Dear Dick:

Thanks for your note and for looking into the auto and health insurance issues for me. The extra money will come in very handy.

I looked through my check book after I talked to you on the phone and found that I had indeed payed into the Priests Retirement Fund this year. Sorry that I forgot about that. I hope you didn't spend too much time trying to figure out what had happened.

I haven't contacted my Dad yet. As I explained on the phone its hard for me to talk to him. I'm trying to get up the courage to do it. If he writes again before I reach him it would be ok if you wanted to send him my address. I hope to write him soon.

It was good hearing from you and I hope everything is going well for you and yours.

Sincerely in Christ,

Dave Roll

Dear Dave:

Yesterday, I had a meeting with the Boundaries Committee, of which Monsignor Thomas Prendergast is a member. Since Monsignor Prendergast is also a member of the board of directors of our retirement plan, I asked him to check into your status.

He told me that the board would be meeting on Thursday this week, and that he'd see whether or not you should be making payments into the program during your sick leave. As far as he could remember, you were never excluded from the program, but since you are on sick leave, you might not be expected to make contributions.

In any event, he said that he would look into it, and as soon as he tells me something about your status, I will relay the information to you. If you would prefer to deal with the administrators of the program directly, here is their name and address:

Dear Father Roll:

A recent audit of the Diocesan Accounts, indicates that there is still a balance of \$3,483.50 remaining due on your Seminary Tuition account.

Many of the priests of the Diocese presently hold endowment insurance policies for the amount of their outstanding Seminary Tuition which makes the Diocese the beneficiary under such policies.

It will be appreciated if we could have some indication from you in the near future as to whether or not you intend to take out an endowment policy for a period of 20 years or less, or whether you would prefer to repay the tuition through convenient monthly payments.

PROFESSION OF FAITH AND OATH

With a firm faith I David H. Reel, Jr. believe and profess each and all the truths that are contained in the Profession of Faith, that is:

I believe in one God. The Father almighty, maker of heaven and earth, and of all things visible and invisible. And I believe in one Lord; Jesus Christ, the only-begotten Son of God. Born of the Father before all ages. God of God, Light of Light, true God of true God. Begotten, not made, of one substance with the Father. By whom all things were made. Who for us men and for our salvation came down from heaven. And he became flesh by the Holy Spirit of the Virgin Mary: and was made man. He was also crucified for us, suffered under Pontius Pilate, and was buried. And on the third day he rose again, according to the Scriptures. He ascended into heaven and sits at the right hand of the Father. He will come again in glory to judge the living and the dead. And of his kingdom there will be no end. And I believe in the Holy Spirit, the Lord and Giver of life, who proceeds from the Father and the Son. Who together with the Father and the Son is adored and glorified, and who spoke through the prophets. And one holy, Catholic and Apostolic Church. I confess one baptism for the forgiveness of sins. And I await the resurrection of the dead. And the life of the world to come.
Amen.

I also firmly embrace and hold, in each and every part, what by the Church has either been defined by a solemn judgement, or affirmed and declared by ordinary teaching, on the doctrine of faith and morals, and as proposed by her, in a special manner what concerns the mystery of the holy Church of Christ, her Sacraments and the Sacrifice of the Mass and the Primacy of the Roman Pontiff.

I promise and swear, so help me God and these Holy Gospels which I touch with my hand.

His Excellency
Francis J. Firey
Bishop of San Diego
San Diego, California.

Most Reverend and dear Bishop:

I, the undersigned, David Roll, a student for the Diocese of San Diego, hereby humbly petition your Excellency to be promoted to Clerical Tonsure, if I am judged worthy.

In presenting this petition to your Excellency, I do so entirely of my own free and spontaneous will and am moved thereto by no consideration other than the promotion of the glory of God in the service of the Church and the salvation of my own soul.

Your Excellency's most humble servant,

David H. Roll, Jr.

July 6, 1962

Mr. David H. Roll
1411 Thomas Avenue
San Diego 9, California

Dear Mr. Roll:

I am happy to tell you that your application for entrance into St. Francis Seminary has been approved. But as yet your file is incomplete: we still need your baptismal, confirmation and first Communion records as well as duplicate copies of your academic transcripts. Please obtain a confidential letter of recommendation from your Pastor and from one other priest who knows you.

Because of the increased number of vocations, the Bishop has decided to return the St. Francis Seminary department to its original location at El Cajon. Until September 1, however, all correspondence should be directed to me at the above address. The Seminarists will report to the Seminary on Saturday, September 8 between one and three o'clock. The new address is: St. Francis Seminary, East Madison Avenue, El Cajon.

Wishing you God's continued blessing, then, I remain,

Sincerely yours in Christ,

Reverend John R. Quinn
Rector

Re: Your client Monica Tessaro

Dear Mr. Poswall and Ms. Cutler,

I am writing in response to your letter to Bishop Brom, as I am general counsel for the Diocese of San Diego. The purpose of this letter is threefold. The first is to ask you to pass on to your client the thanks of Msgr. Steve Callahan and the diocese for the time that she took to come in with her brother to meet with Monsignor and tell her story. The second is to inform you, and through you, your client, that a report will be made to the San Diego Police Department based on the facts that Ms. Tessaro shared with us. The third is to decline your request that records or personal information concerning David Roll be turned over to you. I am sure that you understand that privacy concerns will not permit the distribution of records containing private information concerning any current or former personnel of the diocese to you or any other private party without express permission.

If you would like to discuss this matter further, please feel free to call me at (858) 490-8259.

Sincerely,

MEMORANDUM

Date: April 16, 2002
To: File
From: Monsignor Steven Callahan
Subject: Address for Father David Roll

In October 2001, Epler received the following information on Father Roll's whereabouts:

Phone numbers:

REDACTED

CONFIDENTIAL

MEMORANDUM

TO: File: Rev. David Roll
FROM: PETERS
DATE: 7 March 1995
RE: Status of priest

1. An articulate, if aspecific, accusation of sexual misconduct against Rev. Roll was made in 1976. No evidence of any action taken was found in his file.
2. In 1986, Bp. Maher received accusation by police regarding alleged sexual misconduct by Roll. Bp. Maher put Roll "on probation" and withdrew faculties. There is no such thing as "on probation" in canon law. Doubtless, "withdrawing faculties" meant to Bp. Maher that Roll was suspended. Such an action--as opposed to acting under c. 1722, for example--would have been illegal under the new Code.
3. By 1987, however, there was overwhelming professional evidence of Roll's complete inability for ministry (coprolalia, suicidal ideation, etc). This evidence was basically repeated up to at least 1993/94, when Bp. Brom placed Roll on permanent disability retired status. This concept solves certain financial questions, but does not clearly address Roll's canonical status.
4. The easiest thing to do, I suggest, is impeded-for-exercise:

"Having reviewed the extensive psychological reports on Rev. David Roll, and understanding Bp. Maher to have prohibited Rev. Roll from all ministry in 1986, I hereby confirm that Rev. Roll is now, and always has been considered by me to have been, prohibited from the exercise of all ordained ministry in accord with 1983 CIC 1044, n. 2." Signed bishop, co-signed chancellor, etc.
5. As for as Kenedy listing: they have no category for "impeded". Maybe created one (not recommended) or could call them something like "disability retired, without faculties" or just plain "without faculties", "not currently authorized for ministry". Something that would tell the faithful--and a jury--that X is not being held out by us as able to engage in ministry.

The Most Reverend Robert Brom, D.D.
Bishop of San Diego
Post Office Box 80428
San Diego, CA 92138

Dear Bishop Brom,

Several weeks ago you received a letter of introduction from Dr. Sarah Brennan, the recently appointed clinical director of the Albuquerque Villa. This is the follow-up letter with a brochure and fact sheet which you had been promised.

Since the early 1950's the Villa has been at the service of priests and brothers with a wide variety of psycho-spiritual and emotional needs. Throughout the years the Servants of the Paraclete and their professional staff sought to adapt themselves to the changing needs of priests and brothers in their ministry.

It is not surprising that the rapid and significant changes and events of recent years have had an impact on the quality of life and ministry of priests and brothers. Stress, anxiety, frustration, and not a little anger and confusion are common experiences for many of today's ministers struggling to meet the ever changing demands on their time, energy and resources. Destructive and inappropriate behavior are often symptomatic of these underlying unresolved conflicts.

A common experience of the Servants and our professional staff today is that of seeing many gifted, dedicated and zealous priests and religious suffering the consequences of this inappropriate and self-destructive behavior. Many of the men we see in our programs are men who under less stressful times would be living lives of dedication and service to the Church. We discover underneath the surface of pain, perceived failure, and impulsive behavior, a man who has the potential for a productive, creative and personally satisfying life in the ministry or lay state.

I am privileged to have been assigned the task of director of the Albuquerque Villa at this particular time in the life of the Church. Over the past several months we have put together an extraordinary team of professionals each of whom has many years of service with the Servants of the Paraclete. Together we have designed and implemented a **new and innovative program** of therapy building on the past, but designed to address the emerging needs of today's ministers

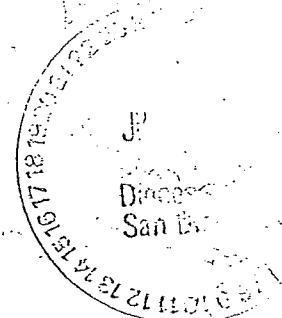

Because we are relatively small (19 bed capacity), with a small resident staff ratio, we are in a unique position to offer a personally designed program concentrating on the particular needs of each resident.

The Servants of the Paraclete, together with their professional staff, have learned much over the past several years. We have sought to serve the needs of the Church in her ministers and have found ourselves often treading where others had not yet ventured. We have born the burden of our mistakes and have grown in the process. It is not an exaggeration, I hope, to suggest that many programs operative today have built on our experience. Today at the Albuquerque Villa we are a unique community of professionals, lay and religious, men and women, who are drawing from our shared experience to offer you a program that is a rare combination of traditional spiritual values and sound compatible psychological insights. We look forward to serving you.

Please, Bishop Brom, feel free to call at your convenience to consult either with Dr. Brennan or myself, or better yet, pay us a visit. I look forward to hearing from you. I remain sincerely in Christ,

Raymond J. Gunzel, sP

Mr. David Roll
Albuquerque, NM 87110

Dear David,

We hope this letter finds you well and benefitting from time with Dr. DeBlasie. Recently we have begun to clarify our subsidy to individuals in treatment. This movement has been initiated out of concern for responsible stewardship which now directs our need to modify the role the Diocese of San Diego will assume in your treatment. We have been communicating with Dr. DeBlasie regarding this matter and encourage you to discuss with him your decisions.

Based on the time involved in your treatment and the information submitted for professional review, the following has been established:

- 1) All billing arrangements will be arranged directly by you with your provider. Any Diocesan subsidy will be paid out or reimbursed to you directly. Current Diocesan subsidy for individual sessions have been set at a payable limit of \$85.00 per session. Charges exceeding this limit will not be reimbursed and will be your responsibility.
- 2) Arrange to reduce sessions to once weekly within one month of receipt of this letter.
- 3) Arrange referral for an evaluation of potential benefits of medication. Your condition as identified has often been greatly assisted by the responsible use of select medications.
- 4) Explore and identify the availability of a suitable Day Treatment Program that may assist with socialization skills and self-care management. Identify facilitated skill development training program.
- 5) Active referral and required attendance at self-help group.
- 6) It is recommended that weekly sessions be extended for a period of up to six months with a possibility of continuing medication supervision.

The change in arrangements reflect both responsible stewardship and our wish to increase your assumption of responsibility for a realistic personal care plan at this point. We have asked Dr. DeBlasie for his professional support in assisting you in completing this transition. We hope to receive notification on a timely referral for a medication evaluation, the possibilities of a group day treatment program, and, referrals to self-help programs.

Sincerely,

Reverend Monsignor Daniel Dillabough
Chancellor
Diocese of San Diego

Dear David:

Since we have had no communication in reference to your treatment program, as well as your development program and educational opportunities, it was necessary for us to cancel your support because that was part of the agreement. In fact, it would seem by now that you should be fairly well stabilized in your present role and be able to finance your own situation.

Therefore, please inform me concerning the agreement that you are taking treatment, that you are preparing yourself for educational opportunities and that you are prepared to take on your own financially responsible role in life.

With all good wishes, I am

Sincerely in Christ,

+Leo T. Maher
Bishop of San Diego

Dear David:

I wish you to know that my thoughts are with you during this holy season, as are my prayers and good wishes. And to show you that I am thinking of you at this particular time, I am enclosing a Christmas gift.

Tomorrow we have a day of recollection for the Penance Service, which I hope most of the priests will attend. Christmas is coming so rapidly and we have so many meetings. We have a Mass for seminarians at Camarillo on the 9th, then we have two Guadalupano celebrations, one in Imperial Valley on the 12th, with the dedication of a convent in Calexico, and the big celebration on the 14th here in San Diego. This will initiate our jubilee program.

I hope all is going very well with you. I am anxiously awaiting a report.

With my Christmas gift go my greetings and best wishes for great happiness during this holy season.

Sincerely yours in Christ,

+Leo T. Maher
Bishop of San Diego

Dear Father Roll:

It has been brought to my attention that it would be most beneficial to you to be offering Mass with the community.

I am, therefore, granting permission for you to offer Mass as a concelebrant or privately within the institution.

It is my hope that the Mass will give you the spiritual benefits so necessary for the healing process that you are presently undergoing. Please write to me and let me know how you are proceeding and how you are benefitting from the program itself.

With all good wishes, I am

Sincerely yours in Christ,

+Leo T. Maher

Rev. Bishop:

My son David is (or was) a priest of the San Diego Diocese. I have not heard from him for some time.

Could you tell me how I can get in touch with him, or he get in touch with me?

I am confined to this care center as I am quite ill - I will be here the rest of my life, as wife, Catherine, died in the past year and I have no home.

May I hear from you soon? Thank you!
