Dear Reverend:

Having known Father James Foley during his assignment at St. Ann's Parish in Dorchester, we would like to express our thoughts and regrets occasioned by his transfer to Holy Name Parish.

Father Foley consistently demonstrated devotion to the tasks of his priesthood, and his commitment to the spiritual welfare and parochial health of St. Ann's was total. His availability to parishioners was equal to his great knowledge of the parish itself, a knowledge developed by daily pilgrimages through streets and homes in his efforts to truly know those he served.

Working with Father Foley on a parish fund-raising committee has enabled us to observe not only his organizational skills, but also the managerial talent that allows a group to operate effectively with creativity and good humor.

We present these observations as a committee, but even more so as objective parishioners of St. Ann's who realize that our loss is Holy Name's gain.

Yours truly,

Rosemary Norton
