REVEREND DANIEL C. CLARK

Father Clark has been accepted by Archbishop Kelly back into active ministry. The Priests' Personnel Board will consider an assignment for Fr. Clark as soon as we have a good sense of what his health will permit. In the meantime, Archbishop Kelly would like to provide whatever financial assistance is necessary.

His apartment rent of \$225.00 was due to Thompson Realty, as of May 1st. A car payment of \$180.00 was also due First National Bank as of May 1st. Father Clark at this time has savings of \$150.00 and is helping a house painter on a very part-time basis.

In addition to the rent and car payments, Archbishop Kelly would like his salary to start up again. I suggest you might want to issue his May check by May 15th, gradually moving payment closer to the end of the month by July, if he does not have an assignment by that time.

Father Clark's address is 4604 Southern Parkway, A-11,  
40214.
