  | MR. MANLY: Judge  |
|          | 7  | MR. CALLAHAN: That's all.                               |
|          | 8  | JUDGE JAMESON: Well, I think the simplest thing         |
|          | 9  | is since I've already made a preliminary ruling as to   |
| 03:06:33 | 10 | some of it, that it it be temporarily sealed,           |
|          | 11 | especially since its use might be just days from now,   |
|          | 12 | except for litigation, in the context of the court      |
|          | 13 | proceedings.  |
|          | 14 | MR. MANLY: Judge, I have no problem with that           |
| 03:06:55 | 15 | order. I just want to tell you that in all the cases    |
|          | 16 | I've been involved with, this is entering the           |
|          | 17 | confidentiality of victims is standard procedure. And   |
|          | 18 | it's very simple. The victims' names is simply redacted |
|          | 19 | before portions of deposition are on file. I have no    |
| 03:07:11 | 20 | problem with the short stay so we can work this out,    |
|          | 21 | but   |
|          | 22 | JUDGE JAMESON: Yeah. Because I guess my                 |
|          | 23 | there have been a lot of names, and many of them were   |
|          | 24 | familiar to me because I've heard them before           |
| 03:07:26 | 25 | MR. MANLY: Yeah.  |

|          |    | Page 169  |
|----------|----|---|
| 03:07:26 | 1  | JUDGE JAMESON: through other depositions in             |
|          | 2  | this case. So it's hard for me to separate in my mind   |
|          | 3  | which might be confidential and which shouldn't.        |
|          | 4  | So to be on the safe side, I'd say they all             |
| 03:07:41 | 5  | are until there's reason that you either agree or       |
|          | 6  | there's a reason for them to be become public.          |
|          | 7  | MR. MANLY: Could I have go off the record for a         |
|          | 8  | minute?   |
|          | 9  | MR. CALLAHAN: No. Let me state this for this            |
| 03:07:50 | 10 | and I think the easiest way to avoid this whole problem |
|          | 11 | is to seal the whole record. We're talking about a      |
|          | 12 | matter of days. And that way, it's not "Oh, I didn't    |
|          | 13 | know I couldn't leak that" or "I didn't know that was   |
|          | 14 | supposed to be privileged" or wasn't.                   |
| 03:08:01 | 15 | MR. MANLY: As far as I'm concerned, I can't             |
|          | 16 | discuss the deposition. I think that's his order. I     |
|          | 17 | that he   |
|          | 18 | JUDGE JAMESON: Yeah. And I                              |
|          | 19 | MR. MANLY: you know, for the next few days.             |
| 03:08:06 | 20 | JUDGE JAMESON: Yeah. That was the earlier               |
|          | 21 | the earlier order, so                                   |
|          | 22 | MR. MANLY: If anybody asks me, I'm going to tell        |
|          | 23 | them the Court's entered an order at your request.      |
|          | 24 | So  |
| 03:08:17 | 25 | MR. CALLAHAN: Do we want to do a stipulation on         |

|          |    | Page 170   |
|----------|----|--|
| 03:08:18 | 1. | the record or not?                                       |
|          | 2  | MR. MANLY: Well, I want to say something off the         |
|          | 3  | record before I do a stipulation. I don't want to put    |
|          | 4  | this on the record.                                      |
| 03:08:24 | 5  | THE VIDEOGRAPHER: The time is 3:08, and we're            |
|          | 6  | off the record.  |
|          | 7  | (Discussion held off the record from                     |
|          | 8  | 3:08 p.m. until 3:12 p.m.)                               |
|          | 9  | THE VIDEOGRAPHER: The time is 3:12, and we're            |
| 03:12:23 | 10 | back on the record.                                      |
|          | 11 | MR. CALLAHAN: I'm going to suggest that we agree         |
|          | 12 | to the basic same stipulation we've agreed on the        |
|          | 13 | others, and that is that the transcript will be prepared |
|          | 14 | as soon as possible, the witness will read it as soon as |
| 03:12:33 | 15 | possible. If he makes any changes, he will Xerox the     |
|          | 16 | page of the change and then get it to me by either fax   |
|          | 17 | or e-mail or some some method. And then as soon as I     |
|          | 18 | get it, I'll pass it on to you.                          |
|          | 19 | But in the event that we are not notified of             |
| 03:12:48 | 20 | any changes in the event that you are not notified of    |
|          | 21 | any changes, within 24 hours or 48 hours of when he goes |
|          | 22 | on the stand, we tell you whether what the status is.    |
|          | 23 | MR. MANLY: Okay. And that a certified can be             |
|          | 24 | used as an original if its lost, stolen, or otherwise    |
| 03:13:03 | 25 | misplaced.   |
|          |    |  |

|  |   | Page 171   |
|--|---|--|
| 03:13:05   | 1   | MR. CALLAHAN: Right.                                   |
|  | 2   | MR. MANLY: Okay. Fine.                                 |
|  | 3   | THE WITNESS: Thank you.                                |
|  | 4   | THE REPORTER: And where do I send the original?        |
| 03:13:12   | 5   | MR. CALLAHAN: Probably me, and that's probably         |
|  | 6   | the easiest way to do it. And we're going to need an   |
|  | 7   | expedite. That's different about this one.             |
|  | В   | THE VIDEOGRAPHER: The time is 3:13, and this is        |
