ITEM: Telephone Conversation with Sister Jeanette Weychart
RE: Reverend Edward V. Avery (1970)
Chaplain, Nazareth Hospital

I talked to Sister Jeanette Weychart today about Father Edward Avery. I explained to her that it had been Father Kerper calling on his own, rather than on behalf of the hospital administrators. I told her they were very pleased with the work that Father Avery is doing, and felt that he has made great improvements since he has been at the hospital. Sister Jeanette was grateful for this information, and said it will help her in her treatments and her therapy with Father Avery.
