MEMORANDUM:

To: File

From: Archbishop Thomas C. Kelly, O.P.

Father Clark's principal reasons for seeking a leave were: involvement with Mrs. **Mother of S-2** (which did not seem destined to last for very long); lack of enthusiasm for preaching and other forms of ministry; probably some residual confusion over his mother's death; continued starving for attention; etc. Father Lichtefeld indicated that Dan was doing very little in the parish. Their relations were strained, although they had once been pretty good.

Dr. O'Connor opposed Dan's wish to take a leave.
