Sargent Dany Noble - Crimes against Children Unit.

give testimony against Dan.

These events happened when these people were 12 years old.

at Rough River Camp. - Grayson Co.

Dany asked Mike to call us to let us know that Dan  
would be re-arrested next week sometime or at least one more

Monday July 11, 1988

(909-4579) Fr. Tom Cagun called to let us know that he had heard  
from a good source that 2 or 3 more people had contacted  
the police.

I told Tom about the above call and that this is probably  
what is being reported. We have no names so it is hard to tell.

Tom expressed concern that there might be other out there  
suffering. Pastoral healing needs to be done.

I told Tom that I supported his belief that there are  
no names.
