Dear Paul:

GT REDACTION

The other day I met with [REDACTED] and we reviewed the legal dimension of the complaint made to Attorney Roderick MacLeish by [REDACTED]. Mr. MacLeish's office would like to move forward with the claim and has asked that we cooperate. Enclosed is the material which Mr. MacLeish is asking to be addressed.

In light of this matter, Paul, [REDACTED]

I am sure that this request and all the legal activity will add to your stress. At the same time, Paul, I too am concerned for your health and the legal dimension of this claim. For these reasons, Paul, I ask that you begin plans to come home. I will do all I can to make sure that you are cared for and supported. Once you receive this, let's talk.

You are in my prayers. I hope that you have heard from the Clergy Fund by now. My understanding is that they sent you a supplement beginning in March. If not, let me know. Take care.

Sincerely yours,

Reverend John B. McCormack
Secretary for Ministerial Personnel
