Transitions:  
Process:

Take leave

- Move to a non public min<sup>y</sup> - Council of Sisters
- Retreat team SUA Riverside
- Scripture Course
- Spirit Dir for priests.

Ray - process this  
no hurry

You have tie to work your own schedule

Smooth transition

How do you see yourself transitioning -

Don't put type of pressure on you you could 2 yrs ago

M.D. what say?

Everyone has to make transitions - prepare for them

Start process right away.

Come up with schedule

Should move before all -

Begin to wind down in parish  
wind up in new assignment

Feeling not of leaving something but accomplishing something

Make decision while healthy not go to Senior home - positive step

(Anita) Take pressure off self - desire to disclose notes not possible

Process of sharing with love / love

And church environment - aggravates some system
