Reverend and dear father:

Since I hope to enter the SUNDRE program of Seattle University
graduate school, would you kind send a transcript of my records
to:

Director of Admissions
Seattle University
Seattle, WA 98122

I attended the major seminary from 1953 through 1958, the
year of my ordination. It is my understanding that I have been
granted the M Div retroactively.

Would you also drop me a note in the enclosed envelope to let
me know when the transcripts were sent to SU.

Sincerely yours,
