P.O. Box 1073

Dear Archbishop,

I wanted to write a quick note and thank you sincerely for your words of affirmation and encouragement at our special meeting. It was truly a wonderful experience for me. I would be hard pressed to share how much our meeting met to me. I had a very hard time holding back those watery eyes. We have traveled quite a road over the years and the unfailing support I have felt from you has been constant. For some reason, I have a hunch I will beat you to the passing over. Since the Lord knows what is in our hearts, I'm sure He will see your name in neon lights on mine! ☺ Again, I thank you and I hope you know you shall always have a very special place in my heart and in my prayers.
