

F. Dalton

MEMORANDUM:

✓ Reverend William Medley

RE: Holy Name Parish

Probably the best resolution of the above situation is to assign Father Lou Miller as administrator for temporalities. He knows Holy Name Parish, and I believe that if Father Dalton is faced with the choice of leaving Holy Name or having Father Miller added on, he will gladly choose the latter.

There will have to be certain restrictions on Father Miller's activities. I will deal with Father Medley directly about these.
