Dear Sister Catherine:

I am writing in followup to our recent telephone conversations. The sexual abuse took place in three main places: St. Patrick Rectory in Stoneham, St. Francis in Braintree, and a cabin in the wood(s) at Blue Hills.

The perpetrator was Fr. Paul Shanley(ordained 1960)

He would also take me to another confessor after the event and messed up my thoughts and feelings.

At this time I request the following need/assistance:

\$50/week for Individual therapy

50/week for insurance

50/for group/individual therapy

I will be sending the clinician's names.

Sincerely,
