FATHER BRONKIEWICZ

I met on Monday, July 9, 1990, with Father Laurence F.X. Brett. All things considered, he made a good impression. In the course of our conversation the particulars of his case came out in detail and with grace. He would like to continue his work for "Share the Word"; however, he fears that he might be terminated for financial reasons. After you and I have had an occasion to discuss the matter, I would be inclined to write Father Brett a letter encouraging him to go on with his work in Baltimore, but assuring him, as I believe Canon Law requires me to do, that he will be well received here in the Diocese if he needs to return.

In Christ,
