The Most Reverend Matthew F. Brady, D.D.  
Bishop of Manchester  
657 River Road  
Manchester, New Hampshire

Dear Bishop Brady:

Enclosed is the correspondence regarding Father Sullivan which I found very enlightening. I had thought his trouble was with women; those who fiddle around with the young never seem to be cured.

Knowing Father Fitzgerald, I would have great confidence in his opinion, and was struck with the anomaly of men who normally would be in prison having the care of souls.

In any case, I had no idea of his staying in Vermont, so close to his previous troubles, but of letting Father Dufault try to give him a start. Obviously that is not wise in this case.

I hope to see you in Boston on November ninth if not before. God bless you and all your works.

Fraternally in Christ,

+ Robert T. Joyce  
Bishop of Burlington
