OFFICE OF THE SECRETARY

September 15, 1992

James

Dear James

During the past summer I have assumed new responsibilities in the Archdiocese of Philadelphia as Secretary for Clergy. In the process of reviewing files of the office, I read the attached correspondence which was apparently sent to Monsignor Jagodzinski earlier in the year.

The letter and its enclosures convey a serious allegation concerning past behavior on the part of a priest of the Archdiocese of Philadelphia. I note that both pieces of correspondence are unsigned and undated, and that it is not clear whether the enclosure has been sent to Father Avery.

In responding to the concerns raised in this correspondence, I would wish to make a thorough investigation of the situation. Enclosed is my card. May I ask that you contact me, either by telephone or by mail, in order to verify your continued interest in pursuing this matter.

Be assured of my prayers that you continue to be blessed by God's presence and His peace.

Sincerely yours in Our Lord,

Reverend William J. Lynn
Secretary for Clergy
