FROM: Reverend Medley 

F.Y.I./ST. IGNATIUS, LOUISVILLE

I received an angry call from a Mr. Kuhn, a former parishioner of Saint Ignatius, complaining that State Representative Tom Burch is holding weekly forums at Saint Ignatius. He objects to this because Representative Burch is a "known abortionist" who has repeatedly defeated pro-life legislation in Frankfort.

When I suggested that Mr. ██████ speak with Father Tom Creagh he went off on a tangent about Church renovation. Satisfied that I was not going to intervene in this situation he suggested that no one at the Chancery cared about parishioners' attitudes and opinions and then hung up on me.
