1 about all -- the doors not having a space where  
2 people could look in. So I had glass installed in  
3 those doors.

4 Q. What year was that?

5 A. Where people could -- I believe it was 2000,  
6 2000/2001.

7 Q. And what was --

8 A. It was the first year I was there.

9 Q. And what was the purpose of putting in the  
10 window?

11 A. Just safety for the professional and safety  
12 for the child.

13 Q. And how would it be safer for the child if  
14 there was a window in the door?

15 A. Well, if somebody was doing something, they  
16 could probably see that.
