

MEMORANDUM:

TO: File

FROM: Archbishop Thomas C. Kelly, O.P. *TCK*

RE: Father Louis Miller

Father Miller has acknowledged to me the existence of a serious personal problem. As a result of this conversation:

- 1) I have removed him from any ministry which would involve children;
- 2) I have referred him to Dr. Dennis Wagner, a recognized psychologist with expertise in the area of Father Miller's problem;
- 3) Dr. Wagner has indicated that Father Miller is not a threat provided he observes the restrictions placed on his ministry; and,
- 4) I have assigned him to ministry with the ageing, at Sacred Heart Home, Louisville, after fully disclosing the nature of Father Miller's problem to the authorities of the Home.
