Dear Ms. Higgs:

Archbishop Law received your letter of April 29, 1985. He is sorry to hear you were disturbed about the talk given by Father Paul Shanley last November regarding homosexuals and asked that I respond on his behalf.

I, too, regret that his talk was a source of such disturbance and appreciate the interest you show in helping to avoid such situations in the future. I have been in contact with Father Shanley and will be speaking with him about this matter soon.

Wishing you God's blessings, I remain

Sincerely yours,

Rev. John B. McCormack  
 Secretary for  
 Ministerial Personnel

7/25 Saw Paul: he feels she <sup>basically</sup> misunderstood him - He talked to a large audience on homosexual orientation, not behavior since he was forbidden by medical to talk on homosexual activity. Even though the whole letter - I have no reason to believe Paul was supporting efforts to suppress homosexual activity. He does promote compassion + understanding for the homosexually oriented. JBM
