Holy Name Parish Rectory

Dear Jim:

May I first of all say that any inconvenience caused you by the delay in getting this decision communicated to you is deeply regretted. As I am sure you understand, the Cardinal's illness and hospitalization has caused many a schedule to go awry.

The interviewing team for the Matignon High School Chaplaincy has made its report to the Personnel Board and the Board has made its recommendations to His Eminence.

I write to advise you that Cardinal Medeiros has selected Rev. Kevin J. Deeley for this position.

We regret that you were not chosen for this position at this time, Jim. We do hope, however, that you will apply in the future for any specialized apostolates in which you are interested.

With gratitude for your time, your interest, and your enthusiastic sharing, I remain

Fraternally,

Reverend James J. McCarthy  
for the Personnel Board

FOLEY, JAMES J.-2 047
