Dear Sister Jeanette:

I acknowledge your letter which was received in my office on September 26, 1995, concerning Father Edward Avery. I thank you for the update on his treatment plan.

I was sorry to read that you will be leaving Saint John Vianney Hospital. I take this opportunity to thank you for your assistance to Father Avery and for your excellent work with the priests of the Archdiocese. I wish you all the best in your future endeavor.

May the Lord give you His fullest blessings.

Sincerely yours in Our Lord,
