Returned Gene's call of yesterday -
He had moved - new address & phone above

He was extremely depressed yesterday when he called. Could not say mass. Needs somebody to talk to - I gave him the names from the Bishop and he intends to call Jude this afternoon or tomorrow.

Can't sleep, stomach bothers him.

We chatted a bit but depression is obvious. He's going to Bingo with his sister this afternoon.

Called Gene - he was having a bad day - his sister had left for two weeks to visit a new baby. He met with Jude this morning and liked him very much.

Has trouble saying mass.
