Dear Brothers and Sisters in Christ,

The current sexual abuse crisis in the Catholic Church has called forth, and rightfully so, greater accountability and transparency of bishops and dioceses in the resolution of cases of misconduct involving a member of the clergy. This is essential in restoring the trust that has been broken as the result of the misconduct of a few.

The Diocese of Rapid City remains committed to reaching out to victims of childhood sexual abuse within our Diocese as well as doing all that we can to protect our youth and vulnerable adults from harm.

In the interest of transparency and accountability, I have chosen, as part of our ongoing process of reaching out to the Diocesan community, to publicly identify those priests who have carried out ministry in the Diocese of Rapid City, and against whom there is a credible claim of sexual abuse of a minor. An allegation is deemed to be credible if there is reasonable cause to believe that abuse occurred. This determination follows a process of consultation and is not a legal judgment. Inclusion on this list does not imply that the claims are true and correct in that the accused individual has been found guilty of a crime or liable for civil claims. In many instances, the claims were made many years or decades after the alleged events and therefore were not capable of an investigation and determination.

It is important to acknowledge the horrid truth of past abuse in the Church so that we can repent of these actions, and to recommit ourselves to ensuring that no one is hurt moving forward.

I will ensure that the diocese remains vigilant and transparent in fulfilling its policies and procedures regarding reported sexual misconduct. Anyone who has been a victim of sexual misconduct by a bishop, priest, deacon or lay employee is invited to contact the Victim Assistance Coordinator by calling 605-209-3418.

As the Body of Christ, let us all pray for reparation for the sins and failings of those who abused their power and authority which led to the injury of others, especially our children.

Please continue to pray for the healing of those victims and their families who have been harmed by such actions.

Please pray for me and our clergy as we move through this crisis. Pray, too, that the Lord Jesus, the Divine Physician, who gave his life for his Church, leads her to true healing, conversion and holiness. Be assured of my continued prayers for all of you.

Sincerely in the peace of Christ,

Most Rev. Robert D. Gruss
Bishop of Rapid City
