

**AFFIDAVIT  
REGINA STUDENT NO. 11**

STATE OF IOWA            )  
  ) ss:  
COUNTY OF LINN        )

I, Regina Student No. 11, first being duly sworn under oath, states as follows:

1. That I was a freshman and sophomore at Regina High School during the school years of 1966 and 1967.

2. While a student at Regina High School, Father Soens was the priest and principal of Regina. I considered and respected him to be a trusted authority figure. My relationship with him as a student was based on trust and confidence in him as a spiritual, moral, temporal and secular authority figure.

3. During my freshman year, on at least six occasions, Father Soens approached me in the hallway and twisted my nipples. I believe that teachers and other adult authority figures in the school could have observed Father Soens' actions and should have known of his improper conduct. The students were aware of this and I believe the adults also knew of his actions.

4. Father Soens would walk through the boys' locker room smiling and touching the boys while we were partially clothed.

5. After a Saturday basketball practice, Father Soens came into the locker room and summoned me to his office.

6. I dressed and went into his office. There were no lights on. Father Soens motioned me to sit in a chair beside his desk. Father Soens immediately slid his chair

next to me and grabbed my leg just above my knee firmly. While talking to me, Father Soens slid his hand up my leg until he was gripping my genitals and squeezed very hard. He put his other hand around my shoulder.

7. I jumped up and demanded that he send my transcript to the public school because I was leaving Regina and ran out of his office.

8. I went to the public school the following Monday and my school records were there.

Further, Affiant sayeth not.
