Dear Fr Thomas,

I am reporting a change of address from Deltona, FL to:

2 Beachstone Apt 5
Portsmouth, NH 03801

I am now residing with my 50 year old brother. An airline pilot & bachelor, he is now considering a base transfer to Raleigh-Durham area in North Carolina, probably in late spring or early summer, 1989. This is a much better situation for me.

Soon, I will call you to discuss my situation & options. Perhaps it would be best for all if I were laicized. In that event I would have to retain my full pension benefits. When I retired on my medical, this was placed to the priest's age retirement plan, i.e., my benefits were understood by myself and the Archdiocese to always be identical to what age-retired priests received in all respects. With this proviso I would accept laicization, although it would be a bitter pill to swallow. Could you also find out what treatment facilities are available in North Carolina, southern Virginia, & South Carolina?

Yours in Christ,

Mike Colby
