

**AFFIDAVIT
REGINA STUDENT NO. 5**

STATE OF IOWA)
) ss:
COUNTY OF Scott)

I, Regina Student No. 5, first being duly sworn under oath, states as follows:

1. That I was a freshman and sophomore at Regina High School during the school years of 1964 and 1965.

2. While a student at Regina High School, Father Soens was the priest and principal of Regina. I considered and respected him to be a trusted authority figure. My relationship with him as a student was based on trust and confidence in him as a spiritual, moral, temporal and secular authority figure.

3. During my freshman year, on several occasions, Father Soens approached me in the hallway and twisted my nipples. I believe that teachers and other adult authority figures in the school could have observed Father Soens' actions and should have known of his improper conduct. The students were aware of this and I believe the adults also knew of his actions.

4. That while I was attending Regina High School, Father Soens called me into his office several times under the pretext of discipline.

5. During these incidents in his office, Father Soens would touch my nipples and buttocks and rub my body.

6. I was 14 years old when these incidents occurred. No one else was present in the room and it occurred in his office.

7. During my sophomore year at Regina, I began to refuse to go to Father Soens' office when summoned.

8. That in the middle of my sophomore year, Father Soens dismissed me from Regina High School. Although I had some discipline problems, they were not as serious as other students who remained at the school. I believe the sole reason I was dismissed from Regina High School was because I began to refuse his improper sexual contacts with me.

Further, Affiant sayeth not.
