Dear Father Lynn,

The purpose of this letter is to inform you that Father Edward Avery is continuing in individual therapy with me. I met with the treatment team for Father Avery and the one change we have made is that Father Avery will see me on a monthly basis, unless it is determined that his sessions need to be more frequent. He seems to be doing well and making plans to further his expertise in hospital ministry through CPE training.

As always, please feel free to contact me if you have any questions, comments or ideas which you feel would further Father Avery's therapeutic progress.

Best wishes to you in your ministry.

Sincerely,

Jeanette Weychert, SSJ, Ph.D.
