

AFFIDAVIT OF
MARK DALTON

STATE OF IOWA)
) ss:
COUNTY OF Johnson)

Mark Dalton, being first duly sworn under oath, states as follows:

1. My name is Mark Dalton. I live in Iowa City, Iowa, and I attended Regina High School from 1961-1965.

2. While a student at Regina High School, I was warned by older students to always stay in front of Father Soens' desk if called to the principal's office. Students were aware that Father Soens would sexually molest them.

3. While a student, I was called into the office one day for questionable discipline. I believe it was because I was chewing gum in school. Ordinarily, there would be a 50 cent fine and some detention. However, I was called into Father Soens' office. While in the office, I stood in front of the desk and Father Soens instructed me to come to the side of the desk. He then slid his chair around and put his legs inside of mine. He then proceeded to run his hands outside my pants and fondle and pinch my testicles. This occurred on one occasion while I was a student at Regina High School.

Further Affiant sayeth not.
