Dear Kathy,

Archbishop McDonough is attending a meeting of priests in Memphis, Tennessee.

In his absence, I wish to thank you for your letter and for your concern about St. Thomas Parish. I can assure you that the Archbishop will see your letter upon his return, and will give it his serious consideration.

Please keep him in your prayers, as I know you understand it is difficult to make decisions that are effective for the good of the whole Diocese.

Sincerely yours,

Reverend John Hanrahan,
Chancellor.
