BISHOP
F.41

This is the statement to be read in church
all names are the same
last Sunday by Frank Beard, July 11, 1912

21

Father Brennan has asked me to share with you that the Bishop of our Diocese has asked him to take a sabbatical which will allow him a time for rest and renewal before he enters another ministry.

He feels that his ministry at St. Francis has been succussfully fulfilled in the building of this magnificent shrine of St. Francis and the parish center. The various ministries of the church are well established and functional, and can only be a blessing for now and years to come.

We all are deeply indebted to Father Peter Brennan for the spirit of love, compassion and concern which he engendered in our church. We are grateful to him for the outstanding leadership he gave in building of this parish and for his Pastoral care to all areas of this community.

I appear in his place today only because Father finds saying Good Bye to those he loves heart rendering emotionally.

On November 27th, we have decided to honor Father Brennan and give members and friends of the Parish, a time to say good bye, ^{thus also} which coincides with the 4th Anniversary of our church dedication. ~~The time will be from 3:00 to 5:00 pm.~~ There will be further announcements as to the time & place

I have spoken with him personally and can assure you that his spirits are high & his health good. He goes with the humility and spirit of adventure that we have all come to love in him.

He leaves his blessing for you all.
