Archdiocese of Santa Fe

List of Priests, Deacons, Religious, and Seminarians Accused of Sexual Abuse of Children

This list contains the names of priests, deacons, religious, and seminarians accused of sexual abuse of children in the Archdiocese of Santa Fe, New Mexico. The name of the (arch)diocese or religious order is included in this list, and if the person is living or deceased. The parish, school and ministry assignments are also included. The Archdiocese of Santa Fe adopted a zero-tolerance policy in 1993. Several cases of sexual abuse were not reported until years later. This explains why an accused may have had assignments after the abuse occurred. Since 1993, as soon as a report of sexual abuse of a child has been made, the accused is removed from ministry, the civil authorities and the Independent Review Board are informed. This list will be updated as needed.
