# **Disclosures Regarding Clergy Sexual Abuse of Minors**

Monday, December 2, 2013

Updated February 17, 2014

Below is a list of ordained ministers of the Catholic Church who previously had assignments in the archdiocese, and who have had credible claims against them of sexually abusing a minor in our archdiocese. All of these claims have been substantiated, which means that there is reasonable grounds to believe that the reported abuse occurred. Most of the reported incidents of abuse occurred between the mid-1950s and the 1980s, and most of these men have been previously identified in media reports. All of these men have been permanently removed from ministry, and most of them have been out of ministry for a decade or more.

Clergy who have committed acts of sexual abuse have caused insufferable harm to victims, families, parishioners, and the Church. We grieve and pray for all who have been harmed and are committed completely to combating acts of sexual abuse and doing all we can to ensure that these horrors are never repeated in the Church.

For more information, read a **Q&A** on the disclosure of names.

#### Priests with credible claims against them of sexual abuse of a minor

Notes regarding disclosure: Included in this disclosure are clergy members from other dioceses or religious orders who at one time worked in the archdiocese and were accused of engaging in sexual abuse of minors in our archdiocese, to the extent we have reliable and sufficient information to determine whether the claim was credible and could be substantiated. These disclosures will indicate that the individuals are non-diocesan clergy. We may not be able to report on the present status of such clergy members because the archdiocese does not always have access to such information since they are under the authority of their respective diocese or religious order. We do not have sufficient information to make a disclosure regarding priests from outside our archdiocese who may have served here at some point in time but committed child sexual abuse elsewhere.

Also, please note: Despite our best efforts to provide accurate information, our listings at this time may include some errors or omissions. The archdiocese requests that anyone with additional information or corrections regarding clergy members that are or should be subject to disclosure, to contact Greta Sawyer, the archdiocese's Victim Assistance Coordinator at 651-291-4497.

### Clergy included on John Jay Commission list with unsubstantiated claims

On Monday, December 2, we disclosed above the names of 29 of the 33 priests on the list provided to the John Jay Commission in 2004 by the archdiocese. We have been able to determine that those 29 priests had substantiated claims asserted against them of sexually abusing a minor. We have not determined that the other four priests had substantiated claims against them of sexually abusing a minor. In fact, we were unable to verify any claim in two of the four cases. Nevertheless, in deference to a recent order from the Ramsey County District Court, we are listing these four priests with further explanation on each.

- Eugene Corica No longer in ministry as of 1995.
- Robert Loftus No longer in ministry as of 1977.
- Patrick Joseph Ryan No longer in ministry as of 1965 (died in 1965).
- Roger Vaughn Permanently removed from ministry in 2000.

Current status: Laicized in 1977

Robert Loftus was credibly accused of sexual misconduct with a "young woman" in the early 1970's. We do not have knowledge of the complainant's age at the time of the misconduct. An independent investigator was hired to review the file and advise on whether Loftus should be disclosed as a "substantiated claim." To date, the investigator has not determined whether a claim of sexual abuse of a minor was or can be substantiated. The investigation is continuing, and our disclosures will be updated when the investigation is completed.

Patrick Joseph Ryan was accused posthumously in 2002 of sexually abusing a minor in 1961, and was consequently included in the list provided to the John Jay Commission. The Archdiocese subsequently met with the complainant and hired a private investigative firm. The firm investigated the matter through more than two dozen conversations and face-to-face meetings with the complainant as well as interviews with more than a dozen persons thought to have information relevant to the claim against Ryan. The private investigative firm reported that "this investigation found no credible, corroborating or supporting information which would validate [the] claim of sexual abuse." The claim of sexually abusing a minor was never substantiated.

NOTE: We are aware of at least one other Patrick Ryan who is or has been a member of the Catholic clergy serving in our archdiocese at some point in time. For this reason, we wish readers to take great care in identifying this individual so that there may be no confusion about identity.
