

OFFICE OF THE RECTOR

Date: June 1, 1962  
Name: Raymond S. Pcolka  
Class: 1965  
Diocese: Bridgeport  
Health: No actual illness, but weight and occasional yellow color give cause for concern. Should receive thorough physical examination this summer.

Faculty Commentary:

Stoical, unemotional type; shows more animation now than at beginning of year - good intelligence - conscientious - personality rather dull.
