RE: MS-11

DATE: 2/3/95

Mr. MS-11 called to report sexual molestation by Fr. Arthur Woods during the years 1967-1968. Mr. MS-11 was 12-14 years old. The incidents occurred at St. Polycarp.

He has contacted a lawyer, Mr. Brian Clare. Mr. MS-11 has been and is seeing a counselor and a psychiatrist. He can't seem to break through this devastating experience. I did communicate your concern and your offer to see him anytime. He was very appreciative. I think he's a bit reluctant to talk until he sees his lawyer Feb. 15, 1995.
