Dear Father Brown:

In regard to Daniel Clark's candidacy to the priesthood, I would like to make known the following evaluation.

During two summers at St. Lawrence Parish in Lawrenceburg, Indiana, Dan Clark worked closely with me on Knights of Columbus Youth Programs and Lion's Club Little League programs. Truly an inspiration to the kids and myself.

He was an exception in scout work, and very helpful in assisting my oldest son attain his Eagle Scout status. He was also helpful for two years assisting a great number of boys attain Eagle status, and other badge work.

Also, he is best working with all age groups in keeping the goodwill of the people.

A fine example for the candidacy to the priesthood, who in turn will lead people to God.

Yours very truly,
