RE: Report to DSS regarding Father Mahan

I called the Beverly Department of Social Services to report a case of sexual abuse of a minor. I spoke with Betty Rodger regarding the abuse by Father Mahan of [REDACTED]. It happened two years ago in the house at Marblehead. [REDACTED] lives with his family in [REDACTED]. Ms. Rodger said that she would not investigate because I told her that Father is not functioning as a priest and will be living under supervision.
