My Brothers and Sisters in Christ,

As the USCCB Charter for the *Protection of Children and Young People* (the "Charter") requires, the Diocese of Bridgeport is re-promulgating its list of credibly accused clergy.

This list is published both ensure the ongoing protection of our children, youth and vulnerable adults and to assist in the healing of victims of clergy sexual abuse. In the interest of full transparency, we have included in this list both living and deceased clerics who were credibly accused of abuse or where the death of the cleric prevented further investigation of the alleged claims.

Both in keeping with the Charter's provisions and out of a spirit of justice, I have not included in this list the names of those clerics who were both accused of sexual abuse and the allegation was found not to be credible. I have also not included in this list any cleric whose investigation has been impeded by judicial procedures outside of our control.

The sexual abuse of minors has created a great wound in the Church that must be healed through the Church's credible and sustained efforts to ensure that all children, youth and vulnerable adults entrusted to its care are always kept safe and given the opportunity to grow in faith and love. To those victims who seek healing from the pain they have suffered, I offer my most sincere apology. I pray that with the Lord's grace, you will feel the healing power of God and find peace and consolation in His Love. I also hope that the publication of this list will in some way help you and all the members of our Diocesan Church to find peace and assurance that we can move forward with confidence.

As the shepherd of the Diocese of Bridgeport, I take my responsibility to protect children very seriously and will continue to do everything that I can to implement our diocesan policies and procedures to ensure a safe environment for the most vulnerable in our midst.

Please be assured of my prayers as we continue down the road of recovery and healing with the strength of God's love.

Sincerely yours in Christ,

*Frank J. Caggiano*
