Dear Father [REDACTED]

I spoke with Bishop Kaffer about his conversation with Bishop Abramowicz regarding an allegation of sexual abuse on the part of Father Przybylo. Bishop Kaffer confirmed what he had written in a memo and expressed much concern that Father Przybylo not be incardinated into the Diocese of Joliet and that he not be given faculties. I believe at this point, we encourage Father Przybylo to be reconciled with his own bishop.

Thank you for your kindness. I enjoyed visiting with you last week. With every good wish, I am

Sincerely in Christ,

Rev. Joseph J. Tapella
Vicar General
