

The
Jewish
Hospital
of St. Louis

Rev. Romano J. Ferraro

April 28, 1982

Dear Bishop May,

I have been the happy recipient of the hospitality of the Diocese of St. Louis since I arrived in March of 1980 at the House of Affirmation.

Having finished my stint there I returned from vacation Jan. 19, 1981 to take up residency at St. Joan of Arc while both working as Chaplain at Jewish Hospital and continuing as an outpatient at H.O.A.

It would please my Bishop (Francis Mugavero of Brooklyn N.Y.) if I were to remain here at least another year, and I would like your permission to do so. I have the O.K. from Jewish to remain a Chaplain and from Msgr. Pieper to remain in residency at St. Joan.

Respectfully and with gratitude,

Rev. Romano J. Ferraro
