ANTONIAK PRINTING SERVICE • BRIDGEPORT

4/11/77

Mrs. H. wanted to discuss <sup>(with other kids)</sup>  
the companionship of her sons  
with Dr. Coleman - their visiting  
"his apt. in New Canaan" etc.  
She settled for an appt. with  
The Vic. Gen.

A snow storm prevented  
her making the appt. She  
promised to write a letter.  
I am unaware of a letter's  
arrival.
