Dr. Guerin @ Jeph.

- interesting, candid, - believable

- assessment fairly sure

- bottom line - attracted to late adolescence ^{18-20s}
- not knowing how to move

- medical cond. - prostate

- sexual interests declined

- not sexually active for 20 yrs - inc
- would be talking @ Guerin

- not a significant risk

- Parole - suicidal projection

- run away from feelings - psycho therapy

- should stay in for a couple weeks - monitor

- too opposed to admission + risk
- no plan

(1) neurological workup - ^{parents deal from Paul's} studies, photos, brother's ^{statements} psychiatrist, psychologist, psychiatrist
