Dear Father Losada:

Many thanks for your outline of the steps your Congregation is willing to take in the case of Father Martin O'Loghlen, SS.CC.

I submitted your suggestions in an anonymous manner to our Archdiocesan Sexual Abuse Advisory Board. This is what has caused the delay in my response.

We do not see any need for Father O'Loghlen to leave the Archdiocese. We do ask that he limit his priestly service to ministry within the Congregation. We leave totally in your hands whether or not he should be removed from his position as Provincial Superior.

With regard to Ms. [REDACTED], we encourage the Congregation to get in touch with her either directly or through the Diocese of Phoenix (where Ms. Malcolm resides) to offer therapy or any other help that she needs to come to healing and reconciliation. We strongly suggest that this offer be made as soon as possible.

We are happy to hear that Father O'Loghlen, SS.CC. will be seeing a second therapist who will give the Congregation a psychological evaluation. We have found that this is essential in these situations.

If there is anything else that you feel that we could be of assistance, please do not hesitate to contact me. I look forward to hearing from you as to the concrete actions you will take to resolve this matter.

May God bless your ministry.

PAX!

Reverend Monsignor Richard A. Loomis
