

OFFICE OF THE RECTOR

March 15, 1962

Rt. Rev. George B. Curtiss,
Chancellor,
250 Waldemere Avenue,
Bridgeport 4, Conn.

Dear Monsignor Curtiss:

I write concerning Mr. Raymond S. Pcolka of the Class of 1965.

You will find in his file a letter from me to you about him, written on November 2, 1960, regarding his going on sick leave and his seeing a psychiatrist. Also a letter to His Excellency, Bishop Shehan, of May 17, 1961, about his return and requesting a letter from his doctor.

Since then Raymond has not succeeded in obtaining the doctor's letter. Nor have I. I wrote twice to both Dr. Sires and Dr. Meshken, who treated him; my letters were on Jan. 9, 1962 and February 20, 1962. I have received no answer from either one of them.

Since the matter involves psychiatric care, may I ask you kindly to see if you can obtain these letters from the doctors, or, failing that, to arrange for Raymond to see a psychiatrist during the Easter holidays. The addresses of the doctors are:

William Meshken, M.D.,
2616 Main Street,
Bridgeport, Conn.

William Sires, M.D.,
Fairfield, Conn.

Thanking you for your kind cooperation. I am

Sincerely yours in Christ,

Rt. Rev. Matthew P. Stapleton
RECTOR
