

MEMORANDUM

Date: February 11, 1976
To: His Eminence
From: Monsignor Statkus
Re: Reverend Edward V. Avery, assistant pastor
Immaculate Heart of Mary Church, Chester

Your Eminence:

In view of the recommendation of Your Eminence that Father Avery receive another assignment in order to avoid a breakdown, would Your Eminence consider the assignment of Father Avery as assistant pastor, St. Philip Neri Parish, East Greenville.

This parish lists approximately 760 families. Last Spring, Father Joseph Monahan was appointed as the first assistant pastor. Since he became ill, we have not replaced him. Father Andrew Brown, pastor, has noted that he wishes consideration to be given to naming another assistant pastor.

If Your Eminence approves this appointment, would Your Eminence consider the enclosed letter of appointment.

Respectfully submitted,

Francis J. Statkus
