Dear Paul:

It has been a couple weeks since I received your letter and thought that I would drop a note to let you know how things are going.

I have informed the appropriate offices about your new address and asked that it not be made public. I hope there has not been a delay in your receiving your monthly check.

Although the Archdiocese is still considering the establishment of a residence for priests not in public ministry, I am sure that it will not be in Palm Springs, Paul. It will have to be established here in the Archdiocese.

I have not checked your file for Dr. Shaner's letter but I am sure it did not accompany Bishop Hughes to Baton Rouge. Is there something you want me to do with the letter?

Sorry to say I have not received any information from Tim O'Neill. My suggestion is that you drop him a line and let him know that it would be important for him to pass the information on to me as soon as it is possible.

I have not been in contact with the bishop of San Bernardino who would be the one to recommend a 'supervisor' for you but I was hoping to have the information from Tim O'Neill before I contacted him. If it is delayed much longer, I should contact the bishop since he is unaware of your presence in Palm Springs.

I know these must be anxious times for you, Paul. Be assured of a remembrance in my prayers. Take care of yourself. My best to Jack White.

Sincerely yours,

JBM:mo'l
