Bill
That is a great help. BCL was asking and now I can answer him.
Thanks
Bill

Hi Bill,

Neil relayed your question about Harold Johnson. At present Harold is allowed only to celebrate occasional Masses with my permission. I believe he has been faithful to that condition.

That condition was set to prevent Harold from being a regular presence at a particular parish where he might be tempted to establish relationships that could lead to difficulties.

At this point, though, Harold has really shown himself to be a star pupil of 12 step recovery work, including acceptance of his limits. If it were a matter of giving him some leeway, I would be supportive.

I hope this answers your question.

Bill
