

Miss Murphy 4/17

Paul Shelley is at the
Institute for Living on 4/16

Apparently he missed
my direction that he
work this through you.

I send his request
to you and will ask him
to contact you after he returns
in two weeks - Jh

is a statement from Tim
it took an hour to
acquire.

I had to borrow from Brian
so would appreciate it if you could
expedite the process with Monsignor
Murphy.

I know the Institution is the
target of much criticism but from
my point of view I can only be
grateful for the pastoral, compa-
sionate support in the worst days
of my life.
